7.7 Special Motion 7 - Condemning the actions of the Iranian regime and reaffirming support for the rights of women and girls around the world

8.16pm – Councillor Omid Miri moved, seconded by Councillor Laura Janes, the special motion in their names:

“This Council unequivocally condemns the brutal actions of the regime in Iran against its own citizens following the murder of an innocent young woman, Mahsa Amini, for non-compliance with the compulsory hijab rule.

Since her murder, widespread protests have erupted across Iran calling for freedom of choice with regards to the hijab and the liberalisation of the political system - these protests have resulted in the deaths of many more Iranians of all ages at the hands of security forces.

On behalf of the large Iranian diaspora community in Hammersmith and Fulham, this Council stands with the Iranian people in their fight for freedom and calls on the UK Government to escalate its condemnation of the regime by summoning the Iranian ambassador immediately.

Furthermore, the Council condemns the ongoing persecution of women and girls in Afghanistan at the hands of the Taliban, and reaffirms its commitment to women's rights across the world.

The Council also calls on the UK Government to do more to provide safe haven and support to Afghans and Iranians, and all refugees, fleeing oppression and conflict - many of them settled in and supported by Hammersmith and Fulham.”

Speeches on the motion were made by Councillors Miri, Perez, Cowan, and Homan (for the Administration) and Councillors Brocklebank-Fowler and Stanton (for the Opposition).

8.45pm – RESOLVED

This Council unequivocally condemns the brutal actions of the regime in Iran against its own citizens following the murder of an innocent young woman, Mahsa Amini, for non-compliance with the compulsory hijab rule.

Since her murder, widespread protests have erupted across Iran calling for freedom of choice with regards to the hijab and the liberalisation of the political system - these protests have resulted in the deaths of many more Iranians of all ages at the hands of security forces.

On behalf of the large Iranian diaspora community in Hammersmith and Fulham, this Council stands with the Iranian people in their fight for freedom and calls on the UK Government to escalate its condemnation of the regime by summoning the Iranian ambassador immediately.

Furthermore, the Council condemns the ongoing persecution of women and girls in Afghanistan at the hands of the Taliban, and reaffirms its commitment to women's rights across the world.

The Council also calls on the UK Government to do more to provide safe haven and support to Afghans and Iranians, and all refugees, fleeing oppression and conflict - many of them settled in and supported by Hammersmith and Fulham.

7.2 Special Motion 2 - Clean Air Neighbourhoods

8.45pm – Councillor Ben Coleman moved, seconded by Councillor Patrick Walsh, the special motion in their names:

“This Council:

- Notes the high level of air pollution in our borough and the need for action to address this to protect residents, particularly children;*
- Welcomes the success of the project to reduce pollution and congestion in residential streets to the east of Wandsworth Bridge Road;*
- Notes that this has improved air quality in those streets as a result of removing 8,000 cars and a tonne of carbon dioxide a day from them by preventing out-of-borough drivers from using the area as a cut-through;*
- Notes that the scheme came in after extensive consultation with residents and that all borough residents with a car permit continue to enjoy unrestricted access to the area;*
- Notes that residents to the west of Wandsworth Bridge Road have requested the scheme be extended to them and that the Council has committed to doing so on a trial basis with further consultation;*

- Welcomes the Council's commitment to make the whole of South Fulham a Clean Air Neighbourhood where the air is cleaner for families and children and the roads are quieter and safer for pedestrians and cyclists;
- Welcomes that this will include new environmental, traffic calming and safety improvements on Wandsworth Bridge Road to make it a better place to live, work and shop;
- Welcomes the 20mph speed limit recently introduced in Wandsworth Bridge Road at the request of residents;
- Welcomes the pre-engagement on the trial extension to the west of Wandsworth Bridge Road that has already taken place with resident groups and hundreds of residents, chaired in a bi-partisan way by Labour and (now ex-) Conservative Councillors;
- Notes that the consultation and engagement that has taken in South Fulham is the biggest in the borough's history and has far exceeded what is required by the government; and
- Commits to consulting extensively further during the trial in line with government guidance.

This Council also:

- Confirms its ambitious target of protecting residents' health by reaching net zero carbon emissions by 2030 for our borough;
- Notes that the government's own Net Zero Strategy contains a "key commitment" of delivering more so-called low traffic neighbourhoods "with the aim that half of all journeys in towns and cities will be cycled or walked by 2030";
- Notes that this Net Zero Strategy was introduced in the House of Commons on 19 October 2021 by Greg Hands, MP for Chelsea and Fulham, the then Minister for Energy, Clean Growth and Climate Change, who said, "We must continue to take decisive action if we are to meet our net zero goal";
- Regrets Mr Hands's hypocrisy in running a petition calling for the South Fulham scheme to be abolished despite its obvious clean air benefits, which sits at odds with the ministerial office he once held;
- Is disappointed that Mr Hands has consistently refused a briefing by council traffic engineers on the scheme, and believes this is so that he can claim not to know the facts and campaign disingenuously against it;
- Regrets that the Conservative opposition chose to put a misleading and untruthful attack on the scheme at the centre of their council election campaign in the Sands End ward and notes that they decisively lost the campaign; and
- Encourages the newly-elected opposition councillors for the streets to the west of Wandsworth Bridge Road to learn from the approach taken by their Conservative predecessor Matt Thorley, who refused to be misled by Greg Hands and supported his constituents' desire to improve the air across South Fulham."

A speech on the motion was made by Councillor Coleman (for the Administration).

Under Standing Order 15(e)(6), Councillor Alex Karmel moved, seconded by Councillor Adrian Pascu-Tulbure, an amendment:

“This Council regrets that proposals to extend the existing Traffic, Congestion and Pollution Reduction (TCPR) scheme to the west of Wandsworth Bridge Road have become a source of considerable local contention, and calls upon the Administration to grasp the issue, bring together residents and businesses, consult fully, and work constructively towards a solution.”

Speeches on the amendment were made by Councillors Pascu-Tulbure, Lloyd-Harris, Afonso, and Stanton (for the Opposition) before it was put to the vote.

NOT VOTING	1

The amendment was declared **LOST**.

Speeches on the substantive motion were made by Councillors Walsh, Holder, and Harcourt (for the Administration).

Councillor Coleman then made a speech winding up the debate before the motion was put to the vote.

7.5 Special Motion 5 - Fiscal Statement

9.29pm – Councillor Rowan Ree moved, seconded by Councillor Ben Coleman, the special motion in their names:

"The Council notes the government's "mini-budget" on 23 September, in which the Chancellor of the Exchequer announced that the government would borrow billions of pounds to abolish the additional rate of income tax levied on those earning £150,000 a year.

This Council notes the reaction to the Chancellor's statement, which saw:

- *The pound fall to \$1.0327, an all-time low, increasing the cost of imported goods and services;*

- *The largest two-day sell-off of UK government debt on record, requiring the Bank of England to spend billions of pounds to protect the country's pensions;*
- *40% of available mortgages withdrawn from the market, notably those aimed at people on lower incomes or with fewer savings, thus increasing the cost of housing for this group; and*
- *A prediction by financial markets of an increase in interest rates to 6%, which would increase borrowing cost for households, businesses and the Council.*

The Council welcomes the government's U-turn on abolishing the top rate of income tax under pressure from groups as diverse as the Labour Party, people earning over £150,000 a year and some senior Conservative MPs, including Michael Gove and Grant Shapps, the latter describing it as "wrong on every level.

The Council regrets local MP Greg Hands' support, prior to the government's U-turn, for abolishing the top rate of tax, tweeting "There is nothing inherently revolutionary or wrong with what the Government is proposing on tax... All of the measures have strong merits."

The Council fears that the Chancellor plans to usher in a new era of austerity, following his refusal to reconsider departmental budgets in light of higher inflation, and notes that the Institute for Fiscal Studies has calculated this will result in a real terms cut of £18bn a year in government spending.

The Council notes that under the previous Conservative austerity policies:

- *The Council's funding was cut by 55% in real terms;*
- *Public services across the country were starved of the funding they needed; and*
- *Those most reliant on government support suffered the most from spending cuts.*

The Council calls on the government to:

- *Avoid further damaging austerity policies;*
- *Protect the public services that residents rely on; and*
- *Ensure that our poorest and most vulnerable fellow citizens do not pay the price for the government's ideologically-driven economic mismanagement."*

Speeches on the motion were made by Councillors Ree, Lang (who made his maiden speech), Collins, Daly, Melton (who made his maiden speech), Harvey, Schmid, and Coleman (for the Administration) and Councillors Dinsmore and Afzal-Khan (for the Opposition).

Councillor Ree then made a speech winding up the debate before the motion was put to the vote.

7.6 Special Motion 6 - 12 Years of Conservative Government

10.24pm – Councillor Bora Kwon moved, seconded by Councillor Nikos Souslous, the special motion in their names:

“The Council notes that over the last 12 year the Conservative government has caused immeasurable damage to the residents of Hammersmith and Fulham and the entire United Kingdom. This includes:

- The damaging programme of austerity that has left public services on their knees*
- A catastrophic Brexit that has undermined trade, soured relations with our closest neighbours and reduced British influence globally*
- A decline in support for the Union*
- The muddled, mishandled response to the Covid pandemic, including placing covid-positive residents into care homes*
- Degrading the office of Prime Minister through a series of scandals, including holding a flurry of parties at 10 Downing Street during Covid lockdowns and the failure to deal with improper conduct by senior Conservative MPs*
- An acute housing crisis leaving millions in overcrowded conditions and younger generations unable to enter the housing market*
- Surges in hospital, GP and ambulance waiting times alongside an increase in health inequality*
- Record levels of sewage flowing into our oceans and rivers and suffocating restraints on the expansion of onshore wind power*
- A justice system in crisis, with rising crime and fewer police, prosecutions and convictions*
- Mismanagement of the economy, which has seen anaemic growth, real terms reductions in salaries, the devaluation of sterling, a cost-of-living crisis and spiralling mortgage and rental payments*

The Conservative Party has seen four Prime Ministers since 2016, each presenting a different flavour of the same failed approaches.

The Council therefore calls on Councillors and MPs of all parties to put our country and our community first and demand a general election so this dying government can be retired before it does any more damage.”

Speeches on the motion were made by Councillors Kwon, Souslous, and Taylor (who made her maiden speech) (for the Administration).

The guillotine fell at 10.40pm.

Councillor Kwon then made a short speech winding up the debate before the motion was put to the vote.

The Council notes that over the last 12 year the Conservative government has caused immeasurable damage to the residents of Hammersmith and Fulham and the entire United Kingdom. This includes:

7.8 Special Motion 8 - Taking action on violence against women and girls

10.43pm – As the guillotine had fallen, the special motion in the names of Councillors Rebecca Harvey and Lisa Homan was taken as moved and seconded:

“The Council notes that 16 Days of Activism against Gender-Based Violence is an annual international campaign that commences on 25 November 2022, the International Day for the Elimination of Violence against Women, and runs until 10 December 2022, Human Rights Day. First created and launched in 1961 it calls on the prevention and elimination of violence against women and girls which this Council fully endorses.

The Council is deeply concerned that VAWG is rampant across the country. It notes that under the current Government, sex-based offences such as rape and sexual assault have seen unprecedented rises and low prosecution rates and even lower conviction rates.

