4.	MARI DELI - SUPPLEMENTARY INFORMATION FROM THE APPLICANT	3 - 48

## MARI DELI

---

### STATEMENT OF MARIO AIELLO

---

1. My name is Mario Aiello. I am the owner and operator of Mari Deli at 1a Eyot Gardens, London W6 9TN. I have been in the restaurant trade for over 20 years. I used to own The Miraggio Restaurant in the Fulham Road. This was a large premises seating 130 customers over four floors. I ran The Miraggio impeccably. I had excellent relations with the police, the council and my neighbours.
2. I bought the premises at 1 Eyot Gardens in 2003. I own the freehold. Dr Sue Thompson owns the flat above the restaurant. A few years after I bought the premises my father was tragically killed. My mother and I went into a period of mourning which lasted some time. I did nothing with the property for several years. It was a former corner shop, and it remained closed until 2016 when I decided to open the premises as a coffeshop and Delicatessen where we also served hot food. By this time I had sold The Miraggio. I wanted a quieter life, and I have found it with my new and much smaller world. It has 12 covers inside and 12 covers in a covered area immediately outside the premises which I call the gazebo.
3. My dream was to create the perfect family/neighbourhood place for food and drink providing the freshest Italian seasonal produce which I obtain from my many suppliers in Italy and this country. My 84 year old mother arrives every morning at 7am and prepares cakes, trays of lasagne and the parmigiana di melanzane which is our most popular dish. Right now it is the mushroom and truffle season, and these are supplied to me by my mushroom forager. My flour for the bread is Italian, as are my extra virgin olive oils, my sausages, my cheeses and suchlike. They are all of the very highest quality.
4. My customers are local and loyal. 90% of them come from the immediate neighbourhood. I know them by name, and I know their childrens' names. I have been a good neighbour. During those early days of lockdown I kept the food preparation fully operational, even more so than usual. I delivered hot food and croissants to elderly housebound residents on my electric scooter. It gave me a huge sense of pride and community to see the faces of those residents as they waited by their front windows for my arrival. When eggs and flour were like gold dust, I managed to get a regular supply from my Italian supplier and deliver it to my neighbours. Some Neighbours would knead their dough at home, and then I would

bake their bread for them in my ovens. Often I did this for free. When St Nicholas' Church was unable to open for services and could not collect any money, I gave the church my support with weekly donations. . For me, that is all that matters; community and family.

5. My neighbours kindly donated a plaque to me thanking me for all that I had done for them during Covid. I proudly display this plaque on my wall in the restaurant.
6. My little restaurant won an award from The West London Chamber of Commerce on 24<sup>th</sup> November 2022. The category was "Best Business For Hospitality and Dining". I am extremely proud of this.

#### **7. THE BUSINESS AND PLANNING ACT 2020**

I applied for, and was granted a pavement licence under the BPA for 4 tables and eight customers on the pavement outside my premises. This should not be confused with the gazebo. When my premises licence refers to the "outside area" it is the gazebo to which the premises licence conditions relate, and not the pavement. My pavement licence under the BPA was extended to cover 5 tables and 10 customers. The effect of the pavement licence is that I can have 10 customers outside until 10pm (9pm on Sundays). When the BPA was amended to allow off sales, I was able to supply alcohol to these tables up until the same hours. I recently applied for a new pavement licence on 23<sup>rd</sup> September 2022 and paid the fee of £100. The new pavement licence has been granted under the deeming provisions until 30<sup>th</sup> September 2023. There is a difference of opinion between the highways officers and myself. The BPA states that the council has to make a determination of a pavement licence application within 7 days. The council did not make any such determination and so the licence was deemed granted under s.3(9) of The Act. The Highways officer says that this is a renewal of my old licence and that different provisions apply. He is wrong. They do not. There is no renewal procedure in the Act. Each application is a new application. By the time that my application was determined on 27<sup>th</sup> October 2022, the 7 day deadline was well passed. Any purported curtailing of the hours to 20.00 is of no effect.

