### **4.2 Temporary Event Notices ("TENs")**

No TENs have been submitted in respect of this premises in the past twelve months.

## **5. POLICY CONSIDERATIONS**

**5.1** Section 5 pages 12 and 13 of the Statement of Licensing Policy (“SLP”) states that in order to ensure the promotion of the four Licensing Objectives the Licensing Authority will require applicants to detail in their operating schedule:

- the steps proposed to promote the licensing objective of the prevention of crime and disorder on, and in the vicinity of, the premises, having regard to their location, character, condition, the nature and extent of the proposed use and the persons likely to use the premises;
- the steps proposed to ensure the physical safety of people using the relevant premises or place;
- how they intend to prevent nuisance arising, prevent disturbance and protect amenity so far as is appropriate to ensure that the Licensing Objectives are met. Where there is a relevant representation regarding extended hours, the Licensing Authority will not permit an extension unless it is satisfied that the Licensing Objectives would be met;
- the measures and management controls in place to protect children from harm. Where appropriate a written childcare policy should be available and be incorporated in the induction of staff.

**5.2** Policy 3 page 21 of the SLP states that where there is a relevant representation, the Licensing Authority will consider each particular case on its merits having regard in particular to the following matters:

- a) Whether the licensed activities are likely to have an adverse impact especially on local residents and, if there is potential to have an adverse impact, what, if any, appropriate measures will be put in place to prevent it;
- b) Whether there will be a substantial increase in the cumulative adverse impact from these or similar activities, on an adjacent residential area;
- c) Whether there is a suitable level of public transport accessibility to and from the premises at the appropriate times;
- d) Whether the activity will be likely to lead to a harmful and unmanageable increase in car parking demand in surrounding residential streets suffering high levels of parking stress or on roads forming part of the Strategic London Road Network or the London Bus Priority Network leading to a negative impact on the Licensing Objectives relating to the prevention of crime, disorder, anti-social behaviour (ASB), nuisance and vehicle emissions;
- e) Whether there have been any representations made by Responsible Authorities, or other relevant agency or representative.

The Licensing Authority will closely scrutinise extended hours applications to ensure that the Licensing Objectives are met. In determining an application the licensing committee might decide that the circumstances are such that a restriction on hours is the only appropriate means to achieve the Licensing Objectives. If an ‘hours’ restriction is imposed, the Licensing Authority will normally require that customers should be allowed a minimum of thirty minutes to consume alcohol.

To act as a guide for new or existing operators we have set out the suggested closing times for licensed premises below:

<b>Type of premises</b>	<b>Town centres</b>	<b>Mixed use areas</b>	<b>Residential areas</b>
<b>Restaurants and cafes</b>	Fri – Sat 01:30 Mon - Thurs 01:00 Sun – 00:00	Fri – Sat 01:00 Mon - Thurs 00:00 Sun – 23:00	Fri – Sat 23:00 Sun – 22:00
<b>Late night refreshment premises (Take-aways)</b>	Fri – Sat 01:00 Sun – 00:00	Fri – Sat 00:30 Sun – 23:30	Not considered Appropriate

**5.3** Policy 4 pages 22 and 23 of the SLP states that in determining an application where there has been a relevant representation the Licensing Authority will, where appropriate, take into account the cumulative effect of the number, type and density of licensed premises already existing in the area. Consideration will be given to the proximity to any drug and alcohol treatment site, A&E department or homeless hostel in a local area type remit ie applicants need to make the case for how they would not increase further problems for residents/clients nearby.

In coming to any decision regarding cumulative impact the Licensing Authority will consider other mechanisms outside of the licensing regime which may also be available to address this issue, these include but are not limited to:

- Police and other enforcement of the normal law concerning disorder and anti-social behaviour.
- Police powers to close down instantly any licensed premises or temporary events on grounds of disorder, the likelihood of disorder or excessive noise emanating from the premises, for up to 24 hours.
- The power of the police, other responsible authorities, a local resident, business or Councillor to seek a review of the licence or certificate in question.
- Police and Local Authority power to issue a Closure Notice for up to 48 hours where serious antisocial behaviour is taking place at licensed premises under the Anti-social Behaviour, Crime and Policing Act 2014.
- To ensure that residents are protected from the negative impact of late-night local licensing activities the Licensing Authority may decide to adopt an Area Specific Cumulative Impact Policy in relation to a specific area; where the number, type and density of premises providing licensable activities is having a serious negative impact on the local community and local amenities.