Hammersmith and Fulham Council has over many years consistently worked towards:

- the goal of eliminating violence against women and girls*
- devised our strategy of ending Violence Against Women and Girls through prevention and education and support*
- working with partners including the Angelou Project, Standing Together, Refuge*
- and encouraging businesses to support projects such as Ask Angela.*

The Council notes that in 2022, the 16 Days of Activism against Gender-Based Violence coincides with the World Cup in Qatar. Violence against women and girls increases from between 26 – 38% during international football competitions and that during Euro 2020 there was a spike in reported domestic abuse.

Considering the disastrous state of the underfunded criminal justice system in this country, there is a serious risk of an escalation in domestic violence cases in the coming months. This Council pledges to redouble its efforts to work with our partners including those in the Angelou Partnership, our residents and wider community to try and keep everyone safe and prevent VAWG.

The Council calls on the Government to properly fund the criminal justice system so that perpetrators can be held to account.

The Council calls on organisations in the borough working in all sectors to raise awareness of domestic violence and misogyny, making it clear that it is unacceptable at any time.”

The motion was then put to the vote:

First created and launched in 1961 it calls on the prevention and elimination of violence against women and girls which this Council fully endorses.

The Council is deeply concerned that VAWG is rampant across the country. It notes that under the current Government, sex-based offences such as rape and sexual assault have seen unprecedented rises and low prosecution rates and even lower conviction rates.

Hammersmith and Fulham Council has over many years consistently worked towards:

- the goal of eliminating violence against women and girls
- devised our strategy of ending Violence Against Women and Girls through prevention and education and support
- working with partners including the Angelou Project, Standing Together, Refuge
- and encouraging businesses to support projects such as Ask Angela.

The Council notes that in 2022, the 16 Days of Activism against Gender-Based Violence coincides with the World Cup in Qatar. Violence against women and girls increases from between 26 – 38% during international football competitions and that during Euro 2020 there was a spike in reported domestic abuse.

Considering the disastrous state of the underfunded criminal justice system in this country, there is a serious risk of an escalation in domestic violence cases in the coming months. This Council pledges to redouble its efforts to work with our partners including those in the Angelou Partnership, our residents and wider community to try and keep everyone safe and prevent VAWG.

The Council calls on the Government to properly fund the criminal justice system so that perpetrators can be held to account.

The Council calls on organisations in the borough working in all sectors to raise awareness of domestic violence and misogyny, making it clear that it is unacceptable at any time.

7.1 Special Motion 1 - The Conservative Government's Failing Justice System

The special motion was withdrawn.

7.9 Special Motion 9 - Standing up for Responsible Tax Conduct

10.43pm – As the guillotine had fallen, the special motion in the names of Councillors Rowan Ree and Zarar Qayyum was taken as moved and seconded:

“The Council notes that:

- 1. The pressure on organisations to pay their fair share of tax has never been stronger.*
- 2. Polling from the Institute for Business Ethics finds that “corporate tax avoidance” has, since 2013, been the clear number one concern of the British public when it comes to business conduct.*
- 3. Two thirds of people (66%) believe the Government and local councils should at least consider a company’s ethics and how they pay their tax, as well as value for money and quality of service provided, when awarding contracts to companies.*

4. *Around 17.5% of public contracts in the UK have been won by companies with links to tax havens.*
5. *It has been conservatively estimated that losses from multinational profit-shifting (just one form of tax avoidance) could be costing the UK some £17bn per annum in lost corporation tax revenues.*
6. *The Fair Tax Mark offers a means for business to demonstrate good tax conduct, and has been secured by a wide range of businesses across the UK, including FTSE-listed PLCs, co-operatives, social enterprises and large private businesses.*

The Council believes that:

1. *Paying tax is often presented as a burden, but it shouldn't be.*
2. *Tax enables us to provide services from education, health and social care, to flood defence, roads, policing and defence. It also helps to counter financial inequalities and rebalance distorted economies.*
3. *As recipients of significant public funding, local authorities should take the lead in the promotion of exemplary tax conduct; be that by ensuring contractors are paying their proper share of tax, or by refusing to go along with offshore tax dodging when buying land and property.*
4. *Where councils hold substantive stakes in private enterprises, influence should be wielded to ensure that such businesses are exemplars of tax transparency and tax avoidance is shunned.*
5. *More action is needed, however, as current and proposed new UK procurement law significantly restricts councils' ability to either penalise poor tax conduct (as exclusion grounds are rarely triggered) or reward good tax conduct, when buying goods or services.*
6. *UK cities, counties and towns can and should stand up for responsible tax conduct - doing what they can within existing frameworks and pledging to do more given the opportunity, as active supporters of international tax justice.*

The Council resolves to:

1. *Approve the Councils for Fair Tax Declaration.*
2. *Lead by example and demonstrate good practice in our tax conduct, right across our activities.*
3. *Ensure IR35 is implemented robustly and contract workers pay a fair share of employment taxes.*
4. *Not use offshore vehicles for the purchase of land and property, especially where this leads to reduced payments of stamp duty.*
5. *Undertake due diligence to ensure that not-for-profit structures are not being used inappropriately by suppliers as an artificial device to reduce the payment of tax and business rates.*
6. *Demand clarity on the ultimate beneficial ownership of suppliers UK and overseas and their consolidated profit & loss position, given lack of clarity could be strong indicators of poor financial probity and weak financial standing.*
7. *Promote Fair Tax Mark certification especially for any business in which we have a significant stake and where corporation tax is due.*
8. *Support Fair Tax Week events in the area, and celebrate the tax contribution made by responsible businesses are proud to promote responsible tax conduct and pay their fair share of corporation tax.*

Public Questions and Responses – 19 October 2022

Question 1

From: Andy Knowles, Resident

To: The Cabinet Member for Public Realm

Question:

“Could the Council please capitalise on the success of the East TCPR by using the now superfluous filter phase of the traffic lights on the junction at the northern end of Wandsworth Bridge for a pedestrian Puffin crossing across all lanes.”

Response:

The Council has listened to resident requests throughout the trial of the East TCPR and many requests for more crossing facilities and greening were made throughout the experiment.

The reduction in traffic volumes on Wandsworth Bridge Road and to the east allows us to explore all of these including the aim of introducing more pedestrian crossing facilities at the northern end of Wandsworth Bridge Road.

The Council will fully explore the possibilities and options at this junction to provide safer crossing facilities on the desired walking routes.

Furthermore the trial extension to the west of Wandsworth Bridge Road enables us to improve safer cycling and walking routes on Wandsworth Bridge Road and to look at reconfiguring the traffic lights at Carnwath Road and Townmead Road to improve safety there too for pedestrians and cyclists.

Question 2

From: David Morris, Resident

To: The Cabinet Member for Public Realm

Question:

“The Department of Transport’s recent report (Gear Change: One Year On 2021) reveals that data from both longer established and recent Low Traffic Neighbourhood schemes show that the common claim that LTNs simply displace traffic to other roads is in most cases not happening and that most schemes report reductions in traffic on the roads around the LTNs. Does the Council agree that this data fully justifies testing the experimental TCPR / Clean Air Neighbourhood scheme west of Wandsworth Bridge Road?”

Response:

In addition to research collated from national schemes, the Council conducted extensive traffic monitoring for the duration of the trial scheme in the east. The Councils own traffic study demonstrated that traffic did not displace after the trial had settled. H&F Clean Air Neighbourhood projects are a better option than other national schemes as there are no

physical barriers to vehicles and therefore allows residents and permitted vehicles such as emergency services to drive through any restrictions.

We are confident the success of the project can be replicated elsewhere in the borough including the west of Wandsworth Bridge Road. We would launch neighbourhood projects only after developing options with residents and as an experiment it allows the opportunity to consult and obtain feedback throughout. Any trial also allows officers to monitor, make amendments or enhance throughout the experimental period.

Question 3

From: James Burgoyne, Resident

To: The Cabinet Member for Public Realm

Question:

“Maxwell Road has a garbage problem. I have made many complaints on the subject, but the problem seems to me structural. Granville Place rubbish is left in bin bags in front of the houses all week, where the fox gets at the bags. The bins provided are 1) too small 2) in hard to access bin housing. It would be a very easy fix to remove the wooden slate above the bins and provide large wheelie bins in their place. A) they would have capacity B) they would be accessible.

What is the Council doing to solve the Maxwell Road rubbish problem?”

Response:

Officers from the Contract Monitoring team are monitoring Maxwell Road weekly on collection day to ensure that all domestic waste collections are taking place as scheduled and the road is cleansed to an acceptable standard following collection.

Whenever we receive reports of littering, fly-tipping or missed waste collections via the contact centre or the Report It app the contractor is immediately informed and sent to bring the street to an acceptable standard of cleanliness or rectify the missed collection.

With specific reference to Granville Place, residents should present their waste for collection no earlier than 21:00 on the evening prior to the scheduled collection. We will ask colleagues in the council’s Law Enforcement Team to monitor the area, and letter drop to affected properties as necessary.

Residents of Granville Place should provide their own suitable receptacles for the storage of waste. With regard to the bin housings, their design and capacity would be a matter for the property owner, and it would be outside of the Authority or the Contractor’s remit to themselves remove any part of the bin housing.

Question 4

From: Asli Eler, Resident

To: The Leader of the Council

Question:

“Why is the implementation of the TCPR West scheme delayed even though the cameras are in place for some time now and we have all seen how successful the TCPR East

scheme was in reducing pollution for our residents? Our children should have the same chance to live in a cleaner environment on the west side too.”

Response:

The Council took a decision to launch a trial to the west at a Cabinet meeting in December 2021. Cameras were placed in the west area to better understand traffic profile and gain insight into the routes that out of borough through traffic takes.

In line with the Council’s values of doing things with residents it was important for the officers to develop and finalise proposals with residents’ groups from the area. By listening to their concerns on air quality, and requests for more greening and healthier streets the Council took it on board and developed the proposals for Clean Air Neighbourhoods which will include significant public realm and air quality benefits for areas in addition to tackling traffic and safety concerns.

Question 5

From: Ian Sellars, Resident

To: The Leader of the Council

Question:

“Can you tell me what the current status of the TCPR West scheme is, what decisions remain to be taken with regard to the scheme (and when will they be taken) and what further consultations and discussions are required before a definitive decision can be made?”

Response:

The Council took a decision to launch a trial to the west at a Cabinet meeting in December 2021. Cameras were placed in the west area to better understand traffic profile and gain insight into the routes that out of borough through traffic takes.

In line with the Council’s values of doing things with residents it was important for the officers to develop and finalise proposals with residents’ groups from the area.

Officers were delegated responsibility to begin a trial which we are now ready to do and expect an experiment to begin in November.

Question 6

From: Kristian Jenner, Resident

To: The Deputy Leader

Question:

“Given the Council’s commitment to net-zero, following the success of the current TCPR scheme against its stated aims, can the Council commit to extending the scheme to the rest of South Fulham and please outline a timetable for doing so?”

Response:

The Council took a decision to launch a trial to the west at a Cabinet meeting in December 2021. Cameras were placed in the west area to better understand traffic profile and gain insight into the routes that out of borough through traffic takes.

In line with the Council's values of doing things with residents it was important for the officers to develop and finalise proposals with residents' groups from the area.

