Item

Pages

1. APOLOGIES FOR ABSENCE

2. DECLARATIONS OF INTEREST

If a Councillor has a disclosable pecuniary interest in a particular item, whether or not it is entered in the Authority's register of interests, or any other significant interest which they consider should be declared in the public interest, they should declare the existence and, unless it is a sensitive interest as defined in the Member Code of Conduct, the nature of the interest at the commencement of the consideration of that item or as soon as it becomes apparent.

At meetings where members of the public are allowed to be in attendance and speak, any Councillor with a disclosable pecuniary interest or other significant interest may also make representations, give evidence or answer questions about the matter. The Councillor must then withdraw immediately from the meeting before the matter is discussed and any vote taken.

Where Members of the public are not allowed to be in attendance and speak, then the Councillor with a disclosable pecuniary interest should withdraw from the meeting whilst the matter is under consideration. Councillors who have declared other significant interests should also withdraw from the meeting if they consider their continued participation in the matter would not be reasonable in the circumstances and may give rise to a perception of a conflict of interest.

Councillors are not obliged to withdraw from the meeting where a dispensation to that effect has been obtained from the Standards Committee.

3. HARWOOD TERRACE CLOSURE

This item will be a discussion between members, officers and residents about the concerns relating to the closure of Harwood Terrace.

REASONS FOR URGENCY

The meeting was called at short notice to allow residents affected by the closure of Harwood Terrace to air their views about the impact of the road closure. The report was not ready for publication when the agenda was published.

The council has started engagement with a small working group of residents and this work will inform future recommendations.

The council has a statutory obligation to consider any objections to the scheme during the initial 6 months from when it is in force. This statutory 6-month period will come to end in April 2020. Residents' views and comments received at this meeting will shape the council's response and any modifications to be made to the order if required.
