FOR INDEPENDENT FOSTERING

SUMMARY:

This report makes a proposal to award three-year contracts within a Preferred Provider framework to a limited number of organisations. The report describes how Hammersmith & Fulham Children's Services entered into partnership with the London Borough of Hounslow in a tendering exercise led by that authority. There are no guarantees to providers of any take-up of services, but all providers have submitted costings lower than are currently charged. There are anticipated additional benefits of the end of spot-purchasing leading to improved partnerships with the provider organisations and provision more tailored to the needs of our looked-after children.
