2 March 2016	<b>Items TBC</b>		

## Community Safety, Environment & Residents Services PAC – Draft Work Programme 2015-16

<b>April</b>			
12 April 2016	<b>Items TBC</b>		

### **Suggested Items - Not Scheduled**

- Cllr Phibbs: Item on how more residents could be encouraged to serve as Special Constables.
- Cllr Phibbs: Street tree pits – LBHF are currently using tarmac to capp tree bases instead of a traditional hoggin that would be more in-keeping with the area (possible link into wider concern RE: flooding and surface water retention).
