5. POLICY CONSIDERATIONS

5.1 Section 5 pages 12 and 13 of the Statement of Licensing Policy (“SLP”) states that in order to ensure the promotion of the four Licensing Objectives the Licensing Authority will require applicants to detail in their operating schedule:

- the steps proposed to promote the licensing objective of the prevention of crime and disorder on, and in the vicinity of, the premises, having regard to

their location, character, condition, the nature and extent of the proposed use and the persons likely to use the premises;

- the steps proposed to ensure the physical safety of people using the relevant premises or place;
- how they intend to prevent nuisance arising, prevent disturbance and protect amenity so far as is appropriate to ensure that the Licensing Objectives are met. Where there is a relevant representation regarding extended hours, the Licensing Authority will not permit an extension unless it is satisfied that the Licensing Objectives would be met;
- the measures and management controls in place to protect children from harm. Where appropriate a written childcare policy should be available and be incorporated in the induction of staff.

5.2 Section 7 page 15 of the SLP states that for sales of alcohol for consumption off the premises – applicants in respect of off licences and other premises selling alcohol for consumption off the premises may need to consider whether:

- there are shutters to prevent alcohol from being selected in non-licensed periods.
- there are appropriate numbers of staff on duty to deal with possible ‘intimidation’ to sell alcohol.
- there are restrictions required on the sale of low price, high strength alcohol and drink promotions.
- an incident log book is available to record incidents.
- there are measures in place necessary to prevent underage sales. (See Annex 1)
- there are measures in place necessary to prevent alcohol from being sold outside permitted hours where the operating hours of the premises exceed those for the sale of alcohol.
- there are procedures in place to prevent sales of alcohol to intoxicated persons (with particular attention to street drinkers) or individuals leaving premises in the vicinity such as a late night bar; where there is evidence to suggest this is a problem the Licensing Authority may require a temporary cessation of alcohol sales during high risk times.

5.3 Policy 3 page 21 of the SLP states that where there is a relevant representation, the Licensing Authority will consider each particular case on its merits having regard in particular to the following matters:

- a) Whether the licensed activities are likely to have an adverse impact especially on local residents and, if there is potential to have an adverse impact, what, if any, appropriate measures will be put in place to prevent it;
- b) Whether there will be a substantial increase in the cumulative adverse impact from these or similar activities, on an adjacent residential area;
- c) Whether there is a suitable level of public transport accessibility to and from the premises at the appropriate times;
- d) Whether the activity will be likely to lead to a harmful and unmanageable increase in car parking demand in surrounding residential streets suffering high levels of parking stress or on roads forming part of the Strategic London Road Network or the London Bus Priority Network leading to a negative impact on the Licensing Objectives relating to the prevention of crime, disorder, anti-social behaviour (ASB), nuisance and vehicle emissions;

e) Whether there have been any representations made by Responsible Authorities, or other relevant agency or representative.

The Licensing Authority will closely scrutinise extended hours applications to ensure that the Licensing Objectives are met. In determining an application the licensing committee might decide that the circumstances are such that a restriction on hours is the only appropriate means to achieve the Licensing Objectives. If an 'hours' restriction is imposed, the Licensing Authority will normally require that customers should be allowed a minimum of thirty minutes to consume alcohol.

To act as a guide for new or existing operators we have set out the suggested closing times for licensed premises below:

Type of premises	Town centres	Mixed use areas	Residential areas
Off-licences and alcohol sales in Supermarkets	23:00 daily	23:00 daily	22:00 daily

5.4 Policy 11 page 30 of the SLP states that population densities in this borough are high, with many residential premises located above or in close proximity to licensed premises. This means that the public nuisance and crime and disorder objectives will be of paramount concern when evaluating Operating Schedules. Licensing Committees will place high regard on the control measures put in place by the applicant to ensure that our residents are protected from the potential detrimental effects of any licensed premises.

5.5 Annex 1 pages 35 and 36 of the SLP in relation to the prevention of crime and disorder states licence applicants will be expected to demonstrate the following in their operating schedules:

c) Operators of off-licences in areas problems relating to street drinking and under age drinking are prevalent, measures should be outlined to strictly monitor the way alcohol is sold, specifically where the premises are located close to schools and hostels and similar premises that provide shelter or services to alcohol dependent persons.

d) It is important to ensure that staff working at off licences are suitably trained and receive appropriate refresher training in their responsibilities under the Act and can discharge their duties in full compliance with the licence conditions and requirements of the Act. This includes the ability to competently check a customer's age with acceptable forms of identification where necessary. The Licensing Authority will particularly consider the following matters where they are material to the individual application:

- i. The likelihood of any violence, public order or policing problem if the licence is granted;
- ii. The measures taken to control admission to the premises, and to take reasonable steps to prevent the occurrence of crime and disorder and public nuisance immediately outside the premises, where and to the extent that these matters are within their control.