#### **8. THE APPLICATION TO VARY**

My current premises licence contains a number of conditions which I would like to amend in order to marry up the gazebo hours with my pavement licence hours. These are conditions 34, 35, 37 and 38.

- Condition 34 requires that the tables and chairs be removed from the front outside area (i.e. the gazebo) by 21.30 each day. I simply ask that this be amended to 22.00

- Condition 35 requires that the outside area (the gazebo) shall be separated from the public highway by a screen, rope barrier or other means of demarcation from the public highway which shall be removed by 21.30 each day. The outside area is screened from the public highway by means of our chilled display cabinets. I simply ask that this can be done at 22.00. In any event, it was also indicated on one of the visits to my premises by council officers that the concrete line between the pavement and my premises was sufficient demarcation. I simply ask that this can be done at 22.00.
  - Condition 37 requires that alcohol shall not be consumed in the outside area (the gazebo) of the premises after 21.30 each day. I ask for this to be amended to 22.00 in line with our pavement licence.
  - Condition 38 states that there shall be no open glass vessels taken into the outside area of the premises (the gazebo) after 21.30. I ask for this too to be amended to 22.00.
9. I should point out that what I am seeking is modest in comparison to other nearby premises. The Black Lion pub has an extensive outside area which is open until 23.00. Its customers do not have to consume a table meal in order to drink alcohol. So, the only proposed changes to my licence are that people would be able to be served and consume alcohol in the gazebo for a further 30 minutes (as is already permitted under my pavement licence) and that the tables and chairs are brought in at 22.00 (as already happens with my pavement licence). I will not be opening my premises any earlier, nor will I be closing them any later.

#### **10. SUPPORT FOR MY APPLICATION**

The support that I have received from my neighbours has been overwhelming, and I will submit the letters and emails that I have received.

#### **11. OBJECTORS**

I have been forwarded a representation from a local Councillor. It speaks about concerns about the set up of the outdoor space early in the morning. I would say that this has nothing to do with the variation of the four conditions which seeks only to extend the hours from 21.30 to 22.00. To set his mind at rest, I can assure the LSC that I will not be setting up any earlier than my current time of 07.00. With respect to my pavement licence, I will continue to place my tables out at 8am Monday to Saturday and 9am on Sunday. In so far as the breakdown of the storage; that too has nothing to do with the variation and will continue to be done at 23.00. In so far as noise travelling down the street, my current usage of the gazebo until 21.30 causes no disturbance, nor is there any complaint about my pavement licence tables which are licensed until 22.00 (save for the complaints by Sue Thompson that I will deal

with below). There is no music outside in the gazebo; it is simply a question of 12 people being allowed in the gazebo for 30 minutes more.

12. There is another representation dated 29<sup>th</sup> September 2022 from Councillor Walsh. It talks in general terms about the extension of hours being likely to lead to further escalation of issues. I do not agree with this.

### **13. SUE THOMPSON**

Sue Thompson owns the flat above the restaurant. She does not live there. She occasionally visits, but spends the majority of her time in Sunbury On Thames where she lives with her mother. The flat was let out about 7 years ago, but remains for the most part empty. The windows of the bedroom which fronts onto Chiswick Mall are almost entirely covered in Ivy. I have gone out of my way to be a good neighbour to her. 8 years ago she fell down stairs in her flat and broke her leg. I drove her to hospital and waited for 4 hours whilst she was attended to. I then drove her to her mother's house in Sunbury On Thames. She has never paid her ground rent,; nor her share of the building insurance; nor her contribution to repairs to the building to me as the freeholder. I have not sought to enforce these. I spent £40,000 repointing the façade of 1 Eyot Gardens. She is obliged under her lease to pay 70% of this. I have never asked her for a penny.

14. I believe that the motive behind her objection is a desire to sell me her flat. We have spoken about this in the past, but she has only a short lease and the flat is in a very poor state of repair. It has been valued at £470,00 and she wanted me to pay £550,00. In fact the last email exchange that we had on this was on 22<sup>nd</sup> September 2022, 7 days before she put in her objection letter. I said that I was not in a position to make or receive an offer because I did not know what it would cost to extend the lease.

