4. APOLOGIES FOR ABSENCE

5. DECLARATIONS OF INTEREST

If a Councillor has a disclosable pecuniary interest in a particular item, whether or not it is entered in the Authority's register of interests, or any other significant interest which they consider should be declared in the public interest, they should declare the existence and, unless it is a sensitive interest as defined in the Member Code of Conduct, the nature of the interest at the commencement of the consideration of that item or as soon as it becomes apparent.

At meetings where members of the public are allowed to be in attendance and speak, any Councillor with a disclosable pecuniary interest or other significant interest may also make representations, give evidence or answer questions about the matter. The Councillor must then withdraw immediately from the meeting before the matter is discussed and any vote taken.

Where Members of the public are not allowed to be in attendance and speak, then the Councillor with a disclosable pecuniary interest should withdraw from the meeting whilst the matter is under consideration. Councillors who have declared other significant interests should also withdraw from the meeting if they consider their continued participation in the matter would not be reasonable in the circumstances and may give rise to a perception of a conflict of interest.

Councillors are not obliged to withdraw from the meeting where a dispensation to that effect has been obtained from the Audit, Pensions and Standards Committee.

6. MANAGERS REPORT

The Committee is asked to approve the terms of the deal with UK Power Networks and authorise officers to carry out the necessary advertising and, unless there are objections, enter into the necessary legal agreements for the Trust.

The next meeting is scheduled for 19 September 2017.

8. EXCLUSION OF THE PUBLIC AND PRESS

The Committee is invited to resolve, under Section 100A (4) of the Local Government Act 1972, that the public and press be excluded from the meeting during the consideration of the following items of business, on the grounds that they contain the likely disclosure of exempt information, as defined in paragraph 3 of Schedule 12A of the said Act, and that the public interest in maintaining the exemption currently outweighs the public interest in disclosing the information.

9. LINFORD CHRISTIE STADIUM - FUNDING AND REPORT ON OPTIONS (EXEMPT ITEM)

This report sets out the current income and expenditure for the Council on the Linford Christie Stadium and associated sports pitches, and the potential for alternative options that could be pursued to secure the long term future of sport and athletics at the site.

4. MANAGERS REPORT

HS2 Bill

Farrah Rossi noted that the HS2 Act 2017 was given Royal Assent on 23rd February. Officers would meet with HS2 in March to develop the wetland mitigation and Stamford Brook sewer project and update the trust on any progress.

HS2 Proposed Ground Investigations

Farrah Rossi noted that HS2 Ltd were due to start ground investigations in the Old Oak Common station area in March. These would include eight cone penetration tests going into a maximum depth of 30m with two locations also having rotary borehole depth to approximately 70m. The holes would be designed as 'permanent', however there was a possibility for them to be filled in if the council requested. Although the council may wish to keep them for their own monitoring purposes.

Councillor Wesley Harcourt asked how the construction and maintenance of the boreholes would be managed by HS2 and if access would be required to the site at various times and the likely impact this would have. He also requested for the timescales and working method to be made publicly available well in advance. Farrah Rossi responded that a meeting would be held on 21 March 2017 with HS2 to understand the impact of the ground investigations on Wormwood Scrubs and the committee would be updated.

ACTION: Farrah Rossi

OPDC Wormwood Scrubs Survey Questionnaire – Aug-Sept 2016

Dave Page reported that as a result of the Mayoral Review of the OPDC and delay in a chair being appointed to the OPDC Board, the report on the outcome of the survey had not yet been published. OPDC were expected to appoint a chair imminently and were planning to publish the results alongside the next draft OPDC local plan.

Filming and Events Update

Jem Kale reported that there had been agreements with Secret Cinema to hold an experimental screening event in August 2017. This was a low risk mass participation event and the proposed daily capacity was up to 5,000. He noted that they were offering community input which would be beneficial for residents. Negotiations were at the final stage and the committee would be updated in a couple of weeks.

Councillor Wesley Harcourt queried where the event would be held. Jem Kale said it would take place at the north-eastern corner near Scrubs Lane.

Councillor Elaine Chumnery asked if the Redgra area would be used and if temporary structures would be in place during the event. Jem Kale said that a meeting would be held to discuss the protection of the Redgra area and any temporary structures would be removed after the event. Jem Kale commented that he would share the commercial arrangements with the Councillors prior to sign off.