Officers were delegated responsibility to begin a trial, which we are now ready to do and expect an experiment to begin in November.

Question 7

From: David Tarsh, Resident

To: The Leader of the Council

Question:

"Official data shows that C9 is a failure on all important metrics:

- *The route is NOT "safer" as TfL claims; it is more dangerous*
- *It is deeply unpopular with residents along the route*
- *Congestion is much worse*
- *The number of new cyclists attracted had fallen*
- *The costs are exorbitant*

Will you now acknowledge that C9 has caused massive inconvenience to the vast majority of residents impacted by it; that it has delivered no safety benefits to the tiny proportion of road-users that use it; and therefore, that it must be removed at the earliest opportunity?"

Response:

We do not agree with these statements.

Providing cycle lanes separated from traffic is safer for cyclists, providing more crossing facilities is safer for pedestrians.

We continue to receive lots of positive comments from the community since completing the works on the Safer Cycle Pathway on King Street and the Hammersmith gyratory. The aim of the safer cycle pathway is to encourage people to travel by bike especially those who may be less confident including children and young adults. It is an important enabler for members of the public who wish to take up cycling as a mode of choice for travel. We will be monitoring the number of cyclists who are using the cycle lanes and will keep monitoring this annually.

Question 8

From: Nick Walker, Resident

To: The Leader of the Council

Question:

"I would like to have reassurance that the roll out of the TCPR will not be delayed or watered down with the change in Government."

Response:

The council is committed to trialling the western extension of the Clean Air Neighbourhood project, which was formally known as the TCPR. It is in line with both the Mayor and the Secretary of State for Transport's clean air strategies. Following the adoption of the Clean

Minutes are subject to confirmation at the next meeting as a correct record of the proceedings and any amendments arising will be recorded in the minutes of that subsequent meeting.

Air Neighbourhood programme at the Cabinet meeting of 10 October 2022, we are looking to roll-out trials across the borough to improve air quality and the health of our residents.

Question 9

From: Jeffrey Chandler, Resident

To: The Leader of the Council

Question:

“As a resident of Clancarty Road, I would like to know when the trial for the TCPR West extension is going to commence?”

Response:

The Council took a decision to launch a trial to the west at a Cabinet meeting in December 2021. Cameras were placed in the west area to better understand traffic profile and gain insight into the routes that out of borough through traffic takes.

In line with the Council’s values of doing things with residents it was important for the officers to develop and finalise proposals with residents’ groups from the area.

Officers were delegated responsibility to begin a trial, which we are now ready to do and expect an experiment to begin in November.

Question 10

From: Kay Boycott, Resident

To: The Cabinet Member for Public Realm

Question:

“If the existing TCPR scheme is not extended to the west of Wandsworth Bridge Road what mitigation will be put in place to reduce the impact on residents of the current increased air pollution, sounding of horns and verbal abuse (including profanity) from gridlocked drivers, and restrictions in essential journeys at peak times?”

Response:

The Council took a decision to launch a trial to the west at a Cabinet meeting in December 2021. Cameras were placed in the west area to better understand traffic profile and gain insight into the routes that out of borough through traffic takes.

In line with the Council’s values of doing things with residents it was important for the officers to develop and finalise proposals with residents’ groups from the area.

Officers were delegated responsibility to begin a trial which we are now ready to do and expect an experiment to begin in November.

The trial to the east has resulted in a 23% reduction in traffic across South Fulham and a reduction of one tonne a day of polluting carbon emissions. We expect the trial to the west to bring similar clean air benefits.

Question 11

From: Caroline Brooman-White, Resident
To: The Leader of the Council

Question:

"I am very concerned for the local businesses in South Fulham. Would it be possible to allow residents in the neighbouring boroughs of Wandsworth and Kensington and Chelsea to travel freely on our roads in Hammersmith and Fulham without paying fines for going through the traffic cameras."

Response:

All areas and properties remain accessible to vehicular traffic by road without going through cameras so that residents from neighbouring areas and further away are able to access friends and family, shops and businesses in South Fulham without the need to drive through any access restrictions. The proposed locations of the cameras ensures this is the case. If for any reason they do drive through a camera, residents can grant free access via RingGo up until midnight on the day.

Question 12

From: Antonia Muir, Resident
To: The Leader of the Council

Question:

"Ever since the introduction of the TCPR in Sands End, horrendous rush hour traffic occurs daily on New Kings Road, Fulham Palace and Fulham Road as drivers divert to Putney Bridge. This causes misery for residents living nearby in terms of pollution, rat running and very slow public transport. What does the Council intend to do to resolve this issue?"

Response:

We do not agree with this statement. Rush hour traffic is unfortunately the plight of built-up areas across the capital and vehicles trying to travel to Central London at peak times, as well as school-related traffic further adds to this issue. The trial project to the east of Wandsworth Bridge Road has resulted in 23 per cent less traffic across South Fulham, and there is no evidence of displacement across the borough.

In addition to tackling residential roads, the council has committed to improving main roads by providing more walking, cycling and bus priority. A very large percentage of journeys made by car in London is between 2-5 miles in length and therefore can be made by travelling more sustainably. The council will work to provide more safer facilities for walking and cycling to encourage the uptake of sustainable travel.

Question 13

From: Elizabeth Hopkirk, Resident
To: The Cabinet Member for Public Realm

Question:

"I'm writing to say thank you for the measures you've already introduced to make cycling and walking more attractive options, especially around Hammersmith Broadway. I

wholeheartedly support measures like these that should have the effect of reducing dependence on motor vehicles and thus improve air quality. My question is when do you think you might be able to make Fulham Road (esp through Fulham Broadway) and New King's Road safer for cycling? I can see it's a tricky one, but the 'cycle lane' on New King's Rd is currently dangerously narrow and not fit-for-purpose."

Response:

In addition to launching Clean Air Neighbourhoods across the borough, the Council will also provide more safer facilities for cycling on main roads. The aim is to repurpose the roads and make them a safer place and more pleasant for all that use them.

This includes the boroughwide 20mph speed limits being implemented on all our roads, segregated cycle tracks wherever the space allows, and also enhancing the public realm to make walking and accessing our shops and businesses a more amenable and pleasant experience.

Although delivering safer cycle routes on some roads and locations may be tougher than others, we do have plans to improve existing cycle facilities and provide more cycle lanes on all our roads, including New Kings Road and Fulham Road.

Agenda Item 5

Public Questions to Council – January 2023

Question 1

From: Casey Abaraonye, Resident

To: The Cabinet Member for Public Realm / The Cabinet Member for Climate Change and Ecology

Question: “The Council is proposing to introduce Clean Air Neighbourhoods and we cannot welcome this initiative enough. We are aware that to improve our environment we need to reclaim the way it has been ceded to motor vehicles and their use, and that now, planning around our public space starts from the influence of and impact on the motor vehicle.

Clean Air Neighbourhoods are part of the approach to address this. In order to take an overall approach to the many components of the part vehicles play in our environment, what is the council's transport strategy?”

Question 2

From: Caroline Shuffrey, Resident

To: The Leader of the Council

Question: “Despite the measures that the council have put in place, residents continue to be dropped away from their homes by Uber and minicab drivers, leaving women to walk home in the dark late at night and frail elderly or disabled residents in difficulty struggling to get home. Local minicab firms who are supposedly registered with the council send vehicles that are not allowed through the cameras. All private hire vehicles are licensed by TFL. Why is it not possible for LBHF to access this database to allow all private hire vehicles to cross the cameras without penalty?”

Question 3

From: Donald Grant, Resident

To: The Leader of the Council

Question: “The Leader has recently been expressing support for small businesses in LBHF. Around 160 businesses affected by the second LTN traffic camera scheme in Fulham signed a letter objecting to it. However business rates go to the Government, whilst fines from the LTNs go to LBHF. Is this why the Leader supports LTNs more than he supports small local businesses?”

Question 4

From: W. Benedict Nightingale, Resident

To: The Leader of the Council

Question: “How do you justify the instruction, enshrined in a new yellow sign, to visitors driving on the eastward section of the New Kings Road to make a circuitous way to Wandsworth Bridge and Wandsworth Bridge Road via Putney Bridge and Putney itself instead of using Broomhouse Lane or Peterborough Road, two link roads now barricaded by traffic cameras?”

Question 5

From: Anthony Llewelyn-Davies, Resident

To: The Leader of the Council

Question: “When will Ringo become user friendly for the South Fulham ‘clean air zone’, showing what is asked for rather than 1 minute and be easily ‘findable’ on the App?”

Agenda Item 6.1

LONDON BOROUGH OF HAMMERSMITH & FULHAM

Report to: Full Council

Date: 18/01/2023

Subject: Council Tax Support Scheme 2023/24

Report of: Cabinet Member for Finance and Reform – Councillor Rowan Ree

Report author: Kirsty Brooksmith, Head of Benefits

Responsible Director: Sukvinder Kalsi, Director of Finance

SUMMARY

Since 2013, every council has been required to set its own Council Tax Support Scheme, setting out how it wants to help those on low income pay their council tax. The administration is determined to ensure that not only are residents no worse off than they would have been had the original council tax benefit regulations stayed in place, but also to try and reverse some of the regressive elements of Council Tax, by ensuring that lower income families are supported by the council. This constitutes a £7.90m investment by the Council to support the borough's lowest income families for 2023/24.

Funding for the Council Tax Support Scheme was originally provided through Revenue Support Grant (RSG) from the Government. Government grant funding has reduced by £58m (55% in real terms) from 2010/11 to 2022/23. Therefore, the cost of funding is fully borne by the Council and Greater London Authority

Residents are facing the most challenging of times with the cost-of-living crisis, therefore the Council is committed to ensuring that we continue to support our residents with the maximum amount of support we can, through the Council Tax Support Scheme for 2023/24.

Hammersmith and Fulham are one of only 34 Councils out of 326 across England to take this approach. Most other councils have introduced a “minimum payment”, which requires everyone to pay at least some Council Tax regardless of their income. The average minimum payment has risen on average from 0% to 19% in recent times.

Research carried out in 2021/22 by the New Policy Institute (NPI) reported that there were relatively few changes to CTR schemes. However eleven local authorities changed their minimum payment or band cap. Four schemes became harsher in some way, but five lowered their minimum payment. Three of these introduced an income banded scheme and removed the minimum payment for claimants in the first of these bands. Our Scheme for 2023/24 remains the most effective scheme for ensuring we provide the maximum support to our residents with 100% support to those on the lowest incomes.

Latest releases from the Department of Levelling up Housing and Community inform that as at 31 March 2022, the total amount of council tax still outstanding in England amounted to £5.0 billion. This is an increase of £540 million over the figure for 2020-21 and has largely been attributed to the impact of the covid pandemic and councils' delay in commencing recovery activity. Research by the Child Poverty Action Group and Z2K (Still Too Poor to Pay: Council Tax Support in London 2018-19 (2020)), reported that the impact of making changes to local Council Tax Support Schemes on household budgets pushed 11% of the people affected into debt. This is why this council has once again chosen not to introduce changes to their local schemes and remains committed to offering the most help to the lowest income families in our borough.

This report is therefore not proposing to make any changes to the Council Tax Support Scheme for 2023/24 other than the application of the annual uprating.

