## 1. THE APPLICATION

On 27 January 2022, Mr Michael Nickson (“the agent”) submitted an application on behalf of Cloud Retail Ltd (“the applicant”) for a Premises Licence to be granted in respect of the premises trading as Jiffy Grocery and located at Unit E, 1st Floor, West 12 Shopping Centre, Shepherd's Bush Green, London, W12 8PP.

### 1.1 Application Requested

The applicant has applied for a new premises licence for the sale of alcohol off the premises only as outlined below:

#### **Sale of alcohol – Off the Premises Only**

Monday to Sunday 07:00 - 00:00

#### **Hours open to public:**

Monday to Sunday 10:00 - 18:00

A copy of the application form and plans can be seen on pages 8-27 of this report.

### 1.2 Applicants Operating Schedule

The applicant has proposed a number of steps to promote the four licensing objectives if the application is granted. A copy of these steps can be seen on pages 18-19 of this report.

## 2. BACKGROUND

Based on the application form ‘Jiffy Grocery’ occupies the 1st floor Unit E in the W12 Shopping Centre at Shepherds Bush. The applicant states that the business is an online grocer providing home delivery of a range of ambient, chilled and frozen products, as well as alcohol, and responding to internet orders, serving customers locally. Additionally, there will be an opportunity for customers to click and collect groceries from this location, but not alcohol.

The main access to the premise’s unit will be located on Shepherd's Bush Green. There is a mixture of both residential and commercial premises within the selected 75m buffer zone. A map showing the location of the premises and neighbouring licensed premises can be seen on pages 28-32 of this report.

There are several options for transport away from the area including buses and taxis which run from in and around the Shepherd's Bush Green area. Shepherd's Bush tube station and Shepherd’s Bush Overground station are a 2-minute walk away and Goldhawk Road tube station is a 7-minute walk away.

## 3. CONSULTATION

A public notice was displayed at the premises for 28 days. The application was advertised in a local circular and all statutory consultees were notified as required by

the Regulations. The Council has served written notice of hearing upon the applicant and all those parties that have made representations in respect of the application.

### **3.1. Relevant Representations**

The licensing section received one representation from a local resident objecting to the licence application. A copy of this representation can be seen on page 33 of this report.

## **4. OTHER INFORMATION**

### **4.1 Enforcement History**

There have not been any warnings, simple cautions or prosecutions given in respect of the premises during the past three years.

### **4.2 Temporary Event Notices (“TENs”)**

No TENs have been submitted in respect of this premises in the past twelve months.

## **5. POLICY CONSIDERATIONS**

**5.1** Section 5.1 page 12 of the Statement of Licensing Policy (“SLP”) states that where there is a relevant representation, the Licensing Authority will consider each particular case on its merits having regard in particular to the following matters:

- Whether the licensed activities are likely to have an adverse impact especially on local residents and, if there is potential to have an adverse impact, what, if any, appropriate measures will be put in place to prevent it;
- Whether there will be a substantial increase in the cumulative adverse impact from these or similar activities, on an adjacent residential area;
- Whether there is a suitable level of public transport accessibility to and from the premises at the appropriate times;
- Whether the activity will be likely to lead to a harmful and unmanageable increase in car parking demand in surrounding residential streets suffering high levels of parking stress or on roads forming part of the Strategic London Road Network or the London Bus Priority Network leading to a negative impact on the Licensing Objectives relating to the prevention of crime, disorder and nuisance; and
- Whether there have been any representations made by Responsible Authorities, or other relevant agency or representative.

**5.2** Section 5.4 page 13 of the SPL states that the Licensing Authority advises applicants that it would be beneficial if a lawful planning use can be demonstrated for the activities proposed in all applications for premises licences.

**5.3** Section 5.5 page 13 of the SPL states that it will be the normal policy of the Licensing Authority to allow shops, stores and supermarkets to provide sales of alcohol for consumption off the premises at any times (in line with permitted planning hours) when the retail outlet is open for shopping unless there are good reasons

based on the Licensing Objectives for restricting those hours. Should there be evidence regarding street drinking issues, child protection issues, issues in relation to public nuisance and disorder in the vicinity of this type of premises, the Licensing Authority may restrict the hours of the sale of alcohol.

**5.4** Section 6.1 page 13 of the SPL states that in determining an application where there has been a relevant representation the Licensing Authority will, where appropriate, take into account the cumulative (collective) effect of the number, type and density of licensed premises already existing in the area. A saturation of licensed premises can attract customers to an area to such a degree that it has an adverse impact on the surrounding area beyond the control of individual licence holders.

