Subject: Re: Amigos (Notice of Hearing)

Dear Matt,

Unfortunately I won't be able to make the hearing as I will be on a flight.

Please could I nominate [REDACTED] to represent the Walham Green Ward Panel in my absence? [REDACTED] is a longstanding ward panel member.

I am attaching some recent communications from the Met Engage platform, which relate to recent anti-social behaviour and disorder in the neighbourhood. The distance is about 100-200 feet from Amigos, and unfortunately the incident (which I partly witnessed) confirms the Met's classification of the areas a crime hot spot.

Please could you include these communications and this email in the pack to the licensing committee, and confirm this addition.

Many thanks

[REDACTED]
Chair - Walham Green Ward Panel

Incident on Haldane Road on 20/09/2025

On Saturday 20th September 2025 at approx. 20:00hrs police were called to reports of anti-social behaviour in Haldane Road SW6 by a large group of youths who had damaged a bicycle and were throwing fireworks.

Police are currently making a number of enquiries to identify those responsible, and have increased patrols of the area. They will continue to do so over this coming weekend.

Police and the Hammersmith & Fulham Local Enforcement Team are also in the process of developing several proactive operations in the coming weeks, specifically targeting ASB in the area.

Should you have any information regarding the incident on Saturday, Cad number 6604/20th Sept, please can you contact the Walham Green Safer Neighbourhood Police Team. In an emergency please dial 999 or 101.

**Section 35 Dispersal order Fulham area - 14:00 - 26th
Sept 25 to 14:00 - 28th Sept 25 - Cad number
2922/26SEP25**

Dear Residents,

I wanted to update you following concerns raised at the community meeting on 23rd September and reports received on 20th September regarding anti-social behaviour in the Fulham area. These included large groups of young people setting off fireworks and causing risk to public safety.

To address this, I have authorised a Section 35 Dispersal Order under the Anti-social Behaviour, Crime and Policing Act 2014. This will run from 14:00 on Friday 26th September until 14:00 on Sunday 28th September and covers all areas within the boundaries of Lillie Road, Rylston Road, Dawes Road, Fulham Road, and West Brompton rail line bordering West Brompton Cemetery. I attach a map for your reference.

This authorisation gives my officers the power to direct individuals engaging in anti-social behaviour to leave the area and not return during this period. The decision meets the legal criteria and is designed to prevent further anti-social behaviour and keep our community safe.

continued on page 3

continued from previous page (page 2)

You will see an increased policing presence in the area throughout the weekend, both to reassure the community and to deal swiftly with any issues.

I encourage you to continue to report any concerns or incidents to us via 101 (or 999 in an emergency) so police can respond accordingly. Your information helps us take action and keep Fulham safe for everyone.

Thank you for your continued support and for raising your concerns with us. Working together, we can tackle this behaviour and ensure our community remains a safe and welcoming place.

With best regards,

Inspector Clive Hayes

Update - Section 35 dispersal in Fulham on the 26th and 27th September 2025

Dear Residents

Over the weekend between the 26th September to the 28th September 2025, you may have seen an increased Police presence around the Walham Green and Lillie area of Fulham.

Fulham SNT police officers worked in partnership with Hammersmith & Fulham Law Enforcement Team following concerns from the local community regarding youth disorder the previous weekend. Police and the LET engaged with a large number of persons throughout the weekend, and where issues identified, these were robustly dealt with.

2 persons were stopped and searched for drug related offences and 1 person was stopped and searched for theft related offences. 1 youth was dispersed from the area using powers under the Dispersal Order put in place.

In an unrelated incident, officers patrolling the environs had cause to stop an adult male who was subsequently arrested and charged for drug related offences.

to see an increased Police presence over the following weeks and

continued on page 6

You will continue to see an increased Police presence over the following weeks and I would encourage you to speak to officers if you have any questions or concerns.

Regards,

Inspector Clive Hayes

To: Tucker Matt: H&F <Matt.Tucker@lbhf.gov.uk>
Subject: Further Supplemental to support Supplemental A, for 14 October Licensing Sub-committee hearing 18:30 by Zoom

Matt

Please include this email as a Supplemental for the 14 Oct hearing.

This email and its related submitted evidence relates to the **North End Road street market neighbourhood.**

This area starts at Dawes Road and then Shorrolds Road on the left side and Walham Grove/Vanston Place on the right side of North End Road. Moving northward, it ends at the Lilly Road roundabout where intensely residential Clem Attlee Estate is not the left and the Peabody Estate on the right.

I have submitted the evidence via WeTransfer. As discussed, it relates directly to Supplemental A, pages 15-17, for the 14 Oct 2025 Licensing hearing.

This evidence also relates to the Met Police activities (public MetEngage website announcements) that Sarah Chambers (Chair of the Walham Green police/community Ward Panel) has submitted as a separate 6-page PDF Supplemental (Events leading up to the Sec 35 dispersal area in the two Wards that straddle North End Road specifically along each side of the street market area up to Lillie Road and further actions ongoing by the Police—planned through 5th Nov 2025).

A Section 35 dispersal area refers to powers granted to police under the [Anti-social Behaviour, Crime and Policing Act 2014](#) that allow officers to direct individuals to leave a public place for up to 48 hours if they are causing or likely to cause harassment, alarm, or distress to the public or contributing to crime and disorder. These dispersal orders are used as a preventative measure, enabling officers to remove individuals from an area to prevent such behaviour from occurring or continuing.

It is our hope that the H&F Licensing sub-committee will view and seriously consider this evidence in order to have a better idea of the challenges being faced by Leader Cowan, MP Coleman, Inspector Hayes/his teams, along with the residents directly on and off of the 18 roads and passageways of our North End Road street market neighbourhood.

For Licensing Committee members attending 14 Oct 2025 Licensing Hearing:

1. This evidence will give Committee Members a true sense of the ongoing frightening reality facing the ENTIRE North End Road street market neighbourhood.
2. Met Inspector Clive Hayes is identifying the approx 15 children involved (estimated 12 years-15 year olds)

3. This all relates to the SLP Policy 11, ..."licensing law is part of a holistic approach to the management of the night time economy."
..."impact in the direct locality and further afield."

4. It also relates to Policy 4 with regard to the cumulative impact of possibly one more licensed premise and therefore what would amount to a further increase in the number of licensed premises in this very 'densely residential area' of Fulham (Walham Green Ward), as well as in the 'almost entirely residential' Lillie Ward (Source: Lillie Ward: <https://www.lbhf.gov.uk/councillors-and-democracy/about-hammersmith-fulham-council/ward-profiles/lillie-2024> Walham Green Ward:)

5. The level of crime and crime of asb and asb not defined as crime, is increasing within our neighbourhood, as evidenced by all above.

Thank you for helping residents to facilitate provision of this information to the Sub-committee.
