SUMMARY OF DECISION

The Committee has considered an application to vary a premises licence under the Licensing Act 2003

The Committee noted the positive engagement of the applicant with the local community and the steps that they have taken to address the concerns raised by the noise and nuisance officer through their planning application. We encourage the applicant to continue to take these positive steps.

However, the Committee has decided today after taking into account all of the individual circumstances of this case and the promotion of the four licensing objectives to

Reject the application.

A copy of this Committee's full decision including its reasons will be sent to the parties in due course.

If the Applicant is unhappy with the decision they are entitled to appeal to the magistrates' court within 21 days from the date of notification of the full decision