The annual uprating will apply to the allowances, applicable amounts, and income for both pensioners and working age Department of Work and pensions (DWP) benefits, as per the Housing Benefit uprating circular issued to local authorities in late November 2022. This circular advises the new rates from April 2023. All local authorities have a duty to apply uprating to their Housing Benefit Scheme and we propose to continue to reflect this uprating within our Council Tax Support Scheme to mirror the original intention of the default scheme. This will ensure transparency, ease of administration and clarity for our residents.

RECOMMENDATIONS

That Full Council agrees:

1. That the Council Tax Support Scheme in operation in 2022/2023 (included at Appendix 1) shall continue in 2023/2024.
2. That the Council shall apply the annual uprating of allowances, applicable amounts and income, set out in the DWP Housing Benefit circular, to the Council Tax Support scheme for 2023/2024.

Wards Affected: All

Our Values	Summary of how this report aligns to the H&F Values
Building shared prosperity	We'll support our low-income residents by ensuring our scheme gives them the maximum benefit of up to 100%, contributing to keeping their living costs, including their council tax, affordable.
Creating a compassionate council	We are continuing our local Council Tax Support Scheme to the most vulnerable amongst us, so we know they are looked after financially.

Doing things with local residents, not to them	We'll continue to listen to and work with our residents by offering financial support to them. We will continue to monitor the impacts of economic and welfare changes on our residents, ensuring we understand their needs. This will allow us to continue to target our help to support them where they say it is needed the most.
Being ruthlessly financially efficient	We want our residents to know we are working to protect and maintain policies that protect our most vulnerable.

Financial Impact

The Council Tax Support Scheme operates by offering a discount to residents who need help paying their council tax. The cost of the scheme is shared between Hammersmith & Fulham Council and the Greater London Authority based on their respective council tax charges. The scheme cost is estimated at £11.91m in 2023/24, based on current council tax levels, of which the Hammersmith and Fulham share will be £7.90m. This estimate is allowed for within the 2023/24 council tax base report.

Funding for the Council Tax Support Scheme was originally provided through Revenue Support Grant (RSG) from the Government. Government grant funding has reduced by £58m (55% in real terms) from 2010/11 to 2022/23. Therefore, the cost of funding is fully borne by the Council and Greater London Authority.

Legal Implications

Each financial year the Council must consider whether it wants to revise its Council Tax Support Scheme, leave as is or replace it. The Council must make this decision no later than 31 January in the financial year preceding when the scheme is to take effect.

The Council has a statutory duty to set the council tax each year and this report is part of this process. The Council can only vary or set council tax discounts or higher amounts as legally empowered to do so. The relevant regulations and legislation are the Local Government Finance Act 1992, the Local Authorities (Calculation of Council Tax Base) Regulations 2012, and the Council Tax (Prescribed Classes of Dwellings) (England) Regulations 2003, as amended in 2012. The Council Tax base has been calculated in accordance with the relevant Acts and regulations.

DETAILED ANALYSIS

Proposals and Analysis of Options

1. No further options regarding proposing changes to introduce a minimum contribution have been considered this year. Changes such as this would result in working age families having to contribute to their Council Tax. These options have not been considered in light of the cost-of-living crisis and the financial difficulties residents are facing at this current time.

Reasons for Decision

2. The Council are not proposing any changes to the scheme this year. This scheme is particularly important this year in light of the financial challenges residents are facing due to the ongoing economic impacts of the cost-of-living crisis, including the rising fuel and food prices, and the significant inflationary increases in overall living costs.
3. The Council continues to see evidence of reliance on the use of foodbanks across Hammersmith & Fulham which we are continuing to monitor and support through the work we are doing through our cost-of-living board. Efforts are concentrated on ensuring food banks and residents continue to receive funding through any government grants received in 2022/23 to help mitigate the impact of reducing household disposable income. The consequence of changing the scheme would have exposed the lowest income families to a reduction in their income which would have led to a rise in arrears and complexities around income collection for both council rents and Council Tax.
4. Currently there are 13,242 households receiving Council Tax Support in Hammersmith & Fulham, of these 4,834 are pensioner age therefore would be unaffected by any changes to the Council Tax Support Scheme and 8,408 are of working age. Therefore, any changes made would detrimentally impact the largest proportion of officers' caseload.
5. The Council has concluded that if changes were made to the scheme to introduce a minimum contribution towards council tax for working age customers on low incomes, it would be seeking repayment from the poorest in our society, many of whom have already been severely financially impacted this year.

Equality Implications

6. There are no anticipated negative implications for groups with protected characteristics, under the Equality Act 2010, by the approval of these proposals.

Risk Implications

7. Over the last decade, local authorities have received significant real terms cuts to budgets, in addition the Government's Universal Credit Scheme has posed challenges to the poorest and most vulnerable in society. Council tax benefit was a UK-wide benefit that provided support for council tax to low-income families. This was abolished in April 2013 and local authorities in England were charged with designing their own council tax support schemes in its place. Although these must maintain support for pensioners at its previous level, local authorities have wide discretion to design their own schemes for working-age families. The Council's scheme contributes positively to our residents, meeting their needs and expectations. It also contributes to our council values most specifically being a compassionate council, so the most vulnerable among us are looked after.

Implications verified by: David Hughes, Director of Audit, Fraud, Risk and Insurance, 22/11/2022

Climate and Ecological Emergency Implications

8. There are no anticipated climate or ecological implications as a result of the approval of this recommendation.

Consultation

9. There is no requirement to consult this year as we are not proposing any changes to our scheme.

 - (b) the applicant is not a pensioner and is on income support, an income-based jobseeker's allowance or an income-related employment and support allowance,

- 36.—(1) In determining the income and capital of an applicant who is a pensioner and who has, or whose partner has, an award of state pension credit comprising only the savings credit, subject to the following provisions of this paragraph, the authority must use the calculation or estimate of the applicant's or as the case may be, the applicant's partner's income and capital made by the Secretary of State for the purpose of determining the award of state pension credit.

For the avoidance of doubt the award of Universal Credit shall be determined **before** any deduction, sanction, advance etc.

- (8) Where a relevant payment is made by two or more instalments in a quarter, the amount of a relevant payment to be taken into account for the assessment period for the purposes of sub-paragraph (1) in respect of a person to whom sub-paragraph (7) applies, is to be calculated by applying the formula in sub-paragraph (8) but as if—

Act (small earnings exception) for the tax year applicable to the assessment period; but if the assessment period is less than a year, the amount specified for that tax year must be reduced pro rata; and

- (b) the amount of Class 4 contributions (if any) which would be payable under section 15 of the SSCBA (Class 4 contributions recoverable under the Income Tax Acts) at the percentage rate applicable to the assessment period on so much of the chargeable income as exceeds the lower limit but does not exceed the upper limit of profits and gains applicable for the tax year applicable to the assessment period; but if the assessment period is less than a year, those limits must be reduced pro rata.

 - (b) he must, subject to sub-paragraph (8), be treated as possessing an amount of capital equal to the value or, as the case may be, his share of the value of the capital of that company and the foregoing provisions of this Chapter apply for the purposes of calculating that amount as if it were actual capital which he does possess.
- (8) For so long as the applicant undertakes activities in the course of the business of the company, the amount which he is treated as possessing under sub-paragraph (7) is to be disregarded.
- (9) Where an applicant is treated as possessing capital under any of sub-paragraphs (1), (4) or (5) the foregoing provisions of this Chapter apply for the purposes of calculating its amount as if it were actual capital which he does possess.

Diminishing notional capital rule: pensioners

- 68.—(1) Where an applicant who is a pensioner is treated as possessing capital under paragraph 67(1) (notional capital), the amount which he is treated as possessing—
- (a) in the case of a week that is subsequent to—
 - (i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or
 - (ii) a week which follows that relevant week and which satisfies those conditions, is to be reduced by an amount determined under sub-paragraph (3);
 - (b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—
 - (i) that week is a week subsequent to the relevant week; and
 - (ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied, is to be reduced by the amount determined under sub-paragraph (5).

- (2) This sub-paragraph applies to a reduction week where the applicant satisfies the conditions that—
 - (a) he is in receipt of a reduction under this scheme; and
 - (b) but for paragraph 67(1), he would have received a greater reduction in council tax under this scheme in that week.
- (3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) must be equal to the aggregate of—
 - (a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;
 - (b) where the applicant has also claimed state pension credit, the amount of any state pension credit or any additional amount of state pension credit to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 21(1) of the State Pension Credit Regulations 2002 (notional capital);
 - (c) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of housing benefit to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006 (notional capital);
 - (d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996 (notional capital); and
 - (e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).
- (4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is a pensioner and would have been entitled to a reduction in council tax under this scheme in the relevant week but for paragraph 67(1).
- (5) In such a case the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(b) is equal to the aggregate of—
 - (a) the amount of the reduction in council tax to which the applicant would have been entitled in the relevant week but for paragraph 67(1);
 - (b) if the applicant would, but for regulation 21 of the State Pension Credit Regulations 2002, have been entitled to state pension credit in respect of the benefit week, within the meaning of regulation 1(2) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;
 - (c) if the applicant would, but for regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—
 - (i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or
 - (ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled;
 - (d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and
 - (e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.
- (6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) ("the relevant amount") is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—
 - (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
 - (b) multiplying the result of that calculation by 7.

- (7) The amount determined under sub-paragraph (5) is to be re-determined under that sub-paragraph if the applicant makes a further application and the conditions in sub-paragraph (8) are satisfied, and in such a case—
- (a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and
 - (b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.
- (8) The conditions are that—
- (a) a further application is made 26 or more weeks after—
 - (i) the date on which the applicant made an application in respect of which he was first treated as possessing the capital in question under paragraph 67(1);
 - (ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (11), the date on which he last made an application which resulted in the weekly amount being re-determined, or
 - (iii) the date on which he last ceased to be entitled to a reduction under this scheme, whichever last occurred; and
 - (b) the applicant would have been entitled to a reduction under this scheme but for paragraph 67(1).
- (9) The amount as re-determined pursuant to sub-paragraph (7) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.
- (10) For the purposes of this paragraph—
- “part-week”—
- (a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction in council tax under this scheme is allowed;
 - (b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;
 - (c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—
 - (i) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker’s allowance is payable; and
 - (ii) any other period of less than a week for which it is payable;
- “relevant week” means the reduction week or part-week in which the capital in question of which the applicant has deprived himself within the meaning of paragraph 67(1)—
- (a) was first taken into account for the purpose of determining his entitlement to a reduction; or
 - (b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction;
- and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;
- “relevant subsequent week” means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

Diminishing notional capital rule: persons who are not pensioners

- 69.—(1) Where an applicant who is not a pensioner is treated as possessing capital under paragraph 67(1) (notional capital), the amount which he is treated as possessing—
- (a) in the case of a week that is subsequent to—
 - (i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or
 - (ii) a week which follows that relevant week and which satisfies those conditions,
 is to be reduced by an amount determined under sub-paragraph (3);
 - (b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—
 - (i) that week is a week subsequent to the relevant week; and

- (ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied,
is to be reduced by the amount determined under sub-paragraph (5).
- (2) This sub-paragraph applies to a reduction week (or, in the case of persons who are not pensioners, part-week) where the applicant satisfies the conditions that—
- (a) he is in receipt of a reduction in council tax under this scheme; and
 - (b) but for paragraph 67(1), he would have received a greater reduction in council tax under this scheme in that week.
- (3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) is equal to the aggregate of—
- (a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;
 - (b) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of that benefit to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 49(1) of the Housing Benefit Regulations 2006 (notional capital);
 - (c) where the applicant has also claimed income support, the amount of income support to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 51(1) of the Income Support (General) Regulations 1987 (notional capital);
 - (d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996 (notional capital); and
 - (e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).
- (4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is not a pensioner and would have been entitled to a reduction in council tax in the relevant week but for paragraph 67(1).
- (5) In such a case the amount of the reduction in the amount of capital he is treated as possessing must be equal to the aggregate of—
- (a) the amount of council tax benefit to which the applicant would have been entitled in the relevant week but for paragraph 67(1);
 - (b) if the applicant would, but for regulation 49(1) of the Housing Benefit Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—
 - a. (i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or
 - b. (ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled;
 - (c) if the applicant would, but for regulation 51(1) of the Income Support (General) Regulations 1987, have been entitled to income support in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;
 - (d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and
 - (e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.