**5.4** Policy 11 page 30 of the SLP states that population densities in this borough are high, with many residential premises located above or in close proximity to licensed premises. This means that the public nuisance and crime and disorder objectives will be of paramount concern when evaluating Operating Schedules. Licensing Committees will place high regard on the control measures put in place by the applicant to ensure that our residents are protected from the potential detrimental effects of any licensed premises.

**5.5** Policy 14 page 32 of the SLP states that in relation to delivery services, although these types of services are not provided for in the Licensing Act 2003 or in the s182 guidance in any way differently from other licensed premises they do provide their own unique circumstances that need to be addressed. In particular the Licensing Authority has concerns with the potential for the following:

- The safety of delivery drivers at the point of delivery;
- Safety of the premises from which orders are taken and sent out for deliver; and,
- Possible public nuisance and anti-social behaviour (ASB) caused by delivery drivers collecting deliveries from the licensed premises.

**5.6** Annex 1 pages 35 and 36 of the SLP in relation to the prevention of crime and disorder states licence applicants will be expected to demonstrate the following in their operating schedules:

g) Conditions will, so far as possible, reflect local crime prevention strategies, and the Licensing Authority will also have regard to the views of the local Crime and Disorder Reduction Partnership.

h) Crime and disorder in the vicinity of the premises: this may include the crime and disorder risks arising from persons queuing to enter the premises; persons exiting the premises and customers smoking eating or drinking in outdoor areas and on the highway outside the premises. This can also include crime arising from pickpockets and bag snatchers, particularly in open spaces or crowded areas where alcohol is being consumed.

j) CCTV - using CCTV inside and/or outside the premises together with appropriate procedures and having staff properly trained to use CCTV equipment.

k) dispersal procedures - establishing appropriate dispersal procedures to minimise the potential for crime and disorder when customers are leaving the premises.

p) local schemes – joining and attending local Pubwatch meetings and participating in the Behave or Be Banned Scheme (BOBB) and/or signing up and using the Council's Safety Net Radio scheme.

**5.7** Annex 1 pages 38 to 40 of the SLP in relation to the prevention of public nuisance states that the Licensing Authority will particularly consider the following matters where they are material to the individual application:

ii. The proximity of residential accommodation;

iii. The type of use proposed, including the likely numbers of customers, proposed hours of operation and the frequency of activity;

iv. The steps taken or proposed to be taken by the applicant to prevent noise and vibration escaping from the premises, including music, noise from ventilation equipment, and human voices. Such measures may include the installation of soundproofing, air conditioning, acoustic lobbies and sound limitation devices;

v. The steps taken or proposed to be taken by the applicant to prevent disturbance by customers arriving at or leaving the premises.

viii. The steps taken or proposed to be taken by the applicant to prevent queuing (either by pedestrian or vehicular traffic). If some queuing is inevitable then queues should be diverted away from neighbouring premises or be otherwise managed to prevent disturbance or obstruction;

- ix. The steps taken or proposed to be taken by the applicant to ensure staff leave the premises quietly;
- x. The arrangements made or proposed for parking by patrons, and the effect of parking by patrons on local residents;
- xi. The provision for public transport in the locality (including taxis and private hire vehicles) for patrons;
- xii. The level of likely disturbance from associated vehicular and pedestrian movement to and from the premises;
- xiii. The delivery and collection areas and delivery/collection times;
- xv. The arrangements for refuse disposal, storage and the prevention/tidying of litter (including fly posters and illegal placards);
- xviii. The generation of odour, e.g. from the preparation of food;
- xix. Any other relevant activity likely to give rise to nuisance;
- xx. Any representations made by the Police, or other relevant agency or representative;

The following provides a non-exhaustive list of risks associated with the public nuisance objective that applicants may want to consider when preparing their Operating Schedule:

j) **Deliveries/collections** – noise from deliveries to and/or collections (e.g. refuse) from the premises are another common source of complaint. Consider the times of such deliveries/collections and make sure you specify to any contractors that deliveries/collections should not be made at anti-social times. As a guide, the Noise and Nuisance Service recommend that deliveries/collections should only be made between the hours of 7:30am and 9:00pm, depending on the proximity of residential and/or other noise sensitive properties.

