## Community Safety, Environment & Residents Services PAC – Work Programme 2015-16

<b>Planning Annual Monitoring Report</b>		
--	--	--

(Juliemma McLoughlin) To review the annual report on progress against the Local Plan priorities and objectives. (Last report 14 April 2015)

### **CSERS PAC REMIT:-**

- Transport, including roads maintenance, other transport infrastructure
- Parking policy, traffic management and the relationship with TfL
- Planning policy and performance and the impact of developments on transport infrastructure and the environment
- The local environment
- Street Scene
- Parks and open spaces
- Recycling and environmental sustainability
- Waste disposal, street cleansing, refuse collection
- Cemeteries
- Biodiversity
- Quality of life
- Community safety
- Tackling anti-social behaviour
- Licensing and gambling
- Neighbourhood governance

### **Public suggestions**

**1. Environmental requirements for new buildings** (commercial and residential) – ensuring solar panels are installed and grey-water\* plumbing is fitted. Also for new gyms - power-generating equipment could be built into exercise machines.

\*Grey-water is all wastewater from households or office buildings except for the wastewater from toilets (e.g. water from sinks, showers, dishwashers).