- (6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) (“the relevant amount”) is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—
- (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
 - (b) multiplying the result of that calculation by 7.
- (7) The amount determined under sub-paragraph (5) is to be re-determined under the appropriate sub-paragraph if the applicant makes a further application and the conditions in sub-paragraph (8) are satisfied, and in such a case—
- (a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and
 - (b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.
- (8) The conditions are that—
- (a) a further application is made 26 or more weeks after—
 - (i) the date on which the applicant made an application for a reduction under this scheme in respect of which he was first treated as possessing the capital in question under paragraph 67(1);
 - (ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (7), the date on which he last made an application under this scheme which resulted in the weekly amount being re-determined, or
 - (iii) the date on which he last ceased to be entitled to a reduction under this scheme, whichever last occurred; and
 - (b) the applicant would have been entitled to a reduction under this scheme but for paragraph 67(1).
- (9) The amount as re-determined pursuant to sub-paragraph (6) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.
- (10) For the purposes of this paragraph—
- “part-week”—
- (a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction under this scheme is allowed;
 - (b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;
 - (c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—
 - (a) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker’s allowance is payable; and
 - (b) any other period of less than a week for which it is payable;
- “relevant week” means the reduction week or part-week in which the capital in question of which the applicant has deprived himself within the meaning of paragraph 67(1)—
- (a) was first taken into account for the purpose of determining his entitlement to a reduction; or
 - (b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction,
- and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;
- “relevant subsequent week” means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

Capital jointly held

70. Except where an applicant possesses capital which is disregarded under paragraph 67(7) (notional capital), where an applicant and one or more persons are beneficially entitled in possession to any capital asset they must be treated, in the absence of evidence to the contrary, as if each of them were entitled in possession to the whole beneficial interest therein in an equal share

and the foregoing provisions of this Chapter apply for the purposes of calculating the amount of capital which the applicant is treated as possessing as if it were actual capital which the applicant does possess.

Calculation of tariff income from capital: pensioners

71. The capital of an applicant who is a pensioner, calculated in accordance with this Part, is to be treated as if it were a weekly income of—

- (a) subject to sub-paragraph (8), in a case where it is attributable to the period of study, equally between the weeks in that period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period of study and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study;
 - (b) in any other case, equally between the weeks in the period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period for which it is payable and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period for which it is payable.
- (6) Any grant in respect of dependants paid under section 63(6) of the Health Services and Public Health Act 1968 (grants in respect of the provision of instruction to officers of hospital authorities) and any amount intended for the maintenance of dependants under Part 3 of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 must be apportioned equally over the period of 52 weeks or, if there are 53 reduction weeks (including part-weeks) in the year, 53.
- (7) In a case where a student is in receipt of a student loan or where he could have acquired a student loan by taking reasonable steps but had not done so, any amount intended for the maintenance of dependants to which neither sub-paragraph (6) nor paragraph 80(2) (other amounts to be disregarded) applies, must be apportioned over the same period as the student's loan is apportioned or, as the case may be, would have been apportioned.
- (8) In the case of a student on a sandwich course, any periods of experience within the period of study must be excluded and the student's grant income must be apportioned equally between the weeks in the period beginning with the reduction week, the first day of which immediately follows the last day of the period of experience and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study.

- 77.—(1) Where a student is in receipt of income by way of a grant during a period of study and a contribution has been assessed, the amount of his covenant income to be taken into account for that period and any summer vacation immediately following must be the whole amount of the covenant income less, subject to sub-paragraph (3), the amount of the contribution.
- (2) The weekly amount of the student's covenant must be determined—
- (a) by dividing the amount of income which falls to be taken into account under sub-paragraph (1) by 52 or 53, whichever is reasonable in the circumstances; and
 - (b) by disregarding £5 from the resulting amount.
- (3) For the purposes of sub-paragraph (1), the contribution must be treated as increased by the amount (if any) by which the amount excluded under paragraph 76(2)(g) falls short of the amount specified in paragraph 7(2) of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 (travel expenditure).

Covenant income where no grant income or no contribution is assessed

78.—(1) Where a student is not in receipt of income by way of a grant the amount of his covenant income must be calculated as follows—

- (a) any sums intended for any expenditure specified in paragraph 76(2)(a) to (e) necessary as a result of his attendance on the course must be disregarded;
- (b) any covenant income, up to the amount of the standard maintenance grant, which is not so disregarded, must be apportioned equally between the weeks of the period of study;
- (c) there must be disregarded from the amount so apportioned the amount which would have been disregarded under paragraph 76(2)(f) and (3) had the student been in receipt of the standard maintenance grant; and
- (d) the balance, if any, must be divided by 52 or 53 whichever is reasonable in the circumstances and treated as weekly income of which £5 must be disregarded.

(2) Where a student is in receipt of income by way of a grant and no contribution has been assessed, the amount of his covenanted income must be calculated in accordance with paragraphs (a) to (d) of sub-paragraph (1), except that—

- (a) the value of the standard maintenance grant must be abated by the amount of such grant income less an amount equal to the amount of any sums disregarded under paragraph 76(2)(a) to (e); and
- (b) the amount to be disregarded under sub-paragraph (1)(c) must be abated by an amount equal to the amount of any sums disregarded under paragraph 76(2)(f) and (g) and (3).

79. No part of a student's covenant income or grant income is to be disregarded under paragraph 19 of Schedule 8 (disregard of certain charitable and voluntary, etc., payments).

(2) But sub-paragraph (1) applies only if, and to the extent that, the necessary expenditure exceeds or is likely to exceed the amount of the sums disregarded under paragraph 76(2) or (3), 77(3), 78(1)(a) or (c) or 81(5) (calculation of grant income, covenant income and treatment of student loans) on like expenditure.

Treatment of student loans

81.—(1) A student loan is to be treated as income.

(2) In calculating the weekly amount of the loan to be taken into account as income—

- (a) in respect of a course that is of a single academic year's duration or less, a loan which is payable in respect of that period is to be apportioned equally between the weeks in the period beginning with—
 - (i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of the single academic year;
 - (ii) where the student is required to start attending the course in August or where the course is less than an academic year's duration, the reduction week, the first day of which coincides with, or immediately follows, the first day of the course, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;
- (b) in respect of an academic year of a course which starts other than on 1st September, a loan which is payable in respect of that academic year is to be apportioned equally between the weeks in the period—
 - (i) beginning with the reduction week, the first day of which coincides with or immediately follows, the first day of that academic year, and
 - (ii) ending with the reduction week, the last day of which coincides with or immediately precedes, the last day of that academic year, but excluding any reduction weeks falling entirely within the quarter during which, in the opinion of the authority, the longest of any vacation is taken and for the purposes of this paragraph, "quarter" has the same meaning as for the purposes of the Education (Student Support) Regulations 2005;

- (c) in respect of the final academic year of a course (not being a course of a single year's duration), a loan which is payable in respect of that final academic year is to be apportioned equally between the weeks in the period beginning with—
 - (i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of that academic year;
 - (ii) where the final academic year starts on 1st September, the reduction week, the first day of which coincides with, or immediately follows, the earlier of 1st September or the first day of the autumn term, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;
- (d) in any other case, the loan is to be apportioned equally between the weeks in the period beginning with the earlier of—
 - (i) the first day of the first reduction week in September; or
 - (ii) the reduction week, the first day of which coincides with, or immediately follows the first day of the autumn term, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of June, and, in all cases, from the weekly amount so apportioned £10 is to be disregarded.
- (3) A student is to be treated as possessing a student loan in respect of an academic year where—
 - (a) a student loan has been made to him in respect of that year; or
 - (b) he could acquire such a loan in respect of that year by taking reasonable steps to do so.
- (4) Where a student is treated as possessing a student loan under sub-paragraph (3), the amount of the student loan to be taken into account as income must be, subject to sub-paragraph (5)—
 - (a) in the case of a student to whom a student loan is made in respect of an academic year, a sum equal to—
 - (i) the maximum student loan he is able to acquire in respect of that year by taking reasonable steps to do so; and
 - (ii) any contribution whether or not it has been paid to him;
 - (b) in the case of a student to whom a student loan is not made in respect of an academic year, the maximum student loan that would be made to the student if—
 - (i) he took all reasonable steps to obtain the maximum student loan he is able to acquire in respect of that year; and
 - (ii) no deduction in that loan was made by virtue of the application of a means test.
- (5) There must be deducted from the amount of income taken into account under sub-paragraph (4)—
 - (a) the sum of £303 per academic year in respect of travel costs; and
 - (b) the sum of £390 per academic year towards the cost of books and equipment, whether or not any such costs are incurred.
- (6) A loan for fees, known as a fee loan or a fee contribution loan, made pursuant to regulations made under Article 3 of the Education (Student Support) (Northern Ireland) Order 1998, section 22 of the Teaching and Higher Education Act 1998 or section 73(f) of the Education (Scotland) Act 1980, shall be disregarded as income.

- 82.—(1) This paragraph applies to payments from access funds that are not payments to which paragraph 85(2) or (3) (income treated as capital) applies.
- (2) A payment from access funds, other than a payment to which sub-paragraph (3) applies, must be disregarded as income.
 - (3) Subject to sub-paragraph (4) of this paragraph and paragraph 40 of Schedule 8 (disregards in the calculation of income other than earnings: persons who are not pensioners)—
 - (a) any payments from access funds which are intended and used for an item of food, ordinary clothing or footwear, household fuel, or rent of a single applicant or, as the case may be, of the applicant or any other member of his family, and
 - (b) any payments from access funds which are used for any council tax or water charges for which that applicant or member is liable, must be disregarded as income to the extent of £20 per week.
 - (4) Where a payment from access funds is made—

- (a) on or after 1st September or the first day of the course, whichever first occurs, but before receipt of any student loan in respect of that year and that payment is intended for the purpose of bridging the period until receipt of the student loan; or
 - (b) before the first day of the course to a person in anticipation of that person becoming a student,
- that payment must be disregarded as income.

Disregard of contribution

83. Where the applicant or his partner is a student and, for the purposes of assessing a contribution to the student's grant or student loan, the other partner's income has been taken into account, an amount equal to that contribution must be disregarded for the purposes of assessing that other partner's income.

