1. EXECUTIVE SUMMARY

1.1. The Pension Fund is required to maintain a Governance Compliance statement recording the governance arrangements for the Fund and the level of compliance with statutory guidance. With the establishment of the Pensions Sub-committee and Pensions Board, the statement needs to be updated.

1.2. The Pensions Board has been established and the policies governing it’s activities are in the process of being drafted and approved. Scheme members and employers have been contacted to seek members of Board to serve alongside the two councillor members already appointed.

2. RECOMMENDATIONS

2.1. That the sub-committee approve the Governance Compliance statement set out in Appendix 1, subject to consultation with the employers of the Pension Fund, and agreement of the final version being delegated to the Director for Finance in consultation with the Chair of the Sub-committee.
3. REASONS FOR DECISION

3.1. It is a regulatory requirement that the Pension Fund keeps the Governance Compliance statement up to date and given the recent changes to the Fund’s governance arrangements, it is necessary to revise the statement.

4. INTRODUCTION AND BACKGROUND

4.1. The Local Government Pension Scheme regulations 2013 require all administering authorities to prepare and maintain a Governance Compliance statement. This statement should explain the governance arrangements for the Fund and the level of compliance with statutory guidance issued by the Secretary of State for Communities and Local Government. The regulations also state that it is a requirement to consult “such persons as it (the Pension Fund) considers appropriate” before finalising a revised statement.

4.2. The statement was last approved by members in 2011. Two main changes have occurred in the last twelve months, which mean it is now timely to review the statement:
   - Establishment of a Pensions Sub-committee in December 2014
   - Establishment of a Pensions Board in February 2015.

4.3. The draft terms of reference for the Pensions Board were presented to the Pensions Sub-committee in January 2015. Full Council approved the establishment of a Pensions Board and the terms of reference at the February 2015 meeting.

5. PROPOSAL AND ISSUES

5.1. A revised draft Governance Compliance statement is attached at Appendix 1. This incorporates the establishment of the Pensions Sub-committee and the Pensions Board. The annex to the statement shows the level of compliance with the statutory guidance. This guidance has not yet been updated for the introduction of Pension Boards. The only areas where the Fund is not compliant relate to representation from scheme members and employers on the committee. These groups are however represented on the Pensions Board.

5.2. Following the establishment of the Pensions Board in February 2015 work has been on-going to prepare the policies for the Board and to appoint Board members.

5.3. The agreed terms of reference for the Board refer to a number of policies:
   - Code of conduct
   - Conflicts of interest
   - Selection of non-councillor members
   - Training policy.

These policies have are in the process of being drafted and approved. The training policy is proposed to be the draft Knowledge and Skills policy.
statement for the Pension Fund presented to the Sub-committee for approval elsewhere on this agenda.

5.4. At Full Council on 20th May 2015 Councillors Hashem and Vaughan were appointed to be the members of the Board representing the Council. Scheme members and admitted and scheduled bodies have been contacted to seek representatives of these groups to be members of the Board to serve alongside the councillor members. There will be three scheme member representatives and one representative of the admitted and scheduled bodies.

Information on the extent of the Fund’s compliance with guidance issued by the Secretary of State for Communities and Local Government is also a requirement of this regulation.

The sub-committee is made up of five elected members of the Audit, Pensions and Standards Committee – three administration councillors and two opposition councillors. All Councillors on the sub-committee have voting rights. In the event of an equality of votes, the Chair of the Sub-committee shall have a second casting vote. Where the Chair is not in attendance, the Vice-Chair has the casting vote.

The Sub-committee meets four times a year and may convene additional meetings as required. Three members of the Sub-committee are required to attend for a meeting to be quorate.

The terms of reference for the sub-committee are:

1. To agree the investment strategy and strategic asset allocation having regard to the advice of the fund managers and the Investment Consultant.

2. To monitor performance of the Pension Fund, individual fund managers, custodians, actuary and other external advisors to ensure that they remain suitable;

3. To determine the Fund management arrangements, including the appointment and termination of the appointment of the Fund Managers, Actuary, Custodians and Fund Advisers.

4. To agree the Statement of Investment Principles, the Funding Strategy Statement, the Business Plan for the Fund, the Governance Policy Statement, the Communications Policy Statement and the Governance Compliance Statement and to ensure compliance with these.

10. To review the arrangements and managers for the provision of Additional Voluntary Contributions for fund members.

11. To receive and consider the Auditor's report on the governance of the Pension Fund.

12. To determine any other investment or pension fund policies that may be required from time to time so as to comply with Government regulations and to make any decisions in accordance with those policies.

Pensions Board
With effect from 1st April 2015, all administering authorities are required by the Public Services Pensions Act 2013 to establish a Pensions Board to assist them. The London Borough of Hammersmith and Fulham Pensions Board was established by full Council on 25th February 2015.

The role of the Pensions Board is to assist the administering authority with securing compliance with Local Government Pension Scheme regulations and other legislation relating to the governance and administration of the scheme. The Board does not have a decision making role in relation to management of the Fund, but is able to make recommendations to the Pensions Sub-committee.

The membership of the Board is as follows:
- Three employer representatives comprising one from an admitted or scheduled body and two nominated by the Council;
- Three scheme members representatives from the Council or an admitted or scheduled body.

All Board members are entitled to vote, but it is expected that as far as possible Board members will reach a consensus. Three Board members are required to attend for a meeting to be quorate. The Board will meet a minimum of twice a year.

Compliance with statutory guidance
It is a regulatory requirement that the Fund publishes the extent to which it complies with statutory guidance issued by the Secretary of State for Communities and Local Government. The guidance and compliance levels are set out in Annex 1.
