

London Borough of Hammersmith and Fulham Record of Cabinet Member Decision

The call-in has expired and this decision can be implemented.

- ❖ Draft Decision List published on: 14 January 2022
- ❖ Confirmed Decision List published on: 19 January 2022

1. **TITLE: Procurement strategy - Contract for Parking Suspension System**

2. **DECISION MADE BY:** Cabinet Member for the Environment

3. **DECISION:**

Approve the procurement of a contract for parking suspension system as set out in this strategy. The term of the contract will be for five (5) years starting 1st September 2021, with the option to extend for two separate periods of two (2) years each at an annual value of approximately £100,000, making a total of £500,000 over 5 years or £900,000 if the extensions are fully utilised over the 9 year period.

4. **REASON FOR DECISION:**

Permission is required to go ahead with a procurement exercise that will enable the Council to acquire a replacement parking suspension system.

A new parking suspension system will contribute to streamlining the process. The existing contract is coming to the end of life. There are no available framework contracts to draw down from.

5. **ALTERNATIVE OPTIONS CONSIDERED:**

Officers are not aware of any available framework contracts for this, and they will be looking to publish a tender. As it is a niche market, they will be looking to go down the open tender procedure route. This should be a quicker process.

6. **CONFLICTS OF INTEREST DECLARED AND DISPENSATIONS GRANTED:**

None

Date of Decision
14 January 2022