**5.5** Section 8.1 page 15 of the SLP states that the Licensing Authority will require applicants to detail in their operating schedule the steps proposed to ensure the deterrence and prevention of crime and disorder on, and in the vicinity of, the premises, having regard to their location, character, condition, the nature and extent of the proposed use and the persons likely to use the premises.

**5.6** Section 8.8 page 16 of the SLP states that off Licences, shops, supermarkets and stores selling alcohol for consumption off the premises potentially have a high risk of crime and disorder as well as being targeted as easy premises from where to acquire alcohol. Such premises can contribute to anti-social behaviour and disorder through the consumption of alcohol on the street and in open spaces by groups of drinkers, through the sale of alcohol to children, and through the sale of alcohol to street drinkers and persons who are already drunk.

**5.7** Section 8.9 page 16 of the SLP states that the Licensing Authority expects operators of off licences to show particular diligence in areas where these problems are prevalent, and to strictly monitor the way they sell alcohol where the premises are located close to schools and hostels and similar premises that provide shelter or services to alcohol dependent persons.

**5.8** Section 8.10 page 16 of the SLP states that it is important that staff working at off licences are suitably trained and receive appropriate refresher training in their responsibilities under the Act and can discharge their duties in full compliance with the licence conditions and requirements of the Act. This includes the ability to competently check a customer's age with acceptable forms of identification where necessary. The Licensing Authority will particularly consider the following matters where they are material to the individual application:

- The likelihood of any violence, public order or policing problem if the licence is granted;
- The measures taken to control admission to the premises, and to take reasonable steps to prevent the occurrence of crime and disorder and public nuisance immediately outside the premises, where and to the extent that these matters are within their control.
- Past conduct and prior history of complaints against the premises;
- Whether a dispersal policy has been prepared to minimise the potential for disorder as customers leave the premises; and
- Any relevant representations.

## **6. DETERMINATION**

**6.1** In determining this application, the Committee must have regard to the representations and take such of the following steps as it considers necessary for the promotion of the licensing objectives. The steps are:

- (a) Grant the application in full
- (b) Grant the application in part – modifying the proposed hours, activities or conditions.
- (c) Reject the application.

It is the Council's duty under the Licensing Act 2003 ("The Act") to determine applications with a view to promoting the four licensing objectives; Prevention of Crime and Disorder, Public Safety, Prevention of Public Nuisance and the Protection of Children from Harm.

In reaching a decision the Council shall consider the details of any relevant representations received; the applicant's Operating Schedule; the Council's adopted Statement of Licensing Policy and the guidance issued by the Secretary of State under section 182 of the Act.

If the Committee is minded to grant the application, conditions may be attached to the licence to alleviate the concerns raised through any representation(s).

**LICENSING OBJECTIVES**

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

**Continued from previous page...**

List here steps you will take to promote all four licensing objectives together.

The premises licence holder is aware of the cumulative impact concerns of nearby Shepherds Bush, will constantly assess the impact of the business upon the Licensing Objectives and shall ensure:

- A written notice of 'authority' record is maintained for staff who sell alcohol
- Comprehensive training for staff in the main requirements of the Licensing Act 2003, the specific measures and conditions in place to promote the Licensing Objectives and the staff roles and responsibilities. Such records shall be available for inspection by the responsible authorities.
- Contact details of the Designated Premises Supervisor shall be available to staff and to the authorities
- Deliveries shall only be made to postal addresses (not to open spaces)
- A clear document trail shall be maintained of the order process from order, despatch from the licensed premises and delivery to the customer and available for inspection by an authorised officer
- Strict terms and conditions emphasising the right to and the duty to refuse alcohol sales or supplies where there are concerns over age, drunkenness or the vulnerability of customers, which shall be included in promotional material, on the website and through staff training.
- A written or digital record of refusals (to leave alcohol at given address) shall be kept on the delivery vehicle and maintained, recording the address, date, time and reason for the refusal.
- Delivery staff shall not be given any incentive to sell or deliver alcohol
- Alcohol may not be sold from the delivery vehicle
- The delivery person may only carry alcohol that has been pre-ordered
- When the delivery person is employed directly by the Premises Licence Holder, a register of staff details must be kept on the premises and must be made available for inspection by Local Authority officers and the Police.
- Alcohol will only be delivered to the person who placed the order and whose name appears on the debit or credit card used for the transaction.
- Records of all alcohol sales including the customer's name and delivery address must be retained for 12 months and made available for inspection by Local Authority officers and the Police.
- Customers may attend the premises between the hours of 1000-1800hrs for the purpose of click and collect of groceries, but not to purchase or collect alcohol.