ACTION: Jem Kale

Jem Kale reported that the Winter Event was a large project with significant revenue potential. It would be different to Winter Wonderland as the entertainment would be based around performing arts rather than funfair rides. The organisers had been preparing a defined proposal and an update would be made available soon.

Councillor Elaine Chumnery asked for officers to be mindful of Woodland Mews and the Redgra area before work commenced for the Secret Cinema and Winter Event.

Community Safety Update

Dave Page noted that the number of rough sleepers found on Wormwood Scrubs had considerably reduced during the winter months and the recent cutback of undergrowth would assist in preventing their return.

There had been a number of thefts from unattended vehicles in the hospital car park, however high visibility patrols had helped to deter offenders.

Councillor Elaine Chumnery asked if there was CCTV coverage of the hospital car park. Dave Page said that he would provide an update on this.

ACTION: Dave Page

Grounds Maintenance and Site Management Update

Dave Page reported that officers had been working with Idverde to manage the litter removal. Work was undertaken in mid-February to start the removal of the large encampments to the north of the site that were being used by homeless people.

Councillor Elaine Chumnery queried what support would be available for homeless people if seen on the site. Dave Page said that day patrols were carried out with UKBA and they were referred to the appropriate agencies.

A guerrilla gardening group Pannage.eu, approached Friends of Wormwood Scrubs and made recommendations on their website on how the Council could protect the park and its nature reserves. The Friends of Wormwood Scrubs have advised them that they were working with the Charitable Trust and the Council to develop plans for the site and asked Pannage.eu to desist in their activities.

Sourcing a Bid Writer

Mark Jones reported that the Committee had previously considered employing someone on a contract basis to write bids to trusts and other potential donors. It was clear that the Trust needed to identify projects for which it wanted to raise funds. A manager was in the process of being recruited using the HS2 funding and would put the Trust in a much better position to identify suitable projects to raise funds for. A forest school was suggested as one possible project.

David Page added that the website is up and running in basic format and linked in with the Friends of Wormwood Scrubs website. A link would be circulated to the Committee.

ACTION: Dave Page

Financial Forecast 2016/17

Mark Jones reported that the latest financial forecast was for a £50,000 loss. This is £5,103 better than the original forecast drawdown on reserves.

The other income line included a forecast of £88,612 from filming and events representing an increase of 44% compared with 2015/16 incomes for those activities.

Financial Budget 2017/18

Mark Jones reported that the proposed budget was for a £57,000 loss - this included filming income but did not include money from potential events such as Secret Cinema, the Winter Event, or expected payments from UKPN.

Councillor Joe Carlebach queried when, under the current assumptions, would the Trust run out of cash reserves. Mark Jones said at the current rate it would be 2019/20 – though that would change if funding from HS2 and UKPN came through and major events could be secured.

UKPN

Mark Jones noted that UKPN and the Council were still in negotiations and were in the process of agreeing terms for a 7-year lease.

RESOLVED

The Committee approved the proposed budget for 2017/18 and noted all the matters in the report.

MANAGERS REPORT

Report of the Director for Safer Neighbourhoods and the Director for Finance and Resources, Environmental Services

Open Report

Classification: For decision and noting

Key Decision: No

Wards Affected: College Park and Old Oak

Accountable Executive Director: David Page Director for Safer Neighbourhoods

Report Author:

1. Executive Summary and Decisions Sought

- 1.1 The Committee is asked to approve the terms of the deal with UK Power Networks and authorise officers to carry out the necessary advertising and, unless there are objections, enter into the necessary legal agreements for the Trust.
- 1.2 All other matters in the report are for noting.

2. HS2 Bill - Proposed Wetland Mitigation Legal Agreement

- 2.1. LBHF officers secured assurances from HS2 regarding the proposed wetland mitigation proposals on Wormwood Scrubs.
- 2.2. Officers met with HS2 in May to progress the project. It was agreed that a Development Manager with ecology experience would be appointed to oversee the project. The recruitment process is currently underway and subject to internal processes running smoothly, it is hoped that an officer will be in post by Sept/ Oct 2017.

