
SPECIAL MOTION NO. 7 – NEIGHBOURHOOD HEALTH FORUMS

Standing in the names of:

- (i) Councillor Sharon Holder
- (ii) Councillor Rory Vaughan

This Council welcomes the fact that residents in Hammersmith and Fulham are being invited to come and have their say on local healthcare at Neighbourhood Health Care Forums.

These events will provide local residents a platform to air their views directly to the NHS.

As part of the Council's healthcare priorities it is essential that the Council hears the views and experiences of local residents.
