Hi Lorna

I have discussed this application further with our client and we propose the following amendment:

- Sale of alcohol start time 7am
- The sale of alcohol between the hours of 7am and 9am shall be to facilitate online sales only

The 11am restriction has caused operational difficulties as alcohol may not be appropriated (set aside) to the contract outside of licensing hours.

Kind regards

Robert

Hi Robert,

Thank you for sending this across.

I will have it published as supplementary agenda, so that all parties are aware of the changes.

Just so it is clear, the hour between 7am and 9am would be for online deliveries only?

Members of the public would be able to purchase alcohol in store from 9am?

Kind regards
