1. **TITLE:** Leader's Urgent Decision - Direct Award Of A Contract For A Young People's Sexual Health And Substance Misuse Wellbeing Service

2. **DECISION MADE BY:** Leader of the Council

3. **DECISION:**

1. That the Leader and Cabinet Member for Health and Adult Social Care grant a waiver from the usual tendering requirements of Contract Standing Orders (CSO) on the grounds of extreme urgency and because this is in the Council's overall interests, as provided for in CSO 3, in relation to the Young People's Wellbeing Service.
2. That the Leader approves a direct award of contract to Turning Point from the date of agreement by the Leader (subject to expiry of call-in period) to 31 March 2021 at the contract price set out in the exempt appendix.

4. **REASON FOR URGENCY:**

Turning Point are ideally placed to provide this service as they already provide the adult substance misuse and sexual health advice and information services in the borough.

5. **ALTERNATIVE OPTIONS CONSIDERED:**

Option 1 – do nothing

Option 2 – Recommended option - Commission delivery from external provider

6. **CONFLICTS OF INTEREST DECLARED AND DISPENSATIONS GRANTED:**

None