k) **Late night refreshment** - applicants in respect of late night takeaways should demonstrate that they have assessed the risk of persons congregating in large numbers in the vicinity of their premises. Where appropriate, applicants should demonstrate suitable measures to address this problem.

l) **Light pollution** – this is an increasingly common source of complaint, particularly from illuminated signs and external security lighting. Where provided, illuminated signs should not cause glare to neighbouring properties, ideally being turned off at night, and external lighting should be angled and/or diffused to also prevent nuisance.

m) **Noise and/or vibration** breakout from the provision of regulated entertainment, particularly from (but not limited to) live music – consider what type of entertainment is to be provided, in what room/area of the premises and the suitability of the construction of this room/area to contain sound. Windows are a particular weak-point for noise break-out so consider providing regulated entertainment in a room without windows or with as few windows as possible, particularly windows that face towards nearby 40 residential properties. Where suitable, install a lobby to prevent spillage of noise each time an entrance/exit door is opened.

o) **Odour** – odour from cooking is a common source of complaint, particularly from restaurants and fastfood takeaways. The Council's Noise and Nuisance Service may therefore require evidence that the kitchen ventilation and/or extract systems are regularly maintained and serviced to ensure that it is operating efficiently and with minimal nuisance to neighbours arising from odour and also noise. This includes the siting of BBQs.

p) **Queue management** - establishing appropriate procedures to avoid the need for customers to queue before entering the premises or, where queuing cannot be

avoided, to manage queues so as to minimise the potential for crime and disorder or public nuisance by customers who are queuing.

q) **Ventilation** – where regulated entertainment is to be provided there may be a requirement to keep doors and/or windows closed during its provision to limit noise breakout, consider therefore the provision of air conditioning for the comfort of your customers if doors and windows have to be closed during the summer. However, also note air conditioning can be the source of noise complaints in itself, so careful consideration also needs to be given to the siting of this equipment.

r) **Waste** – consider how and where waste will be stored/disposed of at the end of trading hours, particularly if trading until late at night. This is important because the disposal of glass and/or cans to outside bin areas can be very noisy and give rise to complaints, so it may be necessary to store such items and other non-degradable refuse inside the premises until the next trading day. Consideration should also be given to the time of deliveries to minimize disruption to local residents.

s) **Litter** – for example, litter patrols for late night take-away premises

## 6. DETERMINATION

**6.1** In determining this application, the Committee must have regard to the representations and take such of the following steps as it considers necessary for the promotion of the licensing objectives. The steps are:

(a) Grant the application in full

(b) Grant the application in part – modifying the proposed hours, activities or conditions.

(c) Reject the application

It is the Council's duty under the Licensing Act 2003 ("The Act") to determine applications with a view to promoting the four licensing objectives; Prevention of Crime and Disorder, Public Safety, Prevention of Public Nuisance and the Protection of Children from Harm.

In reaching a decision the Council shall consider the details of any relevant representations received; the applicant's Operating Schedule; the Council's adopted Statement of Licensing Policy and the guidance issued by the Secretary of State under section 182 of the Act.

If the Committee is minded to grant the application conditions may be attached to the licence to alleviate the concerns raised through the representations.

Good Morning Kenny,

It was really nice Teams meeting you last week to discuss the above application.

Many thanks for agreeing to the timings that we have proposed. Regarding the possibility for deliveries, the concern of the Police is predominantly the location of this premises. As discussed, the area of Fulham Broadway and the vicinity suffers with a high level of anti-social behaviour and criminal activity, specifically in the early hours.

We have had incidents at similar premises (along the North End Road) that have been closed to patrons and just operating for deliveries, where irate customers have forced their way into a premises, resulting in the Police being called. I am of the opinion that it is difficult to manage a premises in a location such as this when considering deliveries only.

I would strongly recommend that deliveries are not applied for at this stage and of course this could be reviewed in the future.

By way of background, there has also been significant interest in this application from Local Residents who have expressed their concerns about the late hours applied for. They have also expressed concerns about the possibility of delivery riders congregating in the vicinity of the premises and causing a noise and nuisance issue. This is more for the Local Authority to deal with as opposed to the Police, however I wanted to make you aware in case you receive any objection to this application.

