SUMMARY OF DECISION

The Committee has considered an application for a premises licence under the Licensing Act 2003.

In summary, the Committee has decided, after taking into account all of the individual circumstances of this case and the promotion of the four licensing objectives to grant the licence subject to the conditions agreed at the hearing and can be found in the decision letter.

The licence becomes operational with immediate effect. If problems are experienced, then an application for a review of the premises licence can be made.

A copy of this Committee's full decision including its reasons and the full text of the conditions added to the licence will be sent to the parties in due course.

If any of the parties are unhappy with the decision, they are entitled to appeal to the magistrates' court within 21 days from the date of notification of the full decision.