Further disregard of student's income

84. Where any part of a student's income has already been taken into account for the purposes of assessing his entitlement to a grant or student loan, the amount taken into account must be disregarded in assessing that student's income.

Income treated as capital

- 85.—(1) Any amount by way of a refund of tax deducted from a student's covenant income must be treated as capital.
- (2) An amount paid from access funds as a single lump sum must be treated as capital.
- (3) An amount paid from access funds as a single lump sum which is intended and used for an item other than food, ordinary clothing or footwear, household fuel or rent, or which is used for an item other than any council tax or water charges for which that applicant or member is liable, must be disregarded as capital but only for a period of 52 weeks from the date of the payment.

Disregard of changes occurring during summer vacation

86. In calculating a student's income the authority must disregard any change in the standard maintenance grant, occurring in the recognised summer vacation appropriate to the student's course, if that vacation does not form part of his period of study from the date on which the change occurred to the end of that vacation.

PART 13 When entitlement begins and change of circumstances

Date on which entitlement begins

106.—(1) Subject to sub-paragraph (2), any person by whom or in respect of whom an application for a reduction under this scheme is made and who is otherwise entitled to that reduction is so entitled from the reduction week following the date on which that application is made or is treated as made.

(2) Where a person is otherwise entitled to a reduction under this scheme and becomes liable for the first time for the authority's council tax in respect of a dwelling of which he is a resident in the reduction week in which his application is made or is treated as made, he is so entitled from that reduction week.

Date on which change of circumstances is to take effect

107.—(1) Except in cases where paragraph 60 (disregard of changes in tax, contributions, etc.) applies and subject to the following provisions of this paragraph and (in the case of applicants who are pensioners) paragraph 108 (change of circumstance where state pension credit in payment), a change of circumstances which affects entitlement to, or the amount of, a reduction under this scheme (“change of circumstances”), takes effect from the first day of the reduction week following the date on which the change actually occurs.

(2) Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs is the day immediately following the last day of entitlement to that benefit.

(3) Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.

(4) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under section 11 or 11A of that Act (discounts), it takes effect from the day on which the change in amount has effect.

(5) Where the change of circumstances is the applicant's acquisition of a partner, the change takes effect on the day on which the acquisition takes place.

(6) Where the change of circumstances is the death of an applicant's partner or their separation, it takes effect on the day the death or separation occurs.

(7) If two or more changes of circumstances occurring in the same reduction week would, but for this paragraph, take effect in different reduction weeks in accordance with sub-paragraphs (1) to (6) they take effect from the day to which the appropriate sub-paragraph from (3) to (6) above refers, or, where more than one day is concerned, from the earlier day.

(8) Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances takes effect from the first day on which such income, had it been paid

in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

- (9) Without prejudice to sub-paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.
- (10) Sub-paragraph (11) applies if—
- (a) the applicant or his partner has attained the age of 65; and
 - (b) either—
 - (i) a non-dependent took up residence in the applicant's dwelling; or
 - (ii) there has been a change of circumstances in respect of a non-dependent so that the amount of the deduction which falls to be made under paragraph 30 increased.
- (11) Where this sub-paragraph applies, the change of circumstances referred to in sub-paragraph (10)(b) takes effect from the effective date.
- (12) In sub-paragraph (11), but subject to sub-paragraph (13), "the effective date" means—
- (a) where more than one change of a kind referred to in sub-paragraph (10)(b) relating to the same non-dependent has occurred since—
 - (i) the date on which the applicant's entitlement to a reduction under this scheme first began; or
 - (ii) the date which was the last effective date in respect of such a change, whichever is the later, the date which falls 26 weeks after the date on which the first such change occurred;
 - (b) where paragraph (a) does not apply, the date which falls 26 weeks after the date on which the change referred to in sub-paragraph (10)(b) occurred.
- (13) If in any particular case the date determined under sub-paragraph (12) is not the first day of a reduction week, the effective date in that case is to be the first day of the next reduction week to commence after the date determined under that sub-paragraph.

Change of circumstances where state pension credit in payment

- 108.—(1) Sub-paragraphs (2) and (3) apply where—
- (a) the applicant is in receipt of state pension credit;
 - (b) the amount of state pension credit awarded to him is changed in consequence of a change in the applicant's circumstances or the correction of an official error; and
 - (c) the change in the amount of state pension credit payable to the applicant results in a change in the amount of a reduction he receives under this scheme.
- (2) Where the change of circumstance is that an increase in the amount of state pension credit payable to the applicant results in—
- (a) an increase in the reduction he receives under this scheme, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the increased rate; or
 - (b) a decrease in the reduction he receives under this scheme, the change takes effect from the first day of the reduction week next following the date on which—
 - (i) the local authority receives notification from the Secretary of State of the increase in the amount of state pension credit; or
 - (ii) state pension credit is increased, whichever is the later.
- (3) Where the change of circumstance ("the relevant change") is that the applicant's state pension credit has been reduced and in consequence the reduction the applicant receives under this scheme reduces—
- (a) in a case where the applicant's state pension credit has been reduced because the applicant failed to notify the Secretary of State timeously of a change of circumstances, the relevant change takes effect from the first day of the reduction week from which state pension credit was reduced; or

- (b) in any other case the relevant change takes effect from the first day of the reduction week next following the date on which—
 - (i) the authority receives notification from the Secretary of State of the reduction in the amount of state pension credit; or
 - (ii) state pension credit is reduced,
 whichever is the later.
- (4) Where the change of circumstance is that state pension credit is reduced and in consequence of the change, the amount of a reduction he receives under this scheme is increased, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the reduced rate.
- (5) Where a change of circumstance occurs in that an award of state pension credit has been made to the applicant or his partner and this would result in a decrease in the amount of reduction he receives under this scheme, the change takes effect from the first day of the reduction week next following the date on which—
 - (a) the authority receives notification from the Secretary of State of the award of state pension credit; or
 - (b) entitlement to state pension credit begins,
 whichever is the later.
- (6) Where, in the case of an applicant who, or whose partner, is or has been awarded state pension credit comprising only the savings credit, there is—
 - (a) a change of circumstances of a kind described in any of sub-paragraphs (2) to (5) which results from a relevant calculation or estimate; and
 - (b) a change of circumstances which is a relevant determination,
 each of which results in a change in the amount of reduction the applicant receives under this scheme, the change of circumstances referred to in sub-paragraph (b) takes effect from the day specified in sub-paragraph (2), (3), (4) or (5) as the case may be, in relation to the change referred to in paragraph (a).
- (7) Where a change of circumstance occurs in that a guarantee credit has been awarded to the applicant or his partner and this would result in an increase in the amount of a reduction the applicant receives under this scheme, the change takes effect from the first day of the reduction week next following the date in respect of which the guarantee credit is first payable.
- (8) Where a change of circumstances would, but for this sub-paragraph, take effect under the preceding provisions of this paragraph within the 4 week period specified in paragraph 93 (continuing reductions where state pension credit claimed), that change takes effect on the first day of the first reduction week to commence after the expiry of the 4 week period.
- (9) In this paragraph—

“official error” means an error made by—

 - (ii) a person to whom paragraph 36(2)(e) (partner treated as member of the household under paragraph 8) refers,
 and whether such a person or, as the case may be, non-dependent stops living or begins or resumes living with the applicant.

 - (c) the authority determines that discharging his entitlement by reducing the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992 refers would be inappropriate,
- it may make a payment to him of the amount of reduction to which he is entitled, rounded where necessary to the nearest penny.

(2) Subject to sub-paragraph (3), any payment made under sub-paragraph (1) must be made to the person who is entitled to the reduction.

(3) Where a person other than the person who is entitled to the reduction under this scheme made the application for the reduction and that first person is a person acting pursuant to an appointment under paragraph 109(3) (persons appointed to act for a person unable to act) or is treated as having been so appointed by virtue of paragraph 109(5), the amount of the reduction may be paid to that person.

PART 17

119.—(1) Subject to paragraph 122 (payments on death), where a person is entitled to a reduction under this scheme in respect of his liability for the authority's council tax as it has effect in respect of the financial year, the authority must discharge his entitlement—

- (a) by reducing, so far as possible, the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992 refers; or
- (b) where—
 - (i) such a reduction is not possible; or
 - (ii) such a reduction would be insufficient to discharge the entitlement to a reduction under this scheme; or
 - (iii) the person entitled to the reduction is jointly and severally liable for the council tax and the authority determines that such a reduction would be inappropriate, by making payment to him of the amount of reduction to which he is entitled, rounded where necessary to the nearest penny.

(2) The authority must notify the person entitled to a reduction under this scheme of the amount of that reduction and how his entitlement is to be discharged in pursuance of sub-paragraph (1).

(3) In a case to which sub-paragraph (1)(b) refers—

- (a) if the amount of the council tax for which he remains liable in respect of the financial year, after any reduction to which sub-paragraph (1)(a) refers has been made, is insufficient to enable his entitlement to a reduction under this scheme in respect thereof to be discharged, upon the final instalment of that tax becoming due any outstanding reduction—
 - (i) must be paid to that person if he so requires; or
 - (ii) in any other case must (as the authority determines) either be repaid or credited against any subsequent liability of the person to make a payment in respect of the authority's council tax as it has effect for any subsequent year;

(b) if that person has ceased to be liable for the authority's council tax and has discharged the liability for that tax, the outstanding balance (if any) of the reduction under this scheme in respect thereof must be paid within 14 days or, if that is not reasonably practicable, as soon as practicable thereafter

(c) in any other case, the reduction under this scheme must be paid within 14 days of the receipt of the application at the offices of the authority or, if that is not reasonably practicable, as soon as practicable thereafter.

- (2) Where a person other than the person who is entitled to the reduction under this scheme made the application for the reduction and that first person is a person acting pursuant to an appointment under paragraph 107(3) (persons appointed to act for a person unable to act) or is treated as having been so appointed by virtue of paragraph 107(5), the amount of the reduction may be paid to that person.

Shortfall in reduction

121. Where, on the revision of a decision allowing a reduction under this scheme to a person, it is determined that the amount allowed was less than the amount to which that person was entitled, the authority must either—

- (a) make good any shortfall in reduction which is due to that person, by reducing so far as possible the next and any subsequent payments he is liable to make in respect of the council tax of the authority as it has effect for the financial year until that shortfall is made good; or
- (b) where this is not possible or the person concerned so requests, pay the amount of any shortfall in reduction due to that person within 14 days of the revision of the decision being made or if that is not reasonable practicable, as soon as possible afterwards.

Payment on the death of the person entitled

122. Where the person entitled to any reduction under this scheme has died and it is not possible to award the reduction which is due in the form of a reduction of the council tax for which he was liable, the authority must make payment of the amount of the reduction to his executor or administrator in accordance with regulation 58(4) of the Council Tax (Administration and Enforcement) Regulations 1992.

Agenda Item 6.2

London Borough of Hammersmith & Fulham

Report to: Full Council

Date: 18/01/2023

Subject: Council Tax Base and Collection Rate 2023/24 and Delegation of the Business Rate Estimate

Report of: Report of the Cabinet Member for Finance and Reform – Councillor Rowan Ree

Report author: Jamie Mullins, Head of Revenues

Responsible Director: Sukvinder Kalsi, Director of Finance

SUMMARY

This report is a statutory requirement that sets the council tax base for the purposes of the 2023/24 revenue budget.