Thanks again for the birthday celebration message, I am heading down to Devon later this afternoon. Happy 50<sup>th</sup> to yourself for September.

I hope you are well,

Kind regards,  
Kris.

Dear Kristen and Nicole,

Thank you very much for meeting with me last week and explaining why it is important to stick with your recommendation which is in line with similar outfit nearly opposite, and also not to create a new precedence which is not conducive to the situation in the area.

You also explained that if we did not agree to this consideration, it could go to Committee. We would like to avoid that at all costs and can confirm that we are happy to accept your proposal.

However in Lieu of this, after having slept on it, I had a further request to ask if you would consider adding an extra hour to your proposal for the delivery option only.

Kindly let me know, however I would not want any situation where we would have to go to Committee. So kindly confirm if additional hour for delivery only would be considered acceptable. We have similar situation in other store. If you concur, then please include as part of your recommendation, otherwise we confirm acceptance. Let us know in any case either way.

I hope you have a wonderful 50th birthday celebrations, I gasped today when I realised mine was in 79 days. Time to get back in the gym. Thank you.

Kind regards  
Kenny Wilkins

Dear Maria

Tx for below but...No it does not.

We do not agree with the hours suggested by the Police, as below.

Police are one Responsible Authority (RA), fyi to those copied here.

RA LBHF Noise and Nuisance have made a Representation against ANY extended hours.

Extended hours around here are leading to more drug crime, crowds, glue gun parties etc. We are against extended hours full stop, just as noise and nuisance are.

It would be helpful if you would show who u r emailing to so that I can contact everyone at once. In the meantime, I am copying various people who planned to make representations against extended hours because the Premises will not be able to uphold the Lic Objectives of crime, public safety, noise and nuisance.

Pls could you give me a list of residents who made Representations.

Thank you.

Dear Maria

Tx for your request below, I assume, bcc:'d to everyone who has so far made a Representation against this Application.

The deadline is now 18 July so others copied here could still make a Representation.

No. I do not agree and I will not be withdrawing my Representation.

Please tell the Applicant, verbally only ( as we do not yet have a solution regarding redacting personal details but your colleagues are working on this; we know and appreciate that)

that 'I believe that the Applicant should consider withdrawing his application and not reapplying.

He cannot uphold the Licensing Objectives whilst Deliveroo drivers are stealing his food (that is crime going constantly unchecked and Deliveroo is not helping the Premises Lic holder in any significant way that will put a stop to these crimes) and his Premises is smack in the middle of crime, public safety and noise/nuisance problems that are increasing every day/week/month in this commercial/but overwhelmingly residential area of LBHF town centre Fulham Broadway that is being run over with the very drug and gas gangs that he and I discussed when I visited with him about his Application.'

Due to issues of anonymity, which we residents are working on directly with the LicAuthority to try to align the LBHF policy more closely with other London boroughs' updated policies, I am submitting these comments, agreed amongst several residents, in my name.

The creeping extension of licensing hours is NOT acceptable given the degree of late night mayhem here in Fulham Broadway. Any additional activity, especially extended hours, which supports the night-time economy is actually fuel to the fire of drunkenness, drug taking and dealing, nitrous oxide consumption, vomiting, urination, even defecation in and around 607 Fulham Road and 609-611 Fulham Road at the corner of and into Barclay Road.

We are determined that every opportunity is used by the Licensing Authority and the Licensing Sub-Committee, to limit vs extend the crime and disorder, public safety, noise/nuisance and harm to children at this Premises, in the vicinity of this Premises, and along the New Delivery Economy pathway of this Premises ie from 607 Fulham Road to the final delivery and actual sale at a doorstep, within a two mile radius and sometimes even further, of 607 Fulham Road.

If the Redback pub/club (across from the Applicant's Premises of 607 Fulham Road, at 490 Fulham Road) didn't exist, if the druggies didn't exist, if the balloon gangs didn't exist, if the Audi did not still exist and did not still sell drugs in front of this very Premises as well as all over the surrounding stretch of Premises and into residential roads, and this were a quiet continental square where people could eat,

drink and chat peacefully till 1am... but we're talking fantasy here. These issues cannot be looked at in isolation. The dots need to be joined; the LBHF Licensing Policy specifically addresses this through 'cumulative impact'. As well, this very Premises is in the Fulham Broadway Cumulative Impact Policy zone.

