****PLEASE CONFIRM RECEIPT OF THIS EMAIL****

Dear Mr Defeo,

We are in receipt of the picture below (18 June 2020 – 18:15) which shows seating made available and in use in front of 'Smartec' which is adjacent to your licensed premises.

We remind you that customers seated consuming food and/or drinks in areas adjacent to the property is a breach of section 4 part 3 of the COVID Regulations 2020. (See below).

-Any seating at or adjacent to the property must be removed or customers informed they cannot be used – verbally/tapped off.

-If customers are bringing their own tables/chairs they must be informed this is not permitted.

I would also like to make you aware that resident complaints have been raised with regards to your customers congregating outside the property, ignoring social distancing and causing ASB.

Although premises are temporarily operating as an off licence, operators are still responsible for their customers. Street drinking has the potential to lead to ASB and public nuisance undermining the licensing objectives.

Please see attached letter from Police Licensing in regards to off-sales and poster detailing the controlled drinking zone mentioned in the letter. Please print off the posters and display place on the exterior of your premises. As advised in attachment, staff should be dispersing their customers, encouraging them to leave the area or go home, if they refuse responsible actions must be taken.

Can you give me a call on the number below as soon as possible to discuss operation moving forward until on sales are re-introduced please?

The Health Protection (Coronavirus, Restrictions) (England) Regulations 2020

4.—(1) A person responsible for carrying on a business which is listed in Part 1 of Schedule 2 must—

(a) during the emergency period—

(i) close any premises, or part of the premises, in which food or drink are sold for consumption on those premises, and

(ii) cease selling food or drink for consumption on its premises; or

(b) if the business sells food or drink for consumption off the premises, cease selling food or drink for consumption on its premises during the emergency period.

(3) For the purposes of paragraph (1)(a)(ii) and (b), an area adjacent to the premises of the business where seating is made available for customers of the business (whether or not by the business) is to be treated as part of the premises of that business.

Kind regards

Cristina Perez
