5. POLICY CONSIDERATIONS

5.1 Section 5 pages 12 and 13 of the Statement of Licensing Policy (“SLP”) states that in order to ensure the promotion of the four Licensing Objectives the Licensing Authority will require applicants to detail in their operating schedule:

- the steps proposed to promote the licensing objective of the prevention of crime and disorder on, and in the vicinity of, the premises, having regard to their

location, character, condition, the nature and extent of the proposed use and the persons likely to use the premises;

- the steps proposed to ensure the physical safety of people using the relevant premises or place;
- how they intend to prevent nuisance arising, prevent disturbance and protect amenity so far as is appropriate to ensure that the Licensing Objectives are met. Where there is a relevant representation regarding extended hours, the Licensing Authority will not permit an extension unless it is satisfied that the Licensing Objectives would be met;
- the measures and management controls in place to protect children from harm. Where appropriate a written childcare policy should be available and be incorporated in the induction of staff.

5.2 Policy 3 page 21 of the SLP states that where there is a relevant representation, the Licensing Authority will consider each particular case on its merits having regard in particular to the following matters:

- Whether the licensed activities are likely to have an adverse impact especially on local residents and, if there is potential to have an adverse impact, what, if any, appropriate measures will be put in place to prevent it;
- Whether there will be a substantial increase in the cumulative adverse impact from these or similar activities, on an adjacent residential area;
- Whether there is a suitable level of public transport accessibility to and from the premises at the appropriate times;
- Whether the activity will be likely to lead to a harmful and unmanageable increase in car parking demand in surrounding residential streets suffering high levels of parking stress or on roads forming part of the Strategic London Road Network or the London Bus Priority Network leading to a negative impact on the Licensing Objectives relating to the prevention of crime, disorder, anti-social behaviour (ASB), nuisance and vehicle emissions;
- Whether there have been any representations made by Responsible Authorities, or other relevant agency or representative.

The Licensing Authority will closely scrutinise extended hours applications to ensure that the Licensing Objectives are met. In determining an application the licensing committee might decide that the circumstances are such that a restriction on hours is the only appropriate means to achieve the Licensing Objectives. If an ‘hours’ restriction is imposed, the Licensing Authority will normally require that customers should be allowed a minimum of thirty minutes to consume alcohol.

To act as a guide for new or existing operators we have set out the suggested closing times for licensed premises below:

Type of premises	Town centres	Mixed use areas	Residential areas
Restaurants and cafes	Fri – Sat 01:30 Mon - Thurs 01:00 Sun – 00:00	Fri – Sat 01:00 Mon - Thurs 00:00 Sun – 23:00	Fri – Sat 23:00 Sun – 22:00

Late night refreshment premises (Take-aways)	Fri – Sat 01:00 Sun – 00:00	Fri – Sat 00:30 Sun – 23:30	Not considered Appropriate
---	--------------------------------	--------------------------------	-------------------------------

5.3 Policy 4 pages 22 and 23 of the SLP states that in determining an application where there has been a relevant representation the Licensing Authority will, where appropriate, take into account the cumulative effect of the number, type and density of licensed premises already existing in the area. Consideration will be given to the proximity to any drug and alcohol treatment site, A&E department or homeless hostel in a local area type remit ie applicants need to make the case for how they would not increase further problems for residents/clients nearby.

In coming to any decision regarding cumulative impact the Licensing Authority will consider other mechanisms outside of the licensing regime which may also be available to address this issue, these include but are not limited to:

- Police and other enforcement of the normal law concerning disorder and anti-social behaviour.
- Police powers to close down instantly any licensed premises or temporary events on grounds of disorder, the likelihood of disorder or excessive noise emanating from the premises, for up to 24 hours.
- The power of the police, other responsible authorities, a local resident, business or Councillor to seek a review of the licence or certificate in question.
- Police and Local Authority power to issue a Closure Notice for up to 48 hours where serious antisocial behaviour is taking place at licensed premises under the Anti-social Behaviour, Crime and Policing Act 2014.
- To ensure that residents are protected from the negative impact of late-night local licensing activities the Licensing Authority may decide to adopt an Area Specific Cumulative Impact Policy in relation to a specific area; where the number, type and density of premises providing licensable activities is having a serious negative impact on the local community and local amenities.

5.4 Policy 11 page 30 of the SLP states that Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour caused by people once they are away from the licensed premises and, therefore, beyond the direct control of the licensee. However, licensing is a key aspect of such control and licensing law is part of a holistic approach to the management of the night time economy.