15. She raises a number of issues in her letter, many of which have no relevance to the variation application. Nevertheless, I shall address them:

- The telephone number for the premises **is** displayed (and has been for the last 5 years) on 3 blackboards outside the premises.
- The external door from the restaurant is at times propped open in order to allow waiting staff to carry food into the gazebo, and to remove plates. There is low background music in the restaurant. This does not carry into the gazebo, and she makes no complaint about it. Her complaint is about the door being propped open. When I was visited recently by the someone from the council we spoke about applying for a minor variation to remove the condition.
- There is no requirement to keep my windows closed

- The gazebo is part of my licensed premises and service of alcohol to customers in the gazebo is not an off sale. The sealed container condition relates to the bottles of Italian wine that I sell to deli customers to take away. If a customer who has eaten at the restaurant has not finished their bottle of wine, then I have a corking machine that reseals their bottle.
- The BPA allows me to sell alcohol to the tables licensed under the pavement licence.
- My ventilation and extraction systems are regularly serviced and I produce my most recent service certificates.
- I installed a heat extractor 2 years ago specifically to deal with a complaint from Sue Thompson about heat in her flat. The unit does run continuously in order to do its job of reducing the temperature between our two properties. It is the quietest unit on the market. The EHO is welcome to visit my premises at any time to take readings. Indeed, it has done so recently and found some evidence of noise nuisance. I will have an engineer revisit my premises and together we will work with the council to find a solution to this problem
- I produce my fire risk assessment, my gas certificate and my electrical wiring certificate
- The current plan of the premises does include the outside gazebo area. It is this area only that is the subject of this variation application
- My tables and chairs are placed on the pavement exactly in accordance with the stipulations of the LBHF. Council officers recently monitored the use of the pavement licence over 2 weekends and were, I understand, entirely satisfied that all was correct. Officers have been able to view the tables and chairs in place on the pavement and have not informed me that any obstruction. It should be remembered that many of the photographs were taken in the early days of lockdown when large numbers of people would come to buy provisions and mine was one of the few premises open.
- If, on occasion, any external lights have been left on then this is an error. I am not sure when this is alleged to have happened.
- My customers all leave the gazebo at 21.30 and it is rendered unusable. I am very strict about this. When people book a table in the gazebo I tell them that they must leave by 21.30.
- My chiller cabinets and the pavement line create a clear demarcation. It is incorrect to say that “little if anything is removed overnight”
- Sue Thompson is right. We did not have any signs outside reminding patrons to respect the neighbours. I have remedied this and 3 signs went up on 20<sup>th</sup> September 2022.
- I have conducted a fire risk assessment for my patio heaters.
- I do indeed host a “chef’s table” similar to a private room in a hotel or restaurant. I cook a set menu at £35-45 per head. I can seat 18 at a long table

- Sue Thompson's complaints about customer noise should be viewed against the back drop of her not living at the premises, and against the fact that not one other resident has made a representation against my application.
- This also goes for her allegations about staff noise after the premises have closed, which of course has nothing to do with the variation application.
- Neither does the placing of rubbish, and I have to accept that if rubbish was placed outside after 23.00, then this should not have happened.
- The fact that there are other places to drink later locally is not a relevant consideration.

#### **16. PLANT NOISE**

Whilst not a relevant consideration for my application, I am not the sort of person who ignores genuine complaints. Following contact from Lamin Tamba at LBH&F I instructed an engineer to come to my premises to see if he could find the source of a vibration that was detected in the upstairs flat. My engineer has fitted an anti-vibration panel above the extractor. I hope that this has solved the issue. I wrote to Lamin on 28<sup>th</sup> November 2022 asking him to inspect again. He has responded positively and will ask the complainant for dates when she is able to give access.

17. Please would the LSC grant my application. It is a small addition to a much loved local restaurant.

Dear Mario

I am writing to support your application for an extended license to keep the gazebo extension to your cafe and also to extend the alcohol licence outside for diners from 930pm to 10pm.

