SUMMARY OF DECISION

The Committee has considered an application for the grant of a premises licence under the Licensing Act 2003 for the supply of alcohol for consumption off the premises.

In summary, the Committee has decided, after taking into account all of the individual circumstances of this case and the promotion of the four licensing objectives to:

1. Grant the Application as follows:

Sale of alcohol – Off the premises for delivery only
Monday to Friday 12:00 - 19:00

2. The licence is subject to any mandatory conditions
3. Impose conditions on the Licence as suggested by Committee
4. The Committee also note that the Applicant volunteered to limit the shipment of the alcohol off the Premises of no more than twice a week

This licence becomes operational with immediate effect. If problems are experienced, then an application for a review of the premises licence can be made.

A copy of this Committee's full decision including its reasons [and the full text of the conditions added to the licence] will be sent to the parties forthwith.

If the Applicant is unhappy with the decision, they are entitled to appeal to the magistrates' court within 21 days from the date of notification of the full decision.
