SUMMARY OF DECISION

The Committee has considered an application for a variation to the premises licence to extend the hours for the sale of alcohol of the existing License under the Licensing Act 2003 (“the Application”).

In summary, the Committee has decided, after taking into account all of the individual circumstances of this case and the promotion of the four licensing objectives to

1. Grant the application in part as follows;

Sale of Alcohol off the Premises

Monday to Saturday 10:00 - 23:00

Sundays 10:00 – 22.30

2. Add two conditions to the existing licence

1. Between the hours of 10:00 to 11:00 from Monday to Sunday, alcohol shall only be purchased by customers with a credit or debit card. No cash payments shall be accepted.

2. Single cans or bottles of beer or cider shall not be sold.

This licence becomes operational with immediate effect. If problems are experienced, then an application for a review of the premises licence can be made.

A copy of this Committee's full decision including its reasons and the full text of the conditions added to the licence will be sent to the parties forthwith.

If the Applicant is unhappy with the decision, they are entitled to appeal to the magistrates' court within 21 days from the date of notification of the full decision.