We have been living at this address in Chiswick Mall for 53 years, since April 1969 and we consider that your cafe is a great benefit for all the neighbours and we would like to see the enterprise continue to flourish as a much valued amenity both for local people and for visitors to the area.

I have heard only praise for your cafe and shop and as far as I am aware there are no complaints about any noise or disturbance as the cafe and shop have become an accepted and highly valued feature of Chiswick Mall.

We wish you good luck in your application.

Best wishes

We have lived here for over 60 years and in that time have seen many changes to the shop at the corner of the Mall and Eyot Gardens. But in all this time the shop has never been such a vibrant and valuable asset to the community as it is now.

We like the opportunity to sit either inside the shop - or outside under the gazebo , where heaters have been thoughtfully installed. This was a great help during lockdown.

Also during this period Mario kept going and provided fruit and vegetables as well as deli food - all to be purchased just outside the shop - also a great help during lockdown.

We are south of the A4 and the nearest shops are at least a 15 minute walk away - so Mario's shop is a great benefit to those who've difficulty in walking so far - or those without cars. In fact because of the proximity of Mario's, we now use our car much less.

Mario himself is such a part of the community and looks out for people who are unwell and sends them food.

We often pass the shop in the evening and even though it may be full of diners there is no disturbance to the neighbourhood. We have no objection to the the extra 30 minutes in the gazebo.

We have lived here for 10 years and have benefited enormously from having Mari's Deli opposite.

Mari runs a delightful and inclusive premises; we find it invaluable, not only as a shop, but also as somewhere to go and meet friends and family, for a coffee or for food and drink. During lockdown Mari helped the local community and provided an unstinting service to all the neighbours.

We have never been disturbed by any customers and have absolutely no concerns about extending his license. We all love having Mari as part of our community.

We have lived for the past four years at Millers Court, Chiswick Mall, W4 2PF. We are writing to confirm how much we appreciate what Mari Delicatessen and Cafe brings to our local area. It is run tastefully and with consideration for the neighbourhood and provides delicious food and drink. During lockdown it was a lifeline supplying and even delivering essentials to many residents. We have suffered no inconvenience from its functioning as a delicatessen and cafe, and fully support extending the gazebo licence by 30 minutes.

We have lived at the above address since 2008

We are writing in support of the application by Mari's Deli to retain the Gazebo attached to it, and to extend its outside licencing hours by 30 minutes from 9.30pm until 10pm.

### BACKGROUND

The establishment and reopening of the corner shop into a deli and café/restaurant with some outside tables has been a valuable and welcome addition to the life and wellbeing of the local community here in Hammersmith. Not only does it provide a valuable service as a food shop and cafe but is a valuable hub of the community. During lockdown Mariano and his staff made every effort to help and feed people who could not leave their homes and is always very helpful and accommodating to the community here.

### THE APPLICATION – Retention of Gazebo and Extension of outside licencing hours

At St Peter's Wharf, we live almost opposite Mari Deli. We have not been effected in any way by the erection of the Gazebo and the installation of the 3-4 outside tables for two along the pavement and under the Gazebo or its customers who use them. It fact it adds a continental air to the local community. The Gazebo has allowed the Deli to offer a greater range of readymade food and

supplies on offer which has been much appreciated. The fresh food and vegetables and food it offers are not available anywhere else nearby both in Hammersmith and Chiswick. The resource is especially valuable to elderly and disabled (of which I am one) in the area. So the Gazebo and its food displays is very helpful to us all.

We use the outside tables ourselves and think it's a pity that half way through the meal we have to stop having a glass of wine or beer with our meal. Thirty minutes extra time would be much appreciated and we can't see how that would be detrimental. The outside tables are really for couples and in our experience customers are very quiet because of that.

We all want the Deli to thrive and remain an essential part of our community and we have no concerns whatsoever about the owners wish to keep its Gazebo and extend it outside licencing hours from 9.30pm to 10pm.

Yours sincerely

Ciao !