Pls could Licensing confirm receipt of this email and that it will be submitted as a valid Representation/addendum to my original Reprerentation made before the 29 June deadline (now 18 July deadline) [2022/00806](#)/LAPR: Pepe`s Peri Peri: 607 Fulham Road London SW6 5UA.

Maria,

This does not satisfy resident's concerns. Although it is better than the originally proposed extension to 3-4am, I see no reason whatsoever to extend current hours. Therefore, I will not withdraw my representation and please move this to a Licensing hearing.

SUBJECT - NOT AGREED WITH NOISE NUISANCE - NOT AGREED WITH RESIDENTS - UPDATED HOURS AGREED WITH THE POLICE

I write in to support Charlotte Dexter about the extension of licensing hours which continues - this area is becoming more and more of a late night economy which is totally inappropriate - this is a family area where residents are entitled to their sleep - we read every day about stabbings etc - we do not want to encourage drug dealers, vomiting and urination. The Police have enough work to do as it is - there was a Police recruitment drive taking place in Fulham Broadway underground the other day. We shouldn't be over-burdening our existing Police.

We should be protecting children from harm and letting families have a good nights sleep

Hi William

Having reviewed this application with regards to the context of the times requested, the location, and with regards to the current opening times of other premises of a similar nature along Fulham Road, noise and nuisance recommend refusal on the basis of upholding the Licensing Act Objective of Prevention of Public Nuisance. With careful consideration of the aforementioned local context, is it considered by this department that allowing this premises to open inline with the hours proposed would both increase noise and late night antisocial behaviour in a mixed commercial and residential area.

Thanks

Comments: 26/06/2022 8:10 PM 3am and 4am extension or Peri Peri Chicken.  
I reserve my right to comment further as I am in the in the midst of dealing with various Licensing Applications on behalf of the Barclay Road Conservation Area Neighbourhood Watch. As well, I am to be outside the country from 7am tomorrow morning, but of course will be writing as soon as I land in another country.  
We have spoken to the manager. He wants to make more money with extended hours. He has not given any thought to the risks, anti-social behaviour etc that will increase with such hours.  
We are opposed to the extension of hours on the grounds of crime and disorder, public safety. This shop is in the Fulham Broadway Cumulative Impact Zone, evidence for which has been gathered and continues to be gathered by Responsible Authorities. Unfortunately, crime is rising, ASB is rising and new developments mean more people are out and about searching for a find 'legal' nitrous oxide canisters and glue/silicon/'high' oder dispensers that are being used by groups inside cars that are starting to park in residential roads. 4 or 5 people in a car, shooting off these noxious odors inside a car(where they accumulate and create lack of oxygen) is leading to howling and screeching for not just minutes but hours. It wakes us up during precious hours of sleep. We need to find a way to make this area 'safe', as Leader Cowan has promised us. Our residential roads are being invaded by people attracted to the area due to late-night, early and mid-early hours openings. The Licensing Act 2003 never foresaw the type of activity but it is now having a severe effect on residents both above Premises and in the many, many side roads that make Fulham what it is--a residential community--, at least around Fulham Broadway and North End Road.

**Subject:** new deadline 18 July 2022/00806/LAPR 607 Fulham Road Piri Chicken knife stabbing next door & Police #WANTED poster 17 June

As evidence to my initial Representation against 2022/00806/LAPR 607 Fulham Road I would like the Lic Committee to be aware of this Met Police 'WANTED' poster of 17 June 2022, referring to a man who used a knife to stab the shop employee/(one of the owners) at 605 Fulham Road, the Cashcounts shop next to the Applicant of Piri Chicken, 607 Fulham Road. One JPEG attached.

This is the kind of crime that goes on around this Premises applying for a 3am and 4am licence to serve hot food/Peri Chicken. When I spoke in person with the owner for about twenty minutes, in his shop, he told me about all the crime problems that he witnesses right outside his big windowed shop. So far, he had not had much trouble inside, he volunteered. I asked him if he rings 999 when he sees or experienced problems. He told me he does not but that he just received a '5' food rating. I asked him about the Borough's 5-year Licensing Policy and how his Application fit in with that Policy, and he mentioned his food safety rating again. We agreed it was really excellent and not easy to achieve.