As a matter of policy the council expects every holder of a licence, certificate or permission, to accept and be responsible for minimising the impact of their activities and anti-social behaviour by their patrons within the vicinity of their premises by taking appropriate measures and action consistent with that responsibility.

Licensees and certificate holders should take reasonable steps to prevent the occurrence of crime and disorder and public nuisance immediately outside their premises, for example on the pavement, in a beer garden or in a smoking area, to the extent that these matters are within their control.

Population densities in this borough are high, with many residential premises located above or in close proximity to licensed premises. This means that the public nuisance and crime and disorder objectives will be of paramount concern when evaluating Operating Schedules. Licensing Committees will place high regard on the control measures put in place by the applicant to ensure that our residents are protected from the potential detrimental effects of any licensed premises.

5.5 Policy 14 pages 32 and 33 of the SLP in relation to delivery services states that the Licensing Authority has concerns with the potential for the following:

- Age verification at both purchase point and delivery point;
- The safety of delivery drivers at the point of delivery;
- Safety of the premises from which orders are taken and sent out for deliver; and,
- Possible public nuisance and anti-social behaviour (ASB) caused by delivery drivers collecting deliveries from the licensed premises.
- The Licensing Authority is likely to place the following conditions on to a premises licence for delivery services where it is appropriate and relevant to the individual licence application:
 - A standard age verification check shall be undertaken on entering the website.
 - A signature at the point of delivery must be obtained. No delivery shall be left without a signature.
 - Alcohol shall only be delivered to a residential or business address and not to a public place.
 - Every third-party courier delivery box shall be labelled with the words “Age Restricted Product”.
 - Any delivery driver or third-party courier will be required to have appropriate age verification training, particularly they will be required to have training in refusal of supply where age verification is not provided.
 - A refusals log will be maintained for deliveries.
 - Appropriate security will be in place at the premises as agreed with Police.
 - Measures for minimising noise and disturbance and anti-social behaviour (ASB) caused by the dispatch of deliveries to be identified in the operating schedule. In particular applicants are expected to consider the use of electric vehicles to minimise air pollution and noise. The Licensing Authority expects that applicants will make arrangements for all deliveries after 8 pm to be made using electric vehicles or non motorised vehicles i.e. bicycles.
 - A requirement for a specific delivery collection area to be made clear to any third party delivery service. This area may not be directly outside the licensed premises to take account of any residential accommodation close by or obstructing the pavement/highways.

5.6 Annex 1 pages 35 and 36 of the SLP in relation to the prevention of crime and disorder states licence applicants will be expected to demonstrate the following in their operating schedules:

g)Conditions will, so far as possible, reflect local crime prevention strategies, and the Licensing Authority will also have regard to the views of the local Crime and Disorder Reduction Partnership.

h)Crime and disorder in the vicinity of the premises: this may include the crime and disorder risks arising from persons queuing to enter the premises; persons exiting the premises and customers smoking eating or drinking in outdoor areas and on the highway outside the premises. This can also include crime arising from pickpockets

and bag snatchers, particularly in open spaces or crowded areas where alcohol is being consumed.

j) **CCTV** - using CCTV inside and/or outside the premises together with appropriate crime procedures and having staff properly trained to use CCTV equipment.

k) **dispersal procedures** - establishing appropriate dispersal procedures to minimise the potential for and disorder when customers are leaving the premises.

l) **dealing with and reporting crime and disorder** - training for staff and door security aimed at reducing crime and disorder in the premises and its vicinity and dealing with and reporting incidents if they occur.

n) **drugs and weapons** - ensuring compliance with relevant guidance regarding illegal drugs and weapons. Attention should be paid to search procedures, procedures for the safe storage and surrender of seized drugs and weapons and drug awareness issues, designing out the ability to take drugs in the premises, etc.

o) **excessive drinking** - training for staff to recognise when customers are becoming drunk and adopting appropriate 'cut off' procedures for drunken customers, so as to reduce the likelihood of fights or aggressive behaviour.

p) **local schemes** – joining and attending local Pubwatch meetings and participating in the Behave or Be Banned Scheme (BOBB) and/or signing up and using the Council's Safety Net Radio scheme.

q) **prevention of theft** - using bag hooks and signage to warn customers of pickpockets and bag snatchers.

