**6. 299, 301 AND 303 MUNSTER ROAD, LONDON SW6 6BJ, MUNSTER, 2023/01687/FUL**

Roy Asagba-Power presented the item. The Architect spoke in support of the application.

During the course of discussions, the Committee explored a number of issues. These included: the context for a potential unilateral undertaking and the planning ramifications of this. The Committee considered that in this case, the cumulative impact of the proposed extensions would not cause demonstrable visual harm to the existing character of the area due to the lack of existing uniformity within the front elevation of the current terrace, and the differing scale/roof heights (and presence of existing mansard extensions) in the vicinity of the application site. On balance, the Committee agreed that securing a unilateral undertaking to ensure that at least two- adjoining properties would be developed in full would justify approving planning permission, (subject to relevant conditions).

The Committee voted on the officer recommendation to refuse the application as follows:

<b>FOR</b>	<b>1</b>
AGAINST:	6
NOT VOTING:	0

Therefore, this recommendation was lost.

Councillor Florian Chevoppe-Verdier proposed the following motion, which was seconded by Councillor Alex Karmel - to delegate authority to the officers:

1. *To grant planning permission subject to securing a Unilateral Undertaking to ensure at least two adjoining properties would be built at the same time and to attach the appropriate planning conditions for the following reasons :*
  - a. *Subject to a Unilateral Undertaking securing at least two adjoining extensions being built together there will be no demonstrable harm or significant impact on the character of the area.*
  - b. *The development is not in a conservation area and not in close proximity to a designated area, therefore subject to the Unilateral Undertaking being completed there would be no harm.*
2. *If the Unilateral Undertaking was not completed within 6 months of the date of this meeting to refuse planning permission.*

The Committee voted on the motion above as follows:

<b>FOR</b>	<b>6</b>
AGAINST:	1
NOT VOTING:	0

Therefore, this motion was carried.

A further motion was proposed by the Chair, Councillor Omid Miri *to delegate authority to officers to make minor changes to the reasons stated.* This was seconded by Councillor Florian Chevoppe-Verdier.

The Committee voted on the motion above as follows:

<b>FOR</b>	<b>6</b>
AGAINST:	1
NOT VOTING:	0

Therefore, this motion was carried.

Councillor Alex Karmel proposed *that the planning conditions and terms of the Unilateral Undertaking be agreed with the Chairman before the planning permission was issued.* This was seconded by Councillor Florian Chevoppe-Verdier.

The Committee voted on the motion above as follows:

<b>FOR</b>	<b>7</b>
AGAINST:	0
NOT VOTING:	0

Therefore, this motion was carried.