The proposed 2023/24 council tax base is 83,936. This is an increase of 1,673 on the figure agreed for 2022/23 and will result in an increased income, based on the 2022/23 Band D council tax charge, of £1,391,869 for Hammersmith & Fulham.

The report also delegates authority to the Director of Finance to determine the business rates tax base for 2023/24.

RECOMMENDATIONS

1. That Full Council approves the following for the financial year 2023/24:
 - a. The estimated numbers of properties for each Valuation Band as set out in this report.
 - b. An estimated collection rate of 97.0%.
 - c. The Council Tax Base of 83,936 Band “D” equivalent properties.
 - d. The delegation of authority to the Director of Finance to determine the business rates tax base for 2023/24.

Wards Affected: All

Our Values	Summary of how this report aligns to the H&F Values
Building shared prosperity	Keeping the Council Tax low and providing council tax support help residents to maintain affordable living costs.
Creating a compassionate council	We continue to lead on Ethical Debt collection by working closely with vulnerable residents and not employing Enforcement Agents for the collection of council tax.
Being ruthlessly financially efficient	The recommendations in this statutory report will ensure that the Council continues to charge the premium on long term empty properties and not grant discounts or exemptions to second homes or unoccupied and unfurnished properties. These generate additional income and contributes to one of the lowest Council Tax rates in the country.
Taking pride in H&F	The Council's policy on not granting discounts or exemptions on empty or second properties encourages bringing these properties back in to use and creating safer and cleaner communities for residents and contributing to the prevention of homelessness.

Financial Impact

Council Tax Base

The Local Government Finance Act 1992 requires that the council set the tax base by 31 January each year. It is used within the overall council tax and budget setting process, due to be reported to Budget Council on 23 February 2023.

The proposed Council Tax Base for 2023/24 of 83,936 is 1,673 Band D equivalents, higher than the 82,263 agreed for 2022/23. The increase in the tax base will generate additional income, using 2022/23 council tax charges, of £1,391,869 for Hammersmith & Fulham and £661,822 for the Greater London Authority.

The main reasons for the tax base change are:

	Band D Equivalents
An increase in the tax-base due to new non-exempt properties	11
An allowance for new properties added in-year	275
A forecast reduction in the number of single persons discounts	143
Reduction in the number of local council tax support scheme discounts	682
Reduction in student and other discounts	233
Increase in the 2022/23 tax base	1,673

Local authority finances have faced unprecedented financial risk and uncertainty due to the impact of the Covid-19 pandemic. The 2022/23 tax base forecast, using trend data, modelled that the economic slowdown would increase the number of Band D equivalent discounts offered under the local council tax support scheme by 885. The actual increase has been 214 and this has enabled an improvement in the 2023/24 tax base of 682 Band D equivalents.

Due to concerns over the impact of Covid-19 the budgeted collection rate reduced from 97.5% in 2020/21 to 97% in 2021/22. A 97% collection rate will continue to be modelled for 2023/24.

Prior Year Collection Fund Adjustments

The Local Government and Finance Act 1988 requires that all council tax and non-domestic rates income is paid into a Collection Fund, along with payments out regarding the Greater London Authority precept, the business rates retention scheme and a contribution towards the Council's own General Fund. Subsequent budget adjustments are made should the actual sum paid into the Collection Fund be more, or less, than the originally approved tax base.

For 2022/23 the net impact of expected prior year adjustments is an estimated nil impact. This will continue to be reviewed and will be finalised as part of the 2023/24 Revenue Budget and Council Tax Setting Report considered by Budget Council.

Legal Implications

The Council has a statutory duty to set the Council Tax each year and this report is part of this process.

The relevant regulations and legislation together with the legal basis for agreeing the recommendations relating to the council tax base are found under section 31B of the Local Government Finance Act 1992 which imposes a duty on a billing authority to calculate its council tax by applying a formula laid down in that section. This relies on calculating a figure for the council tax base for the year. The Local Authority (Calculation of Council Tax Base) (England) Regulations 2012 require a billing

authority to use a given formula to calculate the council tax base. The Council Tax (Prescribed Classes of Dwellings) (England) Regulations 2003, as amended in 2012 and Council Tax (Exempt Dwellings) (England) (Amendment) Order 2012 address the position of second and unoccupied homes.

DETAILED ANALYSIS

Discounts

Second Homes

1. There are 2,688 second homes in the borough. The Council does not offer a discount on second homes which adds 3,130 Band "D" equivalents to the 2023/24 tax base.
2. Based upon 2022/23 council tax levels, this generates income to the Council of £2.44m. This income is allowed for within the Council's medium-term financial strategy. Our preceptor, the Greater London Authority (GLA), also benefits from the reduction in the discount and the increase in income to the Council.
3. There are 749 empty (unoccupied and unfurnished) properties in the borough. The Council does not offer a discount for empty properties which adds an additional 865 Band "D" equivalents to the 2023/24 tax base. Based upon 2022/23 council tax levels, this generates income to the Council of £673,316. This income also directly benefits the GLA.

Council Tax Support

4. Under council tax support, Hammersmith & Fulham and the GLA absorb the full cost of the scheme. This mirrors the previous council tax benefit arrangements. For 2023/24, the Council has provided council tax support discounts that equate to 10,143 Band 'D' equivalents. Based on 2022/23 Council Tax levels, this represents financial support of £11.91m (including the GLA precept).
5. The tax base regulations require the cost of the scheme to be treated as a discount and deducted from the Council's tax base calculation.

Valuation Band Properties

6. The latest information on the number of properties within each valuation band is contained within a return (CTB1), which the Council provided to the DLUHC on 17 October 2022. This return reflected the actual number of properties shown in the Valuation List as of 12 September 2022, and the Council's records as of 3 October 2022.
7. A detailed analysis of the properties in each valuation band is summarised below. There are 93,165 dwellings on the list with 29,505 properties estimated to receive a single person's discount. The total Band "D" equivalent is approximately 97136.9 properties.

Council Tax Base Return Summary (CTB1)

Adjustments to the Valuation List

8. The above table shows the valuation band position on 12 September 2022, but the Council is also required to consider any likely changes that may arise for the financial year 2023/24. Therefore, the following adjustments need to be considered:

New Properties

9. There are likely to be a number of new properties, conversions etc added to the valuation list at some point during the year. There are approximately 304 units currently under construction on various sites in the borough that will be added to the tax base sometime during 2023/24. It is estimated after allowing for different completion dates that this will equate to an additional 420 Band 'D' equivalents.

Single Person Discounts (SPD)

10. Not applicable as no SPD review done this year.

Student Exemptions

11. Dwellings wholly occupied by students are exempt from council tax. The projected council tax base needs to be adjusted to allow for students that have yet to prove their exemption for the new academic year. It is estimated that an adjustment of 817 Band D equivalents is required.

Council Tax Support

12. The cost of the scheme equates to 10,143 Band "D" equivalents, based on 2022/23 council tax levels, which are deducted from the tax base for 2023/24. This is less than the deduction of 10,825 Band D equivalents made in 2022/23. This is due to a decrease in the number of claimants applying for a discount since the Covid-19 pandemic.

Care Leavers

13. For 2022/23, the Council has provided discounts for care leavers up to the age of 25. This equates to 65 Band D equivalents based on 2022/23 council tax levels. The cost of this discount is fully funded by the Council and needs to be deducted from the council's tax base calculation.
14. The Council is required to set its tax base on the total of the relevant amounts for the year for each of the valuation bands shown or is likely to be shown for any day in the year in the authority's valuation list.
15. Based on the CTB1 return to the DLUHC, and the proposed adjustments, the Council is requested to approve the estimated numbers of properties for each valuation band as set out in the following table:

2023/24 Council Tax Base Calculation

Band	Band "D" Equivalent Actual September	Adjustments for New Properties	Adjustments for Student Exemptions	SPD	Adjustments for Council Tax Support Scheme	Care Leaver	Revised Band "D" Equivalents
A	2042.7	0	-13	0	-707	-5	1317.7

D	23067.8	45	-177	0	-3103	-11	19821.8
E	18820.4	94	-214	0	-1577	-5	17118.4
F	14376.6	166	-173	0	-574	0	13795.6
G	18342.9	93	-58	0	-307	0	18070.9
H	5572.5	22	-22	0	-9	0	5563.5
Total	97136.9	420	-817	0	-10143	-65	86532

Collection Rate

16. The Council is also required to estimate its collection rate for 2023/24 at the same time as arriving at the estimated number of properties within the tax base. In arriving at a percentage collection rate for 2023/24, the Council considers the likely sum to be collected, previous collection experience and any other relevant factors.
17. The actual sum to be collected from local council taxpayers cannot be finally determined until the preceptor's requirements are known and the Council has approved its budget. The Council therefore must make an estimate of the sums to be collected locally making estimated allowance for sums from council tax support and write-offs/non-collection.
18. The actual collection rate for 2022/23 achieved to the end of October 2021 is 58.46%, comprising cash collection of £62.3m and Council Tax Support of £12.4m. It is estimated that a further £40.4m (38.04%) will need to be collected by 31 March 2023 and £0.50m (0.5%) thereafter.
19. Collection performance has been calculated in order to comply with DLUHC performance indicator calculations. Latest calculations for 2022/23 show that the current collection rate is below the same level as 2021/22. However, full recovery action will be reinstated in time for 2023/24 and it is therefore suggested that the collection rate for 2022/23 is set at 97%.

The Tax Base

20. Under Section 31(B) of the Local Government Finance Act 1992 and the Regulations, the Council's tax base is calculated by multiplying the estimated number of Band "D" equivalents by the estimated collection rate.
21. Based on the number of Band "D" equivalents in the table in paragraph 9. Above and the estimated collection rate in paragraph 19 above, the calculation is as follows:

$$(\text{Band D equivalents}) \times (\text{Collection Rate}) = (\text{Tax Base})$$

$$86,532 \times 97.0\% = 83,936$$

Business Rates Tax base

22. The Local Government Finance Act 2012 made it obligatory for authorities to formally calculate the estimated level of business rates (the business rates tax base) it anticipates collecting for the forthcoming financial year and passing this information to precepting authorities by 31 January. The Government continues to set the tax rate (known as the non-domestic multiplier).

23. The tax base is based on data from the Valuation Office with local allowance for the appropriate level of business rates appeals, the provision for bad debts, any discretionary reliefs and any forecast growth. This information is pulled together into a government return (NNDR1). The detailed guidance on completing the NNDR1 will be issued just before Christmas.
24. The recent Government Announcement in the Autumn Statement confirmed that a Revaluation will come into effect from the 1st April 2023. The Multiplier will also be frozen at the same level and transitional relief will be removed for properties which have a reduction in Rateable Value so that businesses will benefit from the reduction immediately.
25. Support for eligible retail, hospitality and leisure Businesses is also being extended and increased from 50% to 75% relief up to £110,000 in 2023-24.
26. The initial Draft Rating List shows a potential reduction in the overall Rateable Value of £4.5m with effect from the 1/4/2023.

