EXTRAORDINARY COUNCIL MEETING – 25 MAY 2005

The Mayor has received a requisition, signed by the five Councillors indicated below, to discuss :

- Special Motion No.1 – Council Tax Revaluation

“This Council notes that the introduction of a Council Tax revaluation in Wales has resulted in increased levels of Council Tax and that Council Tax revaluation in England is required in law for 1 April 2007, but the methodology is not yet agreed. This Council calls on the Government to guarantee that Council Tax revaluation will not result in an increase in total Council Tax payable for Hammersmith & Fulham residents.”

- Special Motion No.2 – Charing Cross Hospital

“This Council notes with concern the recent press speculation that Charing Cross Hospital is threatened with closure or having its services greatly reduced. The Charing Cross Hospital is currently the major trauma centre for the west of London which deals with serious injuries in the event of a disaster, requiring there to be a number of specialised services on the Charing Cross Hospital site. The Charing Cross also has one of the largest cancer care centres in the country. This Council calls on Hammersmith Hospitals NHS Trust to guarantee that these specialised services will remain at Charing Cross.”

Councillor Stephen Greenhalgh
Councillor Nick Botterill
Councillor Frances Stainton
Councillor Antony Lillis
Councillor Mrs. Adronie Alford

In accordance with Schedule 12 Part I paragraph (3)(1) of the Local Government Act 1972 and Council Procedure Rule 3(c), the Mayor has called the Extraordinary Meeting of the Council for 25 May 2005 at 7.15pm, or on the rising of the Annual Council meeting that same evening, whichever is the later.
