5. POLICY CONSIDERATIONS

5.1 Section 5.1 page 12 of the Statement of Licensing Policy (“SLP”) states that where there is a relevant representation, the Licensing Authority will consider each particular case on its merits having regard in particular to the following matters:

- Whether the licensed activities are likely to have an adverse impact especially on local residents and, if there is potential to have an adverse impact, what, if any, appropriate measures will be put in place to prevent it;
- Whether there will be a substantial increase in the cumulative adverse impact from these or similar activities, on an adjacent residential area;
- Whether there is a suitable level of public transport accessibility to and from the premises at the appropriate times;
- Whether the activity will be likely to lead to a harmful and unmanageable increase in car parking demand in surrounding residential streets suffering high levels of parking stress or on roads forming part of the Strategic London Road Network or the London Bus Priority Network leading to a negative impact on the Licensing Objectives relating to the prevention of crime, disorder and nuisance; and
- Whether there have been any representations made by Responsible Authorities, or other relevant agency or representative.

5.2 Section 8.1 page 15 of the SLP states that the Licensing Authority will require applicants to detail in their operating schedule the steps proposed to ensure the deterrence and prevention of crime and disorder on, and in the vicinity of, the premises, having regard to their location, character, condition, the nature and extent of the proposed use and the persons likely to use the premises.

5.3 Section 8.10 page 16 of the SLP states that it is important that staff working at off licences are suitably trained and receive appropriate refresher training in their responsibilities under the Act and can discharge their duties in full compliance with the licence conditions and requirements of the Act. This includes the ability to competently check a customer's age with acceptable forms of identification where necessary. The Licensing Authority will particularly consider the following matters where they are material to the individual application:

- The likelihood of any violence, public order or policing problem if the licence is granted;
- The measures taken to control admission to the premises, and to take reasonable steps to prevent the occurrence of crime and disorder and public nuisance immediately outside the premises, where and to the extent that these matters are within their control.
- Past conduct and prior history of complaints against the premises;
- Whether a dispersal policy has been prepared to minimise the potential for disorder as customers leave the premises; and
- Any relevant representations.

5.4 Section 9.6 page 18 of the SLP states that the Licensing Authority will, where appropriate, attach conditions to a licence to ensure public safety, dealing with, but not limited to. the following:

- The number of people on the premises to ensure it is appropriate having regard to the activities taking place and reliable ways of counting the number;
- The steps taken to manage the risk from glass, the use of bottle bins, glass collectors and door supervisors to prevent glass being taken off the premises;
- The use of door supervisors to manage the entrance and exit from the premises and to protect public safety as customers leave the premises; and
- The provision of air conditioning and ventilation.

5.5 Section 10.3 page 19 and 20 of the SLP states that the Licensing Authority will particularly consider the following matters where they are material to the individual application:

- One of the most common complaints the Licensing Authority receive is about nuisance caused by customers as they leave licensed premises at night. The Licensing Authority recommends that primarily alcohol led premises such as nightclubs and pubs, located close to any residential premises, implement a dispersal policy at their venue. All relevant staff should be trained on any policy, and all reasonable steps should be taken to ensure it is fully implemented and adhered to at all times.
- The proximity of residential accommodation;
- The type of use proposed, including the likely numbers of customers, proposed hours of operation and the frequency of activity;
- The steps taken or proposed to be taken by the applicant to prevent noise and vibration escaping from the premises, including music, noise from ventilation equipment, and human voices. Such measures may include the installation of soundproofing, air conditioning, acoustic lobbies and sound limitation devices;
- The steps taken or proposed to be taken by the applicant to prevent disturbance by customers arriving at or leaving the premises. This will usually be of greater importance late at night and/or in the early hours of the morning. However nuisance can arise at any time of the day or night so the Licensing Authority will consider

representations from Responsible Authorities and/or Interested Parties relating to potential nuisance from any activity at all times dependant on the merits of the application/steps taken or proposed to prevent nuisance.

- Limiting the number of people permitted to use a garden/other open-air areas, including those for the use of smoking, at any one time.
- Restricting the use of a garden/other open-air areas, including those for the use of smoking, after a particular time e.g. 11:00pm (or such earlier time as may be considered appropriate).
- The steps taken or proposed to be taken by the applicant to prevent queuing (either by pedestrian or vehicular traffic). If some queuing is inevitable then queues should be diverted away from neighbouring premises or be otherwise managed to prevent disturbance or obstruction;
- The steps taken or proposed to be taken by the applicant to ensure staff leave the premises quietly;
- The arrangements made or proposed for parking by patrons, and the effect of parking by patrons on local residents;
- The provision for public transport in the locality (including taxis and private hire vehicles) for patrons;
- The level of likely disturbance from associated vehicular and pedestrian movement to and from the premises;
- The delivery and collection areas and delivery/collection times;
- The siting of external lighting, including security lighting that is installed inappropriately;
- The arrangements for refuse disposal, storage and the prevention/tidying of litter (including fly posters and illegal placards);
- The history of previous nuisance complaints proved against the premises, particularly where statutory notices have been served on the present licence holder;
- The history of the applicant in controlling anti-social behaviour and preventing nuisance;
- The generation of odour, e.g. from the preparation of food;
- Any other relevant activity likely to give rise to nuisance;
- Any representations made by the Police, or other relevant agency or representative;

6. DETERMINATION

6.1 In determining this application, the Committee must have regard to the representations and take such of the following steps as it considers necessary for the promotion of the licensing objectives. The steps are:

- (a) Grant the application in full
- (b) Grant the application in part – modifying the proposed hours, activities or conditions.
- (c) Reject the application

It is the Council's duty under the Licensing Act 2003 ("The Act") to determine applications with a view to promoting the four licensing objectives; Prevention of Crime and Disorder, Public Safety, Prevention of Public Nuisance and the Protection of Children from Harm.