Reasons For Decisions

27. Under Section 11A of the Local Government Finance Act 1992, Council Tax (Exempt Dwellings) (England) (Amendment) Order 2012 and Council Tax (Prescribed Classes of Dwellings) (England) (Amendment) Regulations 2012 the Council reduced discounts for both Second Homes and Unoccupied and Unfurnished dwellings to 0% with effect from 2013/14, this remains in place.
28. Under Section 11B of the Local Government Finance Act 2012 the Council introduced the Council Tax Empty Homes Premium with effect from 1 April 2014, this remains in place. This increased the charge on dwellings that have been unoccupied and substantially unfurnished by an additional 50% of the council tax that would be payable if the dwelling were occupied by two adults and no discounts were applicable. The premium increased to 100% from 01/04/2019 and from the 01/04/2020, the premium increased to 200% for dwellings which have remained unoccupied and substantially unfurnished for over five years.

Equality Implications

29. There are no anticipated negative implications for groups with protected characteristics, under the Equality Act 2010, by the approval of these proposals.

Risk Management Implications

30. The report considers the implications required by the Council to meet its obligations under the Local Government Finance Act 2012 which made it obligatory for authorities to formally calculate the estimated level of business rates (the business rates tax base) it anticipates collecting for the forthcoming financial year and passing this information to precepting authorities by 31

January. The Council is also required to estimate its Collection Rate for 2023/24 at the same time as arriving at the estimated number of properties within the Tax Base. The Council is required Under Section 33(1) of the Local Government Finance Act 1992 and The Local Authorities (Calculations of Council Tax Base) (England) Regulations 2012, the Council (as billing authority) to calculate its Council Tax Base. The proposals are compliant with statutory duties and are provided in accordance with management of standing risk to manage the Council's finances.

SPECIAL MOTION NO. 1 – TACKLING VIOLENT CRIME

Standing in the names of:

- (i) Councillor Andrew Dinsmore
- (ii) Councillor Adrian Pascu-Tulbure

This Council recognises the significant harm caused by violent crime across the London Borough of Hammersmith and Fulham.

Whilst this Council champions the excellent work of the Law Enforcement Teams, it recognises that they do not have the necessary powers of arrest and are not properly equipped nor trained to deal with violent crime.

Further, whilst the Council thanks the Gangs Unit, it accepts that more must be done to tackle gangs and violent crime.

This Council therefore calls upon the Administration to review its current policy of funding substantial numbers of Law Enforcement Officers at the expense of additional Police Officers who have the powers, training and equipment to tackle the violent crime that is now widespread in the Borough.

Agenda Item 7.2

SPECIAL MOTION NO. 2 – THE HOUSING DEPARTMENT

Standing in the names of:

- (i) Councillor Adronie Alford
- (ii) Councillor Aliya Afzal-Khan

The Council calls upon the Administration to urgently deal with the problems in the Housing Department and thereby improve the lives of tenants and leaseholders in the Borough.

SPECIAL MOTION NO. 3 – LIZ TRUSS

Standing in the names of:

- (i) Councillor Nicole Trehy
- (ii) Councillor Genevieve Nwaogbe

The Council notes that the Resolution Foundation has calculated that the Truss Conservative government was responsible for causing at least £30bn of the fiscal hole now in the UK's finances.

The Council calls on all the Conservative members who voted to make Liz Truss the Conservative Party leader and UK Prime Minister, and the Conservative MPs who served in her administration as ministers, to apologise for damaging Britain and wreaking havoc on Hammersmith & Fulham's residents and businesses.

Agenda Item 7.4

SPECIAL MOTION NO. 4 – THE CRISIS IN THE NHS AND THE IMPORTANCE OF HAVING SAVED CHARING CROSS HOSPITAL

Standing in the names of:

- (i) Councillor Ben Coleman
- (ii) Councillor Patricia Quigley

This Council:

Deplores the crisis in the NHS.

Notes that the underlying causes of the crisis are not new and are the result of political choices made in the name of the Conservative government's ideologically-driven austerity programme.

Notes that by 2010, the Labour government had reduced NHS waiting lists to 2.5m but that waiting lists rose to 4.4m over the next 10 years under the Conservative government, which included Greg Hands as Chief Secretary to Treasury.

Notes that since 2010, the government's limited increases in funding for the NHS have failed to keep pace with the growth in demand from a rapidly ageing and ailing population.

Notes that the UK now has a lower overall health spend than comparable countries and that a lack of investment in recruitment, training and buildings has resulted in fewer doctors, nurses, beds and intensive care places per head of population than in comparable countries – for example, the UK has just a third of hospital beds by population of Germany.

Regrets that this meant the NHS entered Covid in a weaker state than comparable countries, with an existing shortage of beds and equipment and a 4.4m waiting list.

Notes that, as a Financial Times analyst put it on 23 December 2022, "The effects of the Conservative austerity programme during the Cameron-Osborne years have been steadily accumulating over the past decade, but this winter that trickle has become a torrent."

Recalls the findings of the 2010 Marmot Review that the lower people's social and economic status, the poorer their health, and that health is affected by "social determinants" such as housing, income, education, social isolation and disability.

Notes that the Conservative government, aided and abetted by Greg Hands while Chief Secretary to the Treasury, reduced benefits, introduced the bedroom tax, cut rent subsidy (increasing overcrowding and making families take children out of school and move away), cut councils' funding, neglected social care, reduced the funding available for social housing and instigated a myriad of other damaging measures which made people poorer and less healthy.

Notes that real wages have now fallen to less than where they were 18 years ago, and that life expectancy is lower than in most other developed countries and avoidable mortality higher than in these.

Notes the essential role played by Charing Cross Hospital during the Covid crisis and the huge challenges facing the hospital now, and thanks its dedicated doctors, nurses and support staff for their ongoing care for H&F residents.

Notes that Charing Cross Hospital would not be able to play its essential role if the destructive plans signed off by the Conservative Health Secretary and supported by Conservative politicians in Hammersmith, Fulham and Chelsea had been realised to:

- Demolish the hospital and sell off most of the site
- Replace the hospital with a series of clinics on a site no more than 13% the size
- Re-brand these clinics as a "local hospital"
- Replace the A&E with an urgent care clinic
- Lose more than 300, and possibly all, acute care beds.

Welcomes the success of the campaign by H&F Labour Council and residents to save Charing Cross Hospital.

Highlights the Council's excellent record of timely discharge of patients from hospitals across North West London with suitable care in place.

Highlights the crucial role played by the Council's "reablement" service in helping people who leave hospital to regain their independence, making future hospital care less likely.

Congratulates the reablement service for achieving the very highest Care Quality Commission rating of Outstanding in three inspections in a row, and notes the extra difficulty of achieving such a rating in such tough times, when the demand for NHS and social care is at its highest.

Urges the government to apologise for the crisis into which it has driven the NHS and to call a general election so that the country can vote for a change of government.

Agenda Item 7.5

SPECIAL MOTION NO. 5 – THE CONSERVATIVE GOVERNMENT’S FAILING JUSTICE SYSTEM

Standing in the names of:

- (i) Councillor Rebecca Harvey
- (ii) Councillor Lisa Homan

The Council is deeply concerned that crime is rising nationally.

- Police-recorded violence is up 13% from nearly 1.8 million cases to more than 2 million in 2021.
- Increases have been seen across most crime types, with levels of some, such as sexual offences, now exceeding pre-pandemic levels.
- Sexual offences have increased by 32% compared with the previous year.
- A similar pattern exists for most violent crime types, such as homicide, which up by 25% following a 20% fall the previous year.
- 37% of sexual offences recorded are rape and more rape is being reported, yet according to the Victims Commissioner for England and Wales the number of prosecutions has fallen nearly 60%.

The Council is concerned that there are insufficient police due to the government’s ideological programme of austerity.

The Council notes that there is a disastrous court backlog of cases waiting to be heard, with closures of courts and underfunding of the criminal justice system, court buildings in disrepair and court estates being sold off when there is clearly a need for them. Criminal trials are being delayed due to lack of barristers to prosecute and defend the cases.

The Council supports the proactive measures that Hammersmith & Fulham’s Labour administration has taken to mitigate the damaging performance of the Conservative government on crime and make our streets safer. These include:

- Investing £5.5 million on CCTV to improve and grow the borough’s 24/7 network of CCTV cameras over the next five years
- Creating the country’s largest council Law Enforcement Team, with 72 LET officers who are working to make our streets safer

- Investing in a specialised Gangs Unit dedicated to safeguarding children and young people
- Engaging dedicated officers to support women and girls.

The Council recognises the dedication and the effectiveness of its Community Safety and Law Enforcement Teams in working to make residents safer.

The Council calls on the Conservative government to fund the police and criminal justice system properly so that residents and those that come to work in and visit Hammersmith and Fulham feel safe and protected.

Agenda Item 7.6

SPECIAL MOTION NO. 6 – RISK TO VOTING RIGHTS FROM CONSERVATIVE PHOTO IDENTIFICATION REQUIREMENT

Standing in the names of:

- (i) Councillor Bora Kwon
- (ii) Councillor Patrick Walsh

The Council regrets the Conservative government's hurried plans to introduce photo identification for voters in national and local elections from May 2023 this year.

In a country where there is no existing form of compulsory identity documentation, imposing such a demand will be a barrier to participation in democracy for those who are not in possession of a passport or driving licence, both of which cost money to apply for and obtain. The move in particular imposes restrictions on, and disenfranchises, younger voters, who are less likely to have a qualifying photo ID.

Given the delays and long wait times to obtain passports due to shocking delays at the Home Office, the Council also has serious concerns about the Home Office's ability to put in place and run an alternative photo ID scheme. The shameful experiences of the Windrush generation show what can happen when we take for granted the ability of the Home Office to maintain accurate records on identity of this country's citizens.

The proposed requirement for photo ID will impose demands on council officers and public officials who run elections and may lead to valid voters across the country being turned away from the polling stations and denied their right to vote.

The extra burden on officers presiding over elections will also push up costs at a time when local government budgets are under unprecedented pressure.

The Council notes that elections in this country are very well run, with extremely low levels of voter fraud, and that public confidence in the process is high. The borough of Hammersmith and Fulham has an extremely efficient, well-regarded elections team.

Should the scheme come in, the Council commits to taking every step to ensure that all Hammersmith & Fulham residents entitled to vote are able to in future local and national elections.

Rather than putting up barriers to democracy, the government should be encouraging participation in the democratic process. The Council therefore calls on the government to scrap its proposed voter identification scheme.

SPECIAL MOTION NO. 7 – HAMMERSMITH & FULHAM PENSION FUND

Standing in the names of:

- (i) Councillor Ross Melton
- (ii) Councillor Rowan Ree

The Council welcomes the shortlisting the of the Hammersmith & Fulham Pension Fund as one of the four top performing funds valued under £2.5 billion in the country in the 2022 Local Authority Pension Fund (LAPF) Investment Awards.

The Council:

Praises the skill, dedication and strong performance of the Council's pensions officials and independent advisors in successfully maintaining the value of the H&F Pension Fund during a period of extreme economic volatility.

Congratulates the H&F Pension Fund's pioneering divestment programme for developing an innovative, world-first Environmental, Social and Governance dashboard which enables all fund members to see in detail how their pension contributions are part of a robust response to global climate change.

Highlights the value of responsible local government fiscal management and robust, transparent governance in giving confidence to members to the H&F Pension Fund.