Committee to Note

3. HS2 Bill Re-Routing Stamford Brook Sewer Legal Agreement

- 3.1 LBHF officers secured a legal agreement from HS2 regarding the rerouting of the Stamford Brook Sewer through the northern edge of the Scrubs.
- 3.2 Officers reported to WSCT in March that HS2 Ltd were due to start ground investigations in the Old Oak Common station area in March. The investigations were to be undertaken in the Great Western railway depot and Heathrow Express depot area.
- 3.3 Officers also reported that to get a greater spread of ground water monitoring and boreholes in the area HS2 require access to Wormwood Scrubs to undertake some Ground investigations. These would include 8 Cone Penetration Tests (CPT's), going into maximum depth of 30m with 2 locations also having rotary borehole depth to approximately 70m. The CPT's would be bored and filled in on the same day. The two boreholes would take approximately a week each and upon completion they would be covered with a flush cap that can be used for monitoring throughout the duration of the station project. The holes would be designed as 'permanent' as HS2 Ltd require them to remain for longer than 6 months. However, if the council requested for them to be filled in after the civil work at OOC are completed this is a possibility. Although the council may also wish to keep them for their own monitoring purposes.
- 3.4. WSCT members expressed concern regarding the borehole covers and whether they could be tampered with, removed or someone could fall in. In response, the boreholes are approximately 150mm-200mm in diameter and therefore it would not be possible a person to fall in. HS2 have also confirmed that they can be locked and could only be opened using a hex head specialist hammer used by their contractors. Photos are attached in Appendix 1.

Committee to Note

4. UK Power Networks

4.1 Following discussion at the last committee meeting There was a further discussion with UKPN about the amount they should pay for the Trust land they are using. The history of the negotiation is set out in the table below:

1. UKPN offer 1

6 yrs back rent + 7 yrs rent = 13yrs @ £3,446 per annum = £44,798 Licence rent for working area = 24 months @ £2,892.50 per calendar month = £69,420

TOTAL = £114,218

2. UKPN offer 2

6 yrs back rent + 7 yrs rent = 13yrs @ £3,446 per annum = £44,798 Licence rent for working area = 24 months @ £2,892.50 per calendar month = £69,420 Rent for non-operational area (9,860 sq ft) @ £0.25 per sq ft = £2,465 x 13 yrs = £32,045

TOTAL = £146,263

3. Savills proposal on behalf of the Trust (to settle)

7 yrs rent @ £3,446 per annum = £24,122 (a)

Licence rent for working area = 24 months @ £2,892.50 per calendar month = £69,420 (b)

6 yrs back rent @ £3,446 per annum = £20,676

Licence rent for working area = (6 yrs) 72 months @ £2,892.50 per calendar month = £208,260

SUB TOTAL = £322,478

concession (reduction of back rent to £180,000 (c))

$$= (a) + (b) + (c) = TOTAL £273,542$$

4. UKPN final offer (to settle)

As above, but with reduction of back rent to £100,000 (not £180,000) = £193,542

- 4.2 Proposal number 3 was made on 29 March (i.e. after the last WSCT Committee meeting) in an attempt to push for a better deal. The UKPN response to that is item 4.
- 4.3 The Council's valuers in the corporate property services believe that the proposed deal represents the best consideration reasonably obtainable and is thus compliant with s123 of the Local Government Act 1972. The common is open space and advertising of the transaction is required under s.123 for two consecutive weeks in a local paper. We recommend that a period of four weeks from the date of first advertisement is allowed for the lodging of objections. The power to approve the disposal can be delegated to officers unless objections are received. Any objections will be referred back to the Committee.
- 4.4 Officer are recommending that offer 4 at a value of £193,542 is accepted by the Trust.

Committee to Approve

5. Filming and Events Update – Jem Kale

5.1 Secret Cinema Proposal: The event may take place in July/August 2018. A wider consultation has been taking place including the Pony Club, Hammersmith Hospital, and Scrubs Prison. Positive feedback from all parties has been received so far. Friends of WWS and Woodmans Mews residents will be consulted next.

5.2 Winter Wonderland Proposal: The project has been put on hold due to general election. Friends of WWS will be consulted during June 2017

Committee to Note

6. Community Safety Update – Mike Rumble

Month	January	February	March	April
Incidents	7	11	8	11
Crimes	0	0	3	0
Patrols	41	36	31	38

- 6.1 Dog related incidents were apparent this quarter. Following a dog on dog attack parks police were able to track down a professional dog walker whose dogs had attacked another dog. As he was in charge of more than the permitted number of dogs he was given an £80 Fixed Penalty Notice, had to pay the vets bills for the other party and was advised that he will be prosecuted if he is found with too many dogs in the future.
- 6.2 Six crossbow arrows were found secreted in the bushes near the railway line. The items were safely removed to police custody. The crime figures in March included two instances of anti-social behaviour in the Hospital Car Park and a burglary at Linford Christie Stadium.