Just wanted to say how pleased we are at Western Terrace to have you practically next to us running the most wonderful bar/restaurant and deli

You are a huge asset to this area, providing a classy vibe and friendly focus. You were a trouper during covid taking care of some of our vulnerable neighbours and you have added enormously to the sense of community here. When you first bought that huge mozzarella from Italy and shared it with us all I felt the joy of an Italian village vibe - which is extraordinary when we are pretty close to the centre of one of the world's biggest cities.

I know you take your responsibilities extremely seriously and conduct your business with huge sensitivity to the local community. So I have no hesitation at all in supporting your bid for a later alcohol licence. And to maintain your gazebo. And I speak as someone who has lived for the last 6 years in the house nearest to you in western terrace

All the best

We have lived in Hammersmith and Chiswick for more than 50 years now. On the corner of Eyot Gardens and Chiswick Mall, Mari Deli Dining is a popular spot not just for locals but also for hundreds of passers-by who have 'discovered' the Hammersmith and Chiswick riverside during the pandemic. And now they return to carry on meeting friends, taking their exercise, walking dogs and pushing prams.

In short, Mari's is a focal point in the community.

And going back to the pandemic/lockdown, no-one worked harder than Mariano and his team to help older and disabled members of the neighbourhood ... delivering hot, healthy meals...and, at the same time, checking that they were OK.

Mari's strength is the quality of its food, both to take away and to eat in. Every evening, we take a post-supper walk along Chiswick Mall, passing by Mari Deli Dining. Clients at tables are thoughtful and quiet; every night, staff clean up meticulously. We – and neighbours that we have talked to – have no qualms about extending the hospitality by 30 min.

Dear Mariano,

I wanted to send a quick email outlining my support for the gazebo structure that is at the front of Mari Deli & Dining,

My name is Joshua Hunter I live at, Eyot Gardens, W6 9TN. I have been in the flat for two years.

The deli and restaurant serves a hub for the local community and really brings people together. It is also a perfect place to pick up fresh, delicious produce in an area that there are no other shops.

I have always found that you have fantastic, friendly and knowledgeable staff who are always looking to assist the local community.

Mari Deli makes the area incredibly desirable to live in. When I bought my flat it was literally posted as part of the property description.

I live almost on top of it and have never had any problem with noise disturbances.

I was particularly impressed that during lockdown you acted as an essential service to some of the local vulnerable people. A great source of fresh and healthy produce when it was extremely difficult to get to larger shops.

I have no concerns at all with regards to the operation and timings of the gazebo. I have always found your customers to be polite and considerate and have never had any problem with noise. Everyone who I know who has visited my flat has commented on how lovely it is to have the outside seating available enjoy an aubergine parmigiana or even a Negroni.

Kind regards,

Joshua

Ciao Mario,

I fully support your retention of the gazebo, and I support your extension to your opening hours. Half an hour extra will be lovely, I have only ever seen mature people at Mario's and I do not think for one moment that they are of an age or disposition to be rowdy.

We have lived here for over twenty years. About six months after we moved in, the old cafe and deli, Lovat's closed. I cannot tell you what a loss it meant to our daily lives, even though it was nothing like as good as your deli!

I was for all that time a working mother. To have been able to collect supper on my way home from work would have been wonderful.

Now that I am retired, I find that I am busier than ever, especially with my charity work. So being able to pop along to you for supper, or to send Mike along to you to pick up a take away is absolutely invaluable.

I heard about the support you gave to the local community during the Pandemic. I only wish we hadn't been stranded at the other side of the world!

Before you opened your cafe and deli, there was nowhere for walkers to get a coffee when walking along the Mall. Nowhere to get the children an ice cream. Nowhere to get a snack, or a lovely slice of cake.

Your contribution to the Community has been widely appreciated.

We both wish you the very best of luck with your application.

Kind Regards

Dear sirs

I write to express my full support for the retention of the gazebo extension to the café together with the external alcohol license extension from 9.30pm to 10 pm.