5.7 Annex 1 pages 38 to 40 of the SLP in relation to the prevention of public nuisance states that the Licensing Authority will particularly consider the following matters where they are material to the individual application:

ii. The proximity of residential accommodation;

iii. The type of use proposed, including the likely numbers of customers, proposed hours of operation and the frequency of activity;

iv. The steps taken or proposed to be taken by the applicant to prevent noise and vibration escaping from the premises, including music, noise from ventilation equipment, and human voices. Such measures may include the installation of soundproofing, air conditioning, acoustic lobbies and sound limitation devices;

v. The steps taken or proposed to be taken by the applicant to prevent disturbance by customers arriving at or leaving the premises.

viii. The steps taken or proposed to be taken by the applicant to prevent queuing (either by pedestrian or vehicular traffic). If some queuing is inevitable then queues should be diverted away from neighbouring premises or be otherwise managed to prevent disturbance or obstruction;

ix. The steps taken or proposed to be taken by the applicant to ensure staff leave the premises quietly;

x. The arrangements made or proposed for parking by patrons, and the effect of parking by patrons on local residents;

xi. The provision for public transport in the locality (including taxis and private hire vehicles) for patrons;

xii. The level of likely disturbance from associated vehicular and pedestrian movement to and from the premises;

xiii. The delivery and collection areas and delivery/collection times;

xv. The arrangements for refuse disposal, storage and the prevention/tidying of litter (including fly posters and illegal placards);

- xvi. The history of previous nuisance complaints proved against the premises, particularly where statutory notices have been served on the present licence holder;
- xvii. The history of the applicant in controlling anti-social behaviour and preventing nuisance
- xviii. The generation of odour, e.g. from the preparation of food;
- xix. Any other relevant activity likely to give rise to nuisance;
- xx. Any representations made by the Police, or other relevant agency or representative;

The following provides a non-exhaustive list of risks associated with the public nuisance objective that applicants may want to consider when preparing their Operating Schedule:

j) **Deliveries/collections** – noise from deliveries to and/or collections (e.g. refuse) from the premises are another common source of complaint. Consider the times of such deliveries/collections and make sure you specify to any contractors that deliveries/collections should not be made at anti-social times. As a guide, the Noise and Nuisance Service recommend that deliveries/collections should only be made between the hours of 7:30am and 9:00pm, depending on the proximity of residential and/or other noise sensitive properties.

k) **Late night refreshment** - applicants in respect of late night takeaways should demonstrate that they have assessed the risk of persons congregating in large numbers in the vicinity of their premises. Where appropriate, applicants should demonstrate suitable measures to address this problem.

l) **Light pollution** – this is an increasingly common source of complaint, particularly from illuminated signs and external security lighting. Where provided, illuminated signs should not cause glare to neighbouring properties, ideally being turned off at night, and external lighting should be angled and/or diffused to also prevent nuisance.

m) **Noise and/or vibration** breakout from the provision of regulated entertainment, particularly from (but not limited to) live music – consider what type of entertainment is to be provided, in what room/area of the premises and the suitability of the construction of this room/area to contain sound. Windows are a particular weak-point for noise break-out so consider providing regulated entertainment in a room without windows or with as few windows as possible, particularly windows that face towards nearby 40 residential properties. Where suitable, install a lobby to prevent spillage of noise each time an entrance/exit door is opened.

o) **Odour** – odour from cooking is a common source of complaint, particularly from restaurants and fastfood takeaways. The Council's Noise and Nuisance Service may therefore require evidence that the kitchen ventilation and/or extract systems are regularly maintained and serviced to ensure that it is operating efficiently and with minimal nuisance to neighbours arising from odour and also noise. This includes the siting of BBQs.

p) **Queue management** - establishing appropriate procedures to avoid the need for customers to queue before entering the premises or, where queuing cannot be avoided, to manage queues so as to minimise the potential for crime and disorder or public nuisance by customers who are queuing.

q) **Ventilation** – where regulated entertainment is to be provided there may be a requirement to keep doors and/or windows closed during its provision to limit noise breakout, consider therefore the provision of air conditioning for the comfort of your customers if doors and windows have to be closed during the summer. However, also

note air conditioning can be the source of noise complaints in itself, so careful consideration also needs to be given to the siting of this equipment.

r) **Waste** – consider how and where waste will be stored/disposed of at the end of trading hours, particularly if trading until late at night. This is important because the disposal of glass and/or cans to outside bin areas can be very noisy and give rise to complaints, so it may be necessary to store such items and other non-degradable refuse inside the premises until the next trading day. Consideration should also be given to the time of deliveries to minimize disruption to local residents.

s) **Litter** – for example, litter patrols for late night take-away premises

6. DETERMINATION

6.1 In determining this application, the Committee must have regard to the representations and take such of the following steps as it considers necessary for the promotion of the licensing objectives. The steps are:

(a) Grant the application in full

(b) Grant the application in part – modifying the proposed hours, activities or conditions.

