Families Against Youth Crime (SFAYC) initiative across Hammersmith and Fulham using the grant of £360,000 awarded by the central government.

Reasons for urgency:

The Council will be subjected to a Troubled Families Spot Check by the Ministry for Housing Communities and Local Government (MHCLG) between May and June 2019 and we would want to show that we have started delivering the Supporting Families Against Youth Crime (SFAYC) initiative for which the Council and CVS have been granted £360,000 to deliver in Hammersmith and Fulham. The grant was awarded in March 2019 by the MHCLG as part of the Troubled Families programme.

The SFAYC programme will work with young people at high risk of offending and their families to minimise the risk of exposure or engagement in serious crime. The recent serious violence and death of a young person in Hammersmith and Fulham calls for early and effective support young people at high risk of offending.