I asked him if he had spoken to the Police about his Application. He said no that he does not talk to the police.

We chatted about the area and where I live, on Barclay Road. He volunteered to me he knows there are too many drug dealers on the corner (of Fulham Road at Barclay Road).

The owner told me on his own, without me asking him, that he did not know that the Council, as he put it, 'interviews residents about applications'... he said he thought, 'that they ask other businesses about licensing applications.'

He offered me chicken, but I politely said no thank you.

He then told me that Deliveroo drivers are stealing his food, especially when two rice sides are in one delivery bag. He has had to install a further internal cctv to prove to Deliveroo that drivers are stealing. He explained in detail how these culprits operate. I suggested he report it every night to the police for two weeks straight and write down the CAD numbers, which I explained and why they were important to write down/collect.

I suggested to him that longer hours would add to more stealing and crime, public safety and nuisance right in front of his shop and I wondered about the risks inside for him with no police patrolling the area. I told him I knew the good mini-cab guys at 603 Fulham Road keep an eye out for everyone along this stretch of five late night shops, and he agreed. They all have each other's mobile numbers.

He said he needs the money and for that reason he asked me to support his application, for his family, he suggested. I commended to him the LBHF Licensing Policy and told him I'd stop by again but I suggested, as I got up to leave, that he consider withdrawing his application. He asked me to return for some chicken, with rice.

605 Fulham Rd 24-hr Cashcounts smashed door last week (July 24-30) PHOTO

I spoke with the owners and they said it was guys fighting outside 605 and 607, explaining to me how 'bad and rough' it is with the balloon gangs and the drug guys. 'They smashed our door,' one of the guys behind the counter said to me. I asked if they had rung 999. They said, "The police won't help us". I asked them would they please at least talk to the licensing police about it. They said something along the lines of, "Police need to be here in front of these shops, that is how bad it is."

Dear PC Alex

This is another incident around the late night gas balloon/resale of alcohol situation.

My neighbour ask them when ('last week'), and what and had they reported or rung 999. 'No'. This is next to Peri Chicken 607 Fulham Rd who are applying for later hours (hearing date not yet announced). Application 2022/00806/LAPR; fyi only. I am in contact with Lic Police.

I'll go in today to talk to Rej. I am trying to get others to go in as well to express concern and thereby obtain more info. I've suggested if they are walking by, ask for Rej. There are usually two or three behind the counter/post office window.

Comments: 08/06/2022 11:26 PM I would like to echo the words used by Charlotte Dexter of Barlay Road Residents Association - the seating is until 4.00 a.m. - this is not a good idea in the light of protecting children from harm - they have school to attend the next day. This should be in the cumulative impact zone - prevented from being renewed yet by the pandemic.  
The noise pollution and nuisance from this will be great - it will also disrupt the community - people need to be up only a couple of hours after this to get to work. I gather that alcohol is not sold there yet but some is drunk on the pavement anyhow. I am worried about public safety here - this is a family area and if young people are on a night out I can imagine them feeling intimidated having to walk through this home - at my age I feel intimidated by this kind of thing! Maria,

I tried to submit the comments below relating to my objection to the Peri Peri Chicken application but it kept giving me a system error.

So please accept them by email:

[2022/00806/LAPR | Licensing Act - Premises Licence | Open for Consultation | 607 Fulham Road London SW6 5UA \(lbhf.gov.uk\)](https://www.london.gov.uk/2022/00806/LAPR)

