1. **TITLE: Phase 3 LED Lighting Contract for Block Communal Lighting**

2. **DECISION MADE BY:** Executive Director of Finance and Corporate Services

3. **DECISION:**

To approve the procurement strategy and contract award approval of a compliant contract by the direct award procedure to OpenView Security Solutions Limited via the Fusion 21 'Building Safety and Compliance' Framework. This is a blended call-off covering the 'lighting equipment and emergency lighting' and 'Warden call and Tele-Health' categories'. The contract will be for £1,200,000.

4. **REASON FOR DECISION:**

In Quarter 4, 2024, the service needs to begin 'phase 3' of the programme for LED lighting upgrades to communal lighting in corridor stairs and exterior of buildings, plant rooms and blocks on Council Housing Estates. The award of this contract is critical in delivering these works.

- Option 1: Deliver the supplies, services, and/or works in-house (make/buy decision) – Not Recommended
- Option 2: Undertake a full regulated procurement process, advertised to the market – Not Recommended