Committee to Note

7. Grounds Maintenance and site management update – Ian Ross

- 7.1 The maintenance team at the site have concentrated on litter during recent months with an emphasis on areas where we have historic issues; it continues to be a major issue. Officers working with Idverde have zoned the site to ensure all areas are visited on a cycle.
- 7.2 All other works including pitch maintenance continue as normal.
- 7.3 Works have been carried out to the trees on Old Oak Lane; the works were primarily health and safety as the trees had a lot of deadwood in them. The canopies were also lifted to improve visibility/reduce anti-social behaviour opportunities.
- 7.4 During May we had a corporate group of 80 volunteers from Disney for 4 hours who did some selective thinning of the copses along Braybrook Street and removal of historical litter from these areas. They also did some snowberry removal. During the task an old handgun was discovered; the Metropolitan Police attended.
- 7.5 We have some vandalism to the new outdoor gym outside the stadium. The equipment is currently in storage awaiting repair/reinstallation.

7.6 Officers met with Hitachi Rail (at their request) regarding trees overhanging from the scrubs. Officers advised Hitachi Rail if this was an issue for them they should exercise their common law right to cut the offending vegetation back to the boundary.

Committee to Note

- 8.3. The Trust's opening cash balance for 2016/17 was £275,570.  - The supply and installation of a pull up gym behind Linford Christie Stadium at a cost of £34,175.

Committee to Note

9. Financial Forecast 2017/18

9.1. The financial forecast for Wormwood Scrubs Charitable Trust ("the Trust") for 2017/18 is summarised below.

Activity	Outturn 2016/17	Budget 2017/18	Forecast 2017/18	Variance	Movement Between Years	Comments
Pay and Display Parking Meters	(287,012)	(287,225)	(287,012)	213	0%	Parking income is forecast to be in line with 2016/17 receipts.
Hammersmith Hospital Car Park Licence	(316,505)	(322,896)	(322,896)	0	2%	Contracted lease payments forecast to increase by 2% in 2017/18.
Other income from activities for generating funds	(95,873)	(90,112)	(86,578)	3,534	-10%	Filming income for 2016/17 included prior year receipts of c.£9k. Forecast income for 2017/18 is based on income received for 2016/17 only.
Total Income and endowments	(699,390)	(700,234)	(696,486)	3,748	0%	
Grounds Maintenance	686,568	699,473	707,929	8,456	3%	Inflation for 2017/18 is 3.007%
Contribution to Linford Christie Stadium	32,344	32,312	32,376	64	0%	Includes an element of estimated governance costs for 2017/18.
Other Expenditure	20,617	25,637	22,949	(2,688)	11%	Estimated cost of car park survey £4,900 (tbc if this will be carried out), non-routine grounds maintenance costs estimated at £15,400 and other ad hoc expenditure estimated at £2,600 based on average costs over the last two financial years.
Total Expenditure	739,529	757,423	763,254	5,831	3%	
Net (income)/expenditure	40,139	57,189	66,768	9,579	66%	

- 9.2. The Retail Price Index (RPI) indices used to calculate the contractual uplift on the grounds maintenance contract were forecast to be 1.98% during budget setting. However, the actual uplift is 3.007% for 2017/18. This has increased the expenditure budget by £20,645, £8,456 higher than assumed during budget setting.
- 9.3. We have made quite cautious assumptions about the likely income from events in 2017/18 and the current forecast is based on income levels in 2016/17. Securing a large event is not assumed, but Council officers are working on possibilities as detailed elsewhere. There are some signs that filming income may be strong again this year.
- 9.4. Income from UKPN is not included in the projection.
- 9.5. We are likely to see some costs for the conversion to cashless parking, but we do not know what those are yet.
- 9.6. The budget for 2017/18 was set with an anticipated £57,189 deficit to be drawn down from the Trust's reserves. The forecast for 2017/18 is for a deficit of £66,768, which is £9,579 worse than budget. This is mostly as a result of a higher than budgeted increase to the cost of the routine grounds maintenance contract.

9.7. The Trust's opening cash balance for 2017/18 is £235,431. The latest forecast anticipates a drawdown of £66,768 (28% of the current cash balance), which would give a cash balance of £168,663 to carry forward to 2016/17. This is £9,579 worse than the original forecast drawdown on reserves.