Having lived here 19 years, this is one of the most outrageous applications I have ever seen to vary a license for a restaurant. Are we serious that this chicken shop wants to take it's hours from 00:00 midnight on Sun-Thurs to 03:00??!! And even worse, until 04:00 on Fri and Sat??!! So this is 7 days a week, right around the corner from the residential Barclay Rd Conservation Area?? This means our crucial sleeping hours (midnight to 06:00 minimum) would likely be smashed to pieces every night!! Most of us eat dinner at say 6-9pm so who exactly needs a meal between midnight and 03:00/04:00? Who are they appealing to? No doubt drunk people coming out of pubs and clubs! We do not need a watering hole that would encourage noise, nuisance and a place to congregate at hours that are literally cutting the middle of the night in two. People who are doing drugs would also want to eat late and people with criminal intent, such as pickpockets would hang around there too. Of key concern are customers leaving the chicken shop and stumbling around the corner to Barclay Rd, Effie Rd and Effie Place. The key local bars here are Redback - closes at 01:30 all week, Broadway Bar and Grill - closes at midnight all week at and 1am on Fri/Sat and McGettigans - closes 23:00 all week and 01:00 Fri/Sat. Therefore, going to 03:00 and 04:00 on Fri/Sat does not match these times and is excessively long for no apparent reason. When I recently did a 12 hour Police ride along, we visited McDonalds on Shepherds Bush and the police said their Sat 24 hour license was nightmare as it attracts trouble and crime on a weekly basis. We do not want Peri Peri Chicken to emulate these problems so they should be restricted to the current license hours or a possible small extension to 01:00 to match the bar hours. I spoke to the manager Mohammed Shabbir who said times had been tough recently and they had to do everything possible to survive. However, this doesn't mean daily sales throughout the early morning hours! I said they need to focus on normal hours and maximise those. He suggested a compromise but this was 02:00 which local residents still feel is too late. There would also have to be many license conditions attached that would cover security staff, CCTV, noise issues, littering, seating in store vs takeaway etc. Altogether, this application is awful and not a good addition to Fulham Broadway as it seeks to destroy the peace in the neighbourhood at outrageous hours. The business owners don't care as all they want to do is sell chicken while all residents want to do 7 days a week is get a decent nights sleep and not having their customers walk down our local streets waking us up!1 Please decline or withdraw!!

Best regards,  
Simon Jones

Reasons for comment:

Comments: 21/06/2022 3:52 PM I live in Barclay Road just around the corner from Pepe's Piri Piri (PPP).

At least once a week and sometimes more frequently there is a mayhem of antisocial behaviour at this end of Barclay Road. Just last week there were 3 empty canisters of laughing gas in the gutter, literally surrounded by PPP wrappers. PPP is not of course licensed yet, and the majority of the drunkenness and other misbehaviour in front of my house comes from the Redback. However if PPP wants to be open until 4am most nights, clearly they see a market to sell their food, and who is around at that time of day but drunks, drug dealers and their customers? The "night-time economy" in this area is totally out of control, with shouting, chanting, drunken singing, vomiting, urination, the charming sounds of balloons of NO being filled up, and the sounds of loud music, loud talking, and loud laughing right outside the front of my house. The level of antisocial behaviour is outrageous and unacceptable. This application to add 3 hours onto PPP's hours so that they can feed the night-time mayhem is vexatious speculative and outrageous. Sadly it is typical of the business owners who are not residents putting in frankly crazy licensing applications to make more money from the Fulham Broadway mayhem. I object to the the application by Pepe's PiriPiri in the strongest possible terms.

Comments: 26/06/2022 10:02 AM I object to the the application by Pepe's PiriPiri to extend their hours - Fulham Broadway is already beset by late night revellers from all the bars and clubs in the area. They do not leave quietly and there is frequently mayhem, anti-social behaviour, people eating and drinking on the street (including ours, where they come to sit and eat etc), urination - and worse!. Having a chicken shop open until the early hours will only encourage and extend the problem. That they are proposing 3am and 4am is outrageous!  
Please do not allow it.  
Thank you

Comments: 27/06/2022 11:27 AM Good morning, I would like to object to Pepe's Piri Piri extending their operations hour till 3 and 4 am. Pepe's Piri Piri currently operating till 12am is a source of constant noise because people get together and after getting a refreshment at Pepe's they hang out under our windows, laughing, talking loudly and making a lot of noise. We live in the neighbor street to Pepe's Piri, Barclay road, and it would be an unbearable disaster if they extend their hours to 3 or 4 am! Many neighbors in our street have contacted police on a number of occasions to complain about the noise. Myself and my family objects to Pepe's operating at late night till 3/4 am.

With kind regards

Comments: 27/06/2022 12:01 PM We object to any extension of hours on local fast food outlets. It encourages people to hang around for longer and they often bring their food and hang out in Barclay Road causing a disturbance to residents in the middle of the night.

I am writing to express my thoughts on not wanting any extension to the hours in the night that have been requested by the above Peri Peri.

This is a residential road , I live in Barclay Road , we have people wandering already up this road in the night ..they make a huge noise , sometimes unruly , often are drunk late in the evening , half eaten hood gets chucked on the street .

