Subject: 2022/01110/LAPRR REVIEW of Chelsea Lodge's present Premises licence
2022/00975/LAPRR

Dear Sirs

I am the Co-Chair of the Town Ward Panel and as such represent residents nearby.

I have read with interest the Chelsea Lodge Review. In view of the very serious incident that occurred at the premises on 2th March I fully concur with the review and the stance taken by the Council Licencing Officers but believe the premises should have their licence revoked because although the manager on duty at the time has been fired, it is clear that had he been properly trained and encouraged by the Management to uphold the four licencing principals this situation would not have occurred.

I have yet to consider my response to the proposed conditions to the licence in detail so reserve my right to comment further. Although immediately it stands out that not to check the ID of those entering the premises, making all sorts of exceptions both of times and groups, defeats the whole object of the exercise. There also appears to be no conditions that will prevent the establishment from promotions such as the "Bottomless Lunches", which clearly attract very young females.