I frequently attend the café for both takeaway and sit-down dining experience in one of the outside tables throughout the year.

The gazebo provides an opportunity to display the wide range of pastries and food which I assume would not be available with the limited internal space.

I have also enjoyed on numerous occasions, a glass of wine in the gazebo, which provides a much more enjoyable experience than indoors.

The café with his gazebo extension has now become a real positive addition to the local area and to passing trade. I look upon it as a real benefit to the area and would be extremely disappointed if it was removed. I do not consider that extending the outside drinking license from 9:30 pm to 10 pm would have any adverse effect on the local area.

Good Morning,

We live at MILLERS COURT, CHISWICK MALL. We have lived there for 28 years and we love the area, with the trees and the river.

Mario's Deli has been a HUGE ASSET to our community. It is always clean and well maintained, with friendly, efficient staff and many fresh and delicious homemade products. Especially during lockdown, people came from many miles away to get coffee, croissants, and to have a chat. Everything was always HYGIENIC and IMMACULATE.

We absolutely want to support his application to keep the awning and extend his outside alcohol license. There has never been any problem at all with noise, and it is beneficial for the entire neighbourhood, to have such a friendly place to meet for a coffee or a pizza and a glass of wine.

If you have any questions, please feel free to call us at any time,

**How long we've lived in area:** 5 years

**What we like/value about Mari Deli Dining:**

Mari Deli is the heart of the Chiswick Mall neighbourhood for residents and visitors alike. Everyone has a smile on their face around Mari Deli. The high quality with friendly service creates a happy and harmonious environment. Noise not rubbish are an issue; on the contrary, it's one of the tidiest areas along the Mall, continuously spruced and cleaned by Mario and his team. On cold and dark wintery nights, the deli adds a significant amount of safety for residents, walkers, runners and cyclists; in particular the gazebo outside from which excellent observation deters anti social behaviour and illegal activity.

**What they add to community ... in normal times but especially during lockdown:** I often see Mario on a charity mission, supporting the local church and raising money for urgent appeals. We must also reiterate what uplift, moral boost and positive influence, a dedicated local business with friendly staff and good values adds to the community.

We fully support Mari Deli in their application to extend the outside gazebo license by 30 minutes.

I have lived here since 1976, { I am aged 90} and have direct sight of the delicatessen across the

the road from my house.

Since I have lived her there have been four or five shops occupying the site. They all had displays outside the shop selling fruit, Vegetables and other food products, including coffee. Mari has the best selection and the best coffee, and is by far the best of all previous shops.

Mari delicatessen is a very great contribution to the residents of Chiswick Mall and to the walkers and cyclist using what is part of the Thames Walk. This is the only shop and delicatessen between the A4 and the river and is essential to the area, both as a convenience store and a Delicatessen .

I have never been disturbed by noise, crowds, or drunkenness.

I also support the extra thirty minutes to the extension of the alcohol license in the gazebo, so that diners can finish their meals without Having to move half way through their meals.

The whole area has benefitted from the existence of the shop. I fully support Mari Delicatessen and the gazebo with dining area.

Please continue to provide support to the residents and walkers. It would be a great loss to the residents of Chiswick Mall to lose Mari Delicatessen.

Everyone who visits comments on how lucky we are.

With best wishes for your continuous existence.

Mari Deli is a crucial amenity in an area where there are almost no options for grocery items, healthy takeaway food and evening dining - 7 days a week.

We are hemmed in by the major A4 road and there are no shops anywhere nearby.

In addition to this, Mari Deli has been a support for the entire community by delivering food when people were shielding, recovering from Covid or otherwise indisposed.

Mariano, his mother, family and staff are a tremendous asset to the area. They're not just a chain business, they are deeply rooted in the community.

We love the indoor/outdoor aspect of the cafe. It's charming and we wouldn't want it any other way.

Mariano and his team are meticulously clean and tidy. Their clients are thoughtful and respectful of the neighbours and don't make noise in the evenings. The only noise we might

ever hear is from clients of one of the pubs further along the river. People don't go to Mary's to get drunk and rowdy.

