---

I am the Licensing Policy and Enforcement manager for the London Borough of Hammersmith and Fulham. I am also able to act as the responsible authority for the Licensing Authority of the London Borough of Hammersmith and Fulham.

Further to the submission of the licensing authorities review application on the 3<sup>rd</sup> June 2020 it has come to my attention that there is an error with an email address mentioned in the document.

At pages 4 and 5 of the review application the following email address is mentioned:  
[Defeo@jacks.london](mailto:Defeo@jacks.london)

However the email address used during correspondence with the licence holder was in fact : [vincenzo@jacks.london](mailto:vincenzo@jacks.london)

I would be grateful if this could be taken into account when considering the review.