In reaching a decision the Council shall consider the details of any relevant representations received; the applicant's Operating Schedule; the Council's adopted

Statement of Licensing Policy and the guidance issued by the Secretary of State under section 182 of the Act.

If the Committee is minded to grant the application conditions may be attached to the licence to alleviate the concerns raised through the representations.

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 11)

For the extra 1/1.5 hours of live music we work with all our neighbours to provide a safe well managed service to the community, one in which we can all enjoy in a peaceful experience

b) The prevention of crime and disorder

At present we have zero crime because we are vigilant with all our customers and we are continually aware of issues which we deal with immediately and we monitor customers consumption of alcohol and actively use challenge 25

c) Public safety

We continue to use challenge 25 to ensure the safe sale of alcohol.
We also monitor the safe consumption of alcohol.
On match days we have door security to manage public safety

d) The prevention of public nuisance

We work closely with our neighbours so not to cause a nuisance. Close neighbours have my personal mobile numbers to try and head off any concerns.
We actually close our back garden early then required to help support relations with the next door neighbours
Although we are not closing later, we always try and disperse customers at the end of the night so they are not hanging around at the end of the night
Music is played at a reasonable sound level as to not cause a nuisance

e) The protection of children from harm

challenge 25 in place.
Constant supervision of the site at all times

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.

 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.

- a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.

 - any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.

 7. For example, (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
 8. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.

Having spoken to the neighbours on numerous occasions, we are now undertaking full soundproofing of the connecting walls that should prevent and additional sounds to these neighbours.

The sound of the live music is kept to the same sound of the recording music which can be played upto 12am, which hasn't caused concern upto now and with the additional soundproofing we feel that all parties will be better off.

We only have an open Mike once a week and this soundproofing would be of benefit for our full 7 days trading and for our Temporary events which can on occasion go until after midnight.

I am more than happy to discuss this with any concerned party so we can improve/eradicate any perceived issues

Thanks

Nigel Duncan

I have also contacted the direct neighbour and we are both in agreement that the soundproofing would be great for both of us and will resolve the issues.

Reasons for comment:

Comments: 04/03/2022 12:25 PM Reason for objection - Under the licensing act 2003-
Prevention of public nuisance.

We live at Fulham Palace Road, which is directly next to the venue. For the last 2 years we have had to deal with excessive noise coming from the venue, sometimes to the early hours of the morning. I'm sure there are records as to the number of times I have had to call noise and nuisance. Their current license is already affecting mine and my fiancé's life mentally and to further extend their license would be completely devastating to our livelihoods. We both have full time jobs, my wife is a teacher and has to get up very early in the morning to get to school. To have these late night events will affect our lives even further as we find it hard to sleep most nights as it is due to the noise and music coming from the venue.

We live in a residential area and to have this license extended would be detrimental not only to us but I'm sure the surrounding area.

I plead that this application be rejected on the above grounds and their license be reviewed. I cannot put in words the misery this venue has caused us over the past two years and to approve this application would cause me to lose faith in the council's ability to put the residents of Fulham first.

Kind regards

Subject: Bloom: Review of Public Safety Objectives for premises licensing (Full Variation) application

Dear Nigel Duncan,

I write in reference to the premises licensing (Full Variation) application submitted for Bloom, 399 Fulham Palace Road, London, SW6 6TA and validated on 04/03/2022.

I am the member of the Health and Safety team, allocated to review the steps you intend to take to promote the Public Safety Licensing Objective.

Upon review of the premises licensing application, it is noted that a very limited information is provided on how the Public Safety objectives will be met.

The following further information will be required to ascertain how public safety objectives will be achieved:

- 1) As your premises is requesting to extend the time for live music, I would like to make sure this arrangement is safe and that you have all necessary measures in place to prevent fire and evacuate people safely if fire does occur. Please provide a copy of your Fire Risk Assessment.
- 2) Disabled access and evacuation – what is your policy regarding admittance for disabled customers? How are you going to assure their safety at the premises?

- 3) Please confirm if checks are carried out on equipment at specified intervals, e.g. gas safety checks and Portable Appliance Testing.
- 4) Standards to be maintained, e.g. Fixed electrical installations to comply with British Standards; Please provide a copy of a satisfactory/up to date fixed electrical wiring record for your premises.
- 5) Please advise on measures to protect against overcrowding.

In the meantime I would refer you to our licensing policy, available on our website under this link [Statement of Licensing Policy 2017 - 2022.doc \(lbhf.gov.uk\)](#), especially pages 17-18, 26-27 and 30 which are relevant to public safety. Please familiarise yourself with it and elaborate on the specific measures which you are going to take to meet this objective. Please provide me with a response by **Wednesday, 30 March 2022.**

Thank you in advance of your co-operation.

Sincerely.
