<u>Item</u>		<u>Pages</u>
1.	APOLOGIES FOR ABSENCE	
2.	DECLARATIONS OF INTERESTS	
	<p>If a Councillor has a disclosable pecuniary interest in a particular item, whether or not it is entered in the Authority's register of interests, or any other significant interest which they consider should be declared in the public interest, they should declare the existence and, unless it is a sensitive interest as defined in the Member Code of Conduct, the nature of the interest at the commencement of the consideration of that item or as soon as it becomes apparent.</p> <p>At meetings where members of the public are allowed to be in attendance and speak, any Councillor with a disclosable pecuniary interest or other significant interest may also make representations, give evidence or answer questions about the matter. The Councillor must then withdraw immediately from the meeting before the matter is discussed and any vote taken.</p> <p>Where Members of the public are not allowed to be in attendance and speak, then the Councillor with a disclosable pecuniary interest should withdraw from the meeting whilst the matter is under consideration. Councillors who have declared other significant interests should also withdraw from the meeting if they consider their continued participation in the matter would not be reasonable in the circumstances and may give rise to a perception of a conflict of interest.</p> <p>Councillors are not obliged to withdraw from the meeting where a dispensation to that effect has been obtained from the Standards Committee.</p>	
3.	SPECIAL MOTION	
	<p>To consider and determine the following Special Motion:</p>	
3.1	SPECIAL MOTION 1 - HARWOOD TERRACE CLOSURE	5

SPECIAL MOTION NO. 1 – HARWOOD TERRACE CLOSURE

Standing in the names of:

- (i) Councillor Mark Loveday
- (ii) Councillor Matt Thorley

This Council notes:

1. The serious problem of traffic experienced in residential parts of South Fulham throughout the Peterborough Estate, Hurlingham and Sands End and in particular along Harwood Terrace.
2. That on 21 October 2019, the Council closed Harwood Terrace to traffic at the junction with Imperial Road for an experimental period of 6 months.
3. That the impact of this closure has been enormous and divisive for the local community in South Fulham and has generated over 2,000 complaints.

This Council resolves:

1. Whilst acknowledging the Council's efforts to address serious traffic problems in Harwood Terrace, that the current "pilot" scheme is not fit for purpose and has had a disproportionate impact on other parts of the road network in South Fulham.
2. Agrees to terminate the experimental traffic scheme with immediate effect and reopen Harwood Terrace to vehicles.
3. Undertakes a proper and comprehensive traffic study in South Fulham.
4. Implements measures to residential streets in South Fulham which do not simply shift traffic onto other residential streets.