(c) Reject the application

It is the Council's duty under the Licensing Act 2003 ("The Act") to determine applications with a view to promoting the four licensing objectives; Prevention of Crime and Disorder, Public Safety, Prevention of Public Nuisance and the Protection of Children from Harm.

In reaching a decision the Council shall consider the details of any relevant representations received; the applicant's Operating Schedule; the Council's adopted Statement of Licensing Policy and the guidance issued by the Secretary of State under section 182 of the Act.

If the Committee is minded to grant the application conditions may be attached to the licence to alleviate the concerns raised through the representations.

Spors Cafe is a small family run business located on the 39A Goldhawk Road W12 8QQ in Shepherds Bush in a row of several businesses, offices and other premises on both sides of Goldhawk Road. The entrance facing Woodger Road leads into the restaurant in the basement via stair way. The kitchen is located on the lift hand side as heading to the main seating area, to the right the bar and another setting dining area. Further to the recommendation by the licensing authority, the Police and Environmental officer in line with the Licensing Act 2003, I have invested over £35K to renovate the premises to meet the standards trading requirement. Almost one year now since I have granted the alcohol licence, with the current inflation and my business has been affected and I am struggling to cover my overhead. I am very determine person and I believe I can work more hours in order to change things. In line with licence holders to vary a premises licence under section 34 of the licencing Act 2003, I would like to apply for extended business hours and late night refreshment which is shown on the operating schedule of my application. I fully understand the impact could cause on the the licensing objectives, but I have all the protective measures in place, one to mention qualified SIA Door Supervisor at the weekend to make sure there will be no trespassing by the main entrance and outside of the premises.

Comments: 10/08/2022 9:26 AM I work for the council as a Community Safety officer and attended a Ward Panel meeting on the 27 July 2022. This establishment was mentioned as being an attraction to the local area for people to congregate, loiter and drug deal. The residents expressed such concerns about an increase in drug dealing, anti social behaviour that the Police and the council's LET officers were asked to increase patrols to help deter. A few days later after Police checked crime reports, they applied for a temporary cctv camera to be installed in the area to capture images to help identify offenders. The fact that this business is thinking of applying for a variation to their existing licence to include the sale of alcohol on and off the premises until 2am , I feel will only attract people to the area to drink and when they leave cause nuisance associated to noise and litter. The business will not be able to control people who choose to cause nuisance as they leave. I am worried that residents will feel trapped in their homes as Woodger Road, where they live is a cul-de-sac and the entrance to the Sports Cafe is on the only road in and out of the cul-de-sac by foot and by vehicle. If we are already receiving reports about drug dealing and this business is a cafe / restaurant I feel that by awarding a late nigh refreshment will only have a negative impact on the high residential area.

Comments: 10/08/2022 6:52 PM To Whom It May Concern,
The Sports Cafe has been a MAJOR disturbance on our little residential street. The customers are constantly standing smoking outside, blocking people with groceries and baby buggies. They also smoke cigarettes (and often marijuana) under our open windows. They talk loudly on the phone at night, and have on multiple occasions been extremely aggressive with neighbours, including using foul language in front of little children.
We have had many conversations with Samuel, asking him to please ask his customers to be respectful of the residents, but we continue to have problems.
Some of our residents have even reported the issues to the council to no avail.

To now allow them to stay open till 2:00a is out of the question. They already wake up our children when they leave at 11:00. Although the address is officially Goldhawk Rd, the actual entrance is on Woodger Road, a small residential street with children, and families and not an appropriate spot for a nighttime venue

The change in licensing hours would represent a dramatic disturbance to this residential street and its council tax paying residents, in addition, we believe bars on the main road (Brewdog and Hawksnest) dont even have this kind of license so we find it hard to understand how a 'Cafe' on the basement of a residential building can be considered for this extension.

Thanks in advance
Apex Court Management Company

Looping in the licensing team as well for full visibility.

Deal Jacolyn and Mercy,

I'm one of the other Directors of the Residents Management Company for Apex Court (company details: [1 WOODGER ROAD W12 MANAGEMENT COMPANY LIMITED](#))

For the reasons my colleague and neighbour Irene mentioned above, the numerous complaints we've received from our residents, this recent application has gotten us all concerned.