**b) The prevention of crime and disorder**

- The premises licence holder shall install and maintain a comprehensive closed-circuit television (CCTV) system that will record all public entry and exit points to the premises; the recordings will enable frontal identification of every customer entering the premise in all lighting conditions.
- The premises licence holder will ensure that the closed-circuit television (CCTV) system shall continually record whilst the premises are open for licensable activities and at all times whilst customers are present on the premises.
- All recordings from the closed-circuit television (CCTV) system shall be stored for a minimum period of twenty-eight (28) days and will be date and time stamped.
- The premises licence holder shall ensure that closed-circuit television (CCTV) system recordings will be made available upon request of a police or other authorised officer throughout the retention period specified in the premises licence.
- The premises licence holder will ensure that staff employed at the premises are conversant with the operation of the closed-circuit television (CCTV) system whilst the premises are open to the public. Staff should be able to operate the system fully and be able to show footage as captured to both the police and other authorised officers on request
- Staffing levels shall be maintained appropriately to ensure adequate security of the premises.
- Staff shall be trained on all security issues including how to identify and to refuse service to customers that are drunk or appear to be drunk.
- The business shall be a responsible alcohol retailer and will always refuse to supply alcohol where there is a likelihood that such a sale might contribute to crime and disorder.
- There shall be no cash handling by delivery staff.
- There shall be no cash handling by click and collect staff.
- The premises licence holder will ensure that an incident log shall be kept at the premises for a period no less than six (6) months, and made available on request to an authorised officer of the licensing authority or the police, which will note the following: (a) all crimes reported to the venue, or by the venue to the Police (b) names and/or descriptions of all ejected patrons (c) any complaints received (d) any incidents of disorder, seizures of drugs, offensive weapons, fraudulent ID or

**Continued from previous page...**

other items (e) any faults in the CCTV system (f) any refusal of the sale of alcohol (g) any visit by a relevant authority or emergency service (h) the times on duty, and the licence number of all licensed door supervisors employed by the premises (if appropriate).

**c) Public safety**

The premises licence holder will ensure:

- Appropriate fire fighting equipment shall be installed and maintained at the premises and staff trained in its use.
- Delivery vehicles shall be maintained and operated safely
- The approved arrangements at the premises, including means of escape provisions, emergency warning equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.
- The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the plans provided
- No sales or supplies of alcohol undertaken where it is reasonably considered that this might negatively affect the public safety licensing objective

**d) The prevention of public nuisance**

The premises licence holder will ensure :

- Deliveries will be conducted in a responsible and considerate manner, ensuring no disturbance to local residents or businesses
- The site and public areas near to the premises are kept free from litter associated with the operation of the business
- Deliveries to and waste removal from the site are undertaken at a time and in a manner that does not cause disturbance
- No light on or from the property shall be provided where that light causes a nuisance to nearby residents or businesses

**e) The protection of children from harm**

To protect children from harm, in relation to alcohol sales, there will be a policy of:

- Terms & conditions stressing that the purchaser and those receiving a delivery of alcohol must be at least 18 years of age
- There shall be an effective Challenge 25 policy
- At the time an order is placed a declaration will be required from the person placing the order that the person is over 18 years of age.
- The online ordering process will prevent the consumer from placing an order until they have read the Challenge 25 statement unless the business calls the consumer to provide this information verbally before the order is accepted.
- Anyone receiving a delivery and not appearing to be of the age of 25 years will be required to produce appropriate identification proving that they have turned 18 in order to be supplied with alcohol
- Appropriate ID will be a passport, photo driving licence, PASS accredited proof of age card or other reliable photo-ID that is recommended and approved for acceptance by the police or other authorities
- Staff shall be trained in all aspects of responsible alcohol retailing and in particular the Protection of Children including the Challenge 25 policy and the identification and refusal of potential 'proxy' purchasers
- Staff training will occur before a staff member is authorised to sell or deliver alcohol for the business
- Staff training records will be available for inspection by the police or other responsible authority upon request
- A refusals log will be kept and reviewed regularly by the DPS and made available for inspection by the police and an appropriate local authority representative

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

**Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

**Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Stance: Customer objects to the Licensing Application

Reasons for comment:

Comments: 15/02/2022 2:02 PM Shepherds Bush Green is already 'saturated' with alcohol license holders. There is no further need to grant a licence for the distribution of alcohol, even if only 'off premises'.  
There are more than enough alcohol license holders within 200metres including the BP station immediately adjacent.  
It encourages ASB in the area.

Kind regards