The longer hours would just encourage more noise , unrest , and impact all difficulties in this area even more .

9. We shall endeavour always to maintain our record of no gathering outside, noise or nuisance and endeavour to promote the 'Prevention of Public Nuisance'.

10. No alcohol is sold in the local vicinity and all restaurants cater predominantly to the local market/ community and so don't sell alcohol.

11. We hardly have any police come out to the store especially never relating to anti social activities. We have a very clean record with no adverse reports.

12. We have a big yard at the rear of the property and noise would not be an issue, as our customer eat quietly and leave quietly.

13. We are getting new cameras installed and a further two will be installed outside for extra added safety and security.

14. We have signs asking customers to leave quietly, we also have a log book of keeping log of litter outside, to make sure it's clean at all times.

15. We like to ensure that we continue to keep our clean record or no public nuisance.

Please accept our comments above as further supplementary representation and additional relevant information to enable you support this application.

Unsatisfactory and disturbing response from Applicant but please read into the record for Sub Comm to see. 2022/00806/LAPR - Premises: Pepe's Peri Peri 607 Fulham Road London SW6 5UA

Dear Licencing

Tx for two pages from Applicant's agent.

This does not give me any comfort.

Please make sure it will be read into the record of this very Application.

Also make sure that this email of mine is included as an addendum to me Rep.

Next steps:

After being read into the record as of today 29 July...

Application might be withdrawn by Applicant because it would not help at an appeal, we're it ever to come to that, to be honest. My opinion only.

But, when a hearing takes place re his 2022/00806/LAPR, the SubComm needs to see this very two-page response, and mine to it; thus my very specific request that it becomes part of the Application record. Pls confirm to me on Monday.

Please share my comments here with the Applicant and his agent.

I did suggest to him in person that he should seriously consider withdrawing his application.

So much bad stuff going on around his Premises, and even behind it where drug lot Rds are overtaking this very corner of Fulham Broadway. I'll be submitting police reports.

His alluded-to 'Clean' police record is because he never rings them. I understand. He told me so.

Tough business environment, tough corner, tough parade of shops, tough Fulham Broadway.

I know. I live here.

We are working on making it a much better Mayoral designated 'town centre'.

Tx.

All -

There was a licensing committee hearing this week for Selekt Chicken at 349 North End Rd to extend their hours. The details and documents are in the link below along with the YouTube recording. After more than one hour of deliberation, the application was rightfully declined. Of note, Deputy Leader of LBHF provided a representation to decline the application in support of local residents. The bottom line was that despite the good intentions of the applicant, they could not provide sufficient answers and mitigants to the increased risks, negative impacts, noise and nuisance to locals. The hours proposed by Selekt were to a maximum of 01:00 from Thurs-Sat.

[Agenda for Licensing Sub-Committee on Wednesday, 27th July, 2022, 6.30 pm | LBHF](#)

<https://www.youtube.com/watch?v=Du3IOBWpBR8&feature=youtu.be>

Peri Peri Chicken wants to extend their hours to 03:00 from Sun-Thurs and 04:00 on Fri & Sat. After initial resistance, they cut this back to 02:00. This is a few yards from the largely residential Barclay Rd Conservation Area - Barclay Rd, Effie Rd, and Effie Place. This application is subject to the same arguments and logic applied on 27th July with Selekt Chicken.

The letter sent by the applicant fails to mention that several local bars, including Redback opposite them, serve alcohol so many of Peri Peri Chicken's customers could be highly intoxicated in their restaurant. While Peri Peri doesn't serve alcohol, their late-night customers would likely be drunk and make a lot of noise and nuisance for locals, especially after leaving the premises. The food delivery apps would also ensure many delivery drivers would be outside waiting for orders and their motorbikes add to the late night noise footprint. Again, these are all the same issues we already discussed at the Selekt hearing.

This application should be declined due to the similarities with Selekt Chicken.

Best regards,

Simon Jones

Dear Sir

My response to the first attached is as follows.

Many thanks.

With all due respect. The comments by CD on my client's application are bothering on personal defamation. My client is a respectable man in society who would never speak on such derogatory terms about his business of which he has other branches and tries to serve his community with good quality food. My client KM has also never spoken to CD as claimed on her statement.