The flat where I live in Apex Ct faces Woodger Road and we often hear their customers leave at midnight or later causing a disturbance. In those instances, I have wondered if they are in breach of their existing license restrictions, and the reason they wish to extend their hours is that they wish to start operating within the law.

I'm confident this matter will get investigated thoroughly before a decision is taken.

We would welcome the opportunity to engage with yourselves and the licensing team in discussing some the challenges we have faced with this establishment and if there are any ways this situation can be improved.

Best wishes,

Antony Fox

Comments: 10/08/2022 3:13 PM i strongly oppose the extension of the licensing in these premises - they are already a massive problem for everyone living on woodger road the customers of the sports cafe are rude, the deal drugs, smoke under our windows, park outside out building and never turn off their engines, are often drunk and have verbally attacked many of us several times

the license at the sports cafe should not be extended, the sports cafe should be closed down so we can feel safe again

i have expressed my concerns in the past several times, this is not the right kind of bar to have in a residential street

please think about your citizens rather than this very unsuitable and dangerous business

Comments: 10/08/2022 4:18 PM Hello

I am writing to object to this license extension at the Sports Cafe. Under the current licensing we already experience a lot of anti-social behaviour by the customers of the cafe which we have tried to address with the owner without success. If anything I would like to see the license revoked.

The customers smoke under the windows of the apartment building next door to the cafe (in Woodger Road) where I live and the smoke comes into my apartment. When a resident of my building asked them to stop they acted aggressively towards her.

They leave the cafe very noisily late at night when the cafe closes and continue to loiter and talk loudly in Woodger Road. Children have been woken up by their noise but we can't close our windows all the time due to the heat. Loitering is a general issue at all times of the day with the customers blocking the pavement.

If you are in any doubt I encourage you to visit Woodger Road to see this behaviour first hand.

Kind regards
Felicity Taylor

Comments: 10/08/2022 6:10 PM The entrance to Sports Cafe is not on Goldhawk Road, it is on Woodger Road, adjacent to my block of approx 30 flats (Apex Court). There are also flats above and adjacent to sports cafe. Its a regular occurrence to have multiple customers of sports cafe standing outside on the pavement, smoking and talking, partially obstructing the path. They sometimes wander a few metres to outside our block while talking on mobile phones, outside bedroom windows. If they extend their opening hours then their customers will continue to talk and smoke outside people's flats while they are trying to asleep.

Comments: 10/08/2022 8:08 PM To Whom It May,

I am extremely distressed to hear that The Sports Cafe has filed license application to extend its hours. We are already suffering from the existing hours. I have personally been down to the cafe on several occasions to ask them to keep the sidewalks clear and the sound down, but Sam seems to have no control of his customers.

A few of the customers have picked fights with the residence. I informed the cafe of this, to which they responded "take a picture of the person and we will ban them". Not a smart idea...and needless to say the person still frequents the cafe.

This "cafe" should not have been given a license in the first place and it certainly should NOT be extended. We are a small street, and this cafe is NOT on Goldhawk Road, It is on Woodger Road despite it's address.

Thank you,
Sophia Ali

Comments: 10/08/2022 9:20 PM I am quite upset to learn that the Sports Cafe has applies for extended opening hours until 2 am on weekdays.
The Sports Cafe is on Woodger Road, next door to our apartment building. The address of the cafe is on Goldhawk Road, but the Cafe's door is on Woodger Road, on a narrow pavement which everyone entering Woodger Road must use.
On most evenings a group of the Cafe's patrons gather on the pavement, chatting, smoking and drinking from plastic cups, sometimes blocking the way for neighbours who are trying to get home. There have been incidents between neighbours and patrons. A few months ago one of my own dinner guests was subjected to personal remarks as she made her way to our door. This of course is unacceptable.
Since this situation is both unpleasant and unresolved it seems madness to extend the opening hours of the cafe.
I have one more issue- this one with the Council. We only learned about the application by chance yesterday, two days before the deadline. Why were we sent no notice? Surely Hammersmith and Fulham Council can do better by its council taxpayers.

Reasons for comment:

Comments: 11/08/2022 8:53 AM I strongly object to this application.

This area is a residential and daytime retail area with few pubs. There are very few late night licenses in the wider area and adding one would attract more drunk people to our residential street late at night. We already have problems with antisocial behaviour, a lot of it associated with the current activities of the sports cafe.

Furthermore, the premises in question is not suitable for its current licensed use, nor is it well-run.

The sports cafe, though its address is on Goldhawk road, has its entrance on Woodger road, a small residential cul-de-sac.

