<u>Item</u>		<u>Pages</u>
1.	APOLOGIES FOR ABSENCE	
2.	DECLARATIONS OF INTERESTS	
	<p>If a Councillor has a disclosable pecuniary interest in a particular item, whether or not it is entered in the Authority's register of interests, or any other significant interest which they consider should be declared in the public interest, they should declare the existence and, unless it is a sensitive interest as defined in the Member Code of Conduct, the nature of the interest at the commencement of the consideration of that item or as soon as it becomes apparent.</p> <p>At meetings where members of the public are allowed to be in attendance and speak, any Councillor with a disclosable pecuniary interest or other significant interest may also make representations, give evidence or answer questions about the matter. The Councillor must then withdraw immediately from the meeting before the matter is discussed and any vote taken.</p> <p>Where Members of the public are not allowed to be in attendance and speak, then the Councillor with a disclosable pecuniary interest should withdraw from the meeting whilst the matter is under consideration. Councillors who have declared other significant interests should also withdraw from the meeting if they consider their continued participation in the matter would not be reasonable in the circumstances and may give rise to a perception of a conflict of interest.</p> <p>Councillors are not obliged to withdraw from the meeting where a dispensation to that effect has been obtained from the Audit, Pensions and Standards Committee.</p>	
3.	SPECIAL MOTION	
	<p>To consider and determine the following Special Motion:</p>	
3.1	SPECIAL MOTION 1	1138

SPECIAL MOTION NO. 1

Standing in the names of:

- (i) Councillor Rory Vaughan
- (ii) Councillor Stephen Cowan

“This Council deplores the fact that the Administration has negotiated a deal with Government Health chiefs that will see:

- The A&E at Hammersmith Hospital close;
- The closure of the A&E and most other acute health facilities at Charing Cross Hospital, which will be reduced to 13% of its current size; and
- 60% of the Charing Cross site turned over to property speculators.

It notes that, despite this, the Administration has spent thousands of pounds of taxpayers’ money putting out leaflets and other PR telling people it has saved Charing Cross Hospital. This statement is strongly disputed by local residents, the campaign to Save Our Hospitals and the Opposition.

This Council therefore agrees to commission an independent assessment of these proposals.”