Therefore we are delighted to support the application to extend hours in the gazebo.

I have lived here for 7 months

Maris Deli is the heart of this very special area. They have attractive, charming, and seasonal displays all year, which visitors love. When I turn the corner from Hammersmith Terrace and their little car full of fresh produce, I know I'm nearly home.

They have delicious, quality food which you can't get anywhere else in the area, great coffee and drinks, outstanding and caring customer service, and are excellent neighbours. I am a young woman living alone, and I feel safer and happier knowing they are just next door.

The deli is a community hub which makes locals and visitors smile every time they pass by. Although I moved to the street recently, I was living nearby over lockdown, and the Maris were kind and helpful. It was a great place to find coffee for socially distanced walks, and to find fresh produce when supermarkets were struggling with supply chains.

I am not at all disturbed by the deli. I live close enough that I can see into their kitchen from my own kitchen and bedroom windows, and I have no concerns about noise or any other disturbance.

I have no concerns about the extension of licensing for the gazebo. Maris' customers tend to be polite and reasonable, and I don't foresee any disturbances or difficulties with a slightly longer licence.

I am writing in support for your application for keeping the gazebo and extending outside hours for Mari Deli. I have been living in the ground floor flat right next door to Mari Deli for the last 15 months and have only good things to say about it.

As a local resident, the outside deli counter has also been helpful to me countless times when I needed to purchase some ingredients for home cooking. I have also very much enjoyed the occasions I have treated myself to a meal in the restaurant.

Mari Deli is a highlight of the area and attracts people from all over; I hope that your application is successful so that more people get to enjoy visiting.

As next door neighbour, I have had no issues with them since moving in and I have no concerns or challenges with Mari Deli extending the outside gazebo time by the 30 minutes they are requesting; I very much welcome it.

Dear Mariano,

I am writing to you on behalf of my husband, Ben Johnson, and myself (Sheila Johnson). We have lived opposite your premises at Chiswick Mall for 25 years, since 1997. We were always very happy to have a handy cafe so close to us and were very sad when, for many years, the previous delicatessen closed and there was nothing and the area felt dead.

We were absolutely thrilled when you opened your cafe and there was life again back on the street. It was too dull and quiet before. Not that it is noisy now but there is a good buzz and I like to look out of my window and see your clients queuing for your excellent food and drink. You are a huge asset to the neighbourhood and a big part of our community, which you help to bring together. I know that, since you have been in business there you have only closed on the day of the Queen's funeral recently. Every other day you have been open - even Christmas Day and New Year's day and all through lockdown, when you have provided great service to the neighbourhood. We were so lucky just to be able to pop over the road to you for fresh fruit and veg when we were hardly allowed out of our houses.

We are perfectly happy for your gazebo to remain and an extra 30 minutes on your alcohol licence in the gazebo will make absolutely no difference to us. I don't think we have ever been disturbed by people eating and drinking at your cafe. Long may you remain to liven up our surroundings and make the area much more fun and interesting than it would be without you.

Best wishes,

Sheila (and Ben)

To whom it may concern,

Mari's is the very heart of the community. After work I look forward to seeing Mario and his team, sharing the news of the day and enjoying a quiet coffee or cocktail. Each morning on my way to work I am constantly tempted to pop in and enjoy more fine fodder.

The restaurant ties in the whole street...it subtly brings flavour and colour to the area and was indispensable during lock down. The whole road seemed to be kept in the basics by Mario and his mother. Without them lockdown would have been much worse.

I've been here for over 15 years and I remember a time before Mari's...the Mall has become a destination on weekends because of the restaurant. People flock to the area on sunny days and respectfully walk up and down the road taking in the beauty of the river.

The restaurant imparts the right sort of spirit, I have never witnessed any negative effects on the area, all it's clients leave quietly after enjoying a meal in what is a family restaurant ran by a family. I'd love it if the gazebo could stay open a little longer.

Please feel free to call and discuss the many benefits of having Mari's here...the beating heart of Chiswick Mall.