The cafe has no outside area and the customers seem to spend a lot of their time smoking, which they do outside the door of the cafe itself (which is in a mixed residential and commercial building) and also spread down the street, often having loud phone calls and conversations and smoking right outside people's windows. Attempts to ask them to be more considerate have been met with aggression.

The smokers often stand in small groups on the pavement and are not considerate of others who need to use the path. Again, polite requests for them to make way for people with babies in prams have led to aggression including swearing at a mother in front of her 2-year-old.

The owner of the cafe is well aware of the issues caused but seems unable to control his customers.

This license should be reviewed for compliance and restricted, not extended.

There are other sources of antisocial behaviour on Woodger road, which I hope the new law enforcement team will look into, but approving this application would undermine all the council claims to be trying to do.

Comments: 11/08/2022 9:51 AM I seriously object to all of this request.
As a resident of many many (12) years on this street I am appalled at the increase in intoxicated people:
hanging out on the street drinking alcohol covered by bags
vomiting on the street and in the gardens
urinating in the bushes
smoking and littering the road.
intoxicated people screaming and shouting late into night
Woodger road is a short residential street and has become a tip and a playground for unruly / illegal behaviour. This is well documented with my persistent emails to the Council.
I now, as a single 64 year old woman, I do not feel safe coming home late at night.
TAKE THIS AS A RECORD OF NOTE.
I have requested cctv cameras and police patrol on Woodger road to no avail.

ALLOWING THIS APPLICATION TO PROCEED WILL EXACERBATE ALL THE EXISTING PROBLEMS

It's especially not very safe for women or girls that just pass by as there have been silly comments, catcalling etc from them and I don't want this behavior to perpetuate or intensify by allowing them to consume alcohol to later hours of the night.

We are residents on this road and this cafe already makes a lot of noise. There are always gangs of men hanging around in the streets outside - which especially at night can be intimidating. There are often fights from this establishment that end up on the street. Lots of smoking of cigarettes which get thrown on the ground. Members of this cafe/club daily make parking in our road a nightmare! They pull cars across our private driveways and block us in while they are in the cafe.

Comments: 11/08/2022 10:36 PM hi, I live in the building next door (Apex Court) and my flat is facing the main street. Woodger road gets very noisy mainly on the weekends and late in the weekdays nights due to people being drunk, they get together in small parties and they speak with loud voice. it will be good to keep the buildings around without much activity late in the evening as many people in Apex Court have kids and they need to put them to bed early. It will be good to make sure shops around here do not sell alcohol. Since I moved here, late June..on one occasion the Ambulance was called because someone got sick due to alcohol consumption. also another source of noise is mops being parked on the Woodger road street and people get together in groups making small reunions, drinking on the street. this situation is not very family friendly and it is not a good environment to live in. As I am also a recent buyer of a flat in this building, I would like to live here around good quality people, keep the value of my property and increase the look and feel of the area. this place is in a very good location and it will be good to have a better high street experience with boutique kind of shops, well known brands and more artistic premises. Thank you

Kind regards

Reasons for comment:

Comments: 11/08/2022 11:56 PM The level of antisocial behaviour relating to this establishment is unbearable. I cannot condone any extension to a license which is impacting my family and neighbours lives this way. From walking past the entrance and hoping to god no one flicks a cigarette out of the door on to me or my child right through to the excessive noise and debris left around it which we need to wade through In order to get past this bar's entrance to get to the main road. The idea of listening to the sounds from this establishment till 2am is nonsense given no other places in the area hold even close to a similar license and the establishment being on the cull de sac backing in to residential properties. Many more examples where this came from.

Kind regards

Comments: 12/08/2022 9:38 AM I strongly object to this extension. Too close to neighbouring residential properties in an area with several bars and restaurants close by.

Reasons for comment:

Comments: 12/08/2022 11:52 AM Not happy at all with the extension on hours, please see my reasons below.

1. Lot's of noise from the cafe outside the premises
2. Most are outside smoking and leaving rubbish on the pavement/road
3. Too many cars are parked on our road also blocking our drives

I am totally against this extension on hours and I am actually shocked they were even given a license to run a business on a residential road.

Thanks

Kind regards

Comments: 12/08/2022 11:17 PM Please note that I object for the hours to be extended for the sale of alcohol both on and off the premises of the Sports Café. This is yet another Licence Application, to our very busy area.
We , as residents of the area very much against our desired intention to reduce such establishments operating late at night in our neighbourhood.
There is already too much disturbance on our streets already

Kind regards