- iii. Past conduct and prior history of complaints against the premises;
 - iv. Whether a dispersal policy has been prepared to minimise the potential for disorder as customers leave the premises; and
 - v. Any relevant representations.
- g) Conditions will, so far as possible, reflect local crime prevention strategies, and the Licensing Authority will also have regard to the views of the local Crime and Disorder Reduction Partnership.
- h) Crime and disorder in the vicinity of the premises: this may include the crime and disorder risks arising from persons queuing to enter the premises; persons exiting the premises and customers smoking eating or drinking in outdoor areas and on the highway outside the premises. This can also include crime arising from pickpockets and bag snatchers, particularly in open spaces or crowded areas where alcohol is being consumed.
- j) CCTV - using CCTV inside and/or outside the premises together with appropriate procedures and having staff properly trained to use CCTV equipment.
- k) dispersal procedures - establishing appropriate dispersal procedures to minimise the potential for crime and disorder when customers are leaving the premises.

5.6 Annex 1 pages 38 to 40 of the SLP in relation to the prevention of public nuisance states that the Licensing Authority will particularly consider the following matters where they are material to the individual application:

- ii. The proximity of residential accommodation;
- iii. The type of use proposed, including the likely numbers of customers, proposed hours of operation and the frequency of activity;
- v. The steps taken or proposed to be taken by the applicant to prevent disturbance by customers arriving at or leaving the premises.
- viii. The steps taken or proposed to be taken by the applicant to prevent queuing (either by pedestrian or vehicular traffic). If some queuing is inevitable then queues should be diverted away from neighbouring premises or be otherwise managed to prevent disturbance or obstruction;
- ix. The steps taken or proposed to be taken by the applicant to ensure staff leave the premises quietly;
- x. The arrangements made or proposed for parking by patrons, and the effect of parking by patrons on local residents;
- xi. The provision for public transport in the locality (including taxis and private hire vehicles) for patrons;
- xii. The level of likely disturbance from associated vehicular and pedestrian movement to and from the premises;
- xiii. The delivery and collection areas and delivery/collection times;
- xv. The arrangements for refuse disposal, storage and the prevention/tidying of litter (including fly posters and illegal placards);
- xix. Any other relevant activity likely to give rise to nuisance;
- xx. Any representations made by the Police, or other relevant agency or representative;

The following provides a non-exhaustive list of risks associated with the public nuisance objective that applicants may want to consider when preparing their Operating Schedule:

- j) **Deliveries/collections** – noise from deliveries to and/or collections (e.g. refuse) from the premises are another common source of complaint. Consider the times of

such deliveries/collections and make sure you specify to any contractors that deliveries/collections should not be made at anti-social times. As a guide, the Noise and Nuisance Service recommend that deliveries/collections should only be made between the hours of 7:30am and 9:00pm, depending on the proximity of residential and/or other noise sensitive properties.

k) **Late night refreshment** - applicants in respect of late night takeaways should demonstrate that they have assessed the risk of persons congregating in large numbers in the vicinity of their premises. Where appropriate, applicants should demonstrate suitable measures to address this problem.

l) **Light pollution** – this is an increasingly common source of complaint, particularly from illuminated signs and external security lighting. Where provided, illuminated signs should not cause glare to neighbouring properties, ideally being turned off at night, and external lighting should be angled and/or diffused to also prevent nuisance.

p) **Queue management** - establishing appropriate procedures to avoid the need for customers to queue before entering the premises or, where queuing cannot be avoided, to manage queues so as to minimise the potential for crime and disorder or public nuisance by customers who are queuing.

r) **Waste** – consider how and where waste will be stored/disposed of at the end of trading hours, particularly if trading until late at night. This is important because the disposal of glass and/or cans to outside bin areas can be very noisy and give rise to complaints, so it may be necessary to store such items and other non-degradable refuse inside the premises until the next trading day. Consideration should also be given to the time of deliveries to minimize disruption to local residents.

s) **Litter** – for example, litter patrols for late night take-away premises

6. DETERMINATION

6.1 In determining this application, the Committee must have regard to the representations and take such of the following steps as it considers necessary for the promotion of the licensing objectives. The steps are:

(a) Grant the application in full

(b) Grant the application in part – modifying the proposed hours, activities or conditions.

(c) Reject the application

It is the Council's duty under the Licensing Act 2003 ("The Act") to determine applications with a view to promoting the four licensing objectives; Prevention of Crime and Disorder, Public Safety, Prevention of Public Nuisance and the Protection of Children from Harm.

In reaching a decision the Council shall consider the details of any relevant representations received; the applicant's Operating Schedule; the Council's adopted Statement of Licensing Policy and the guidance issued by the Secretary of State under section 182 of the Act.

If the Committee is minded to grant the application conditions may be attached to the licence to alleviate the concerns raised through the representations.

Dear Sir/Madam, our current premises license starts at 11.00am we have a lot of customers that ask us for alcohol before that but we cannot supply due to our timing restrictions in the license. It would be heavily appreciated if you can change our licensing timing from 8.00am. In addition to that our license finishes at 23.00pm Mon-Sat and at 22.30 on Sundays we would also like to change the timing for that to midnight from Mon-Thurs and Fridays and Saturdays till 1.00am and 23.00 on Sundays. Besides that we are not permitted to sell beers more than 5.5%, we would also appreciate if you can give us a strong beer license or even till 9%. I can understand I am probably asking for too much but as you know we are a new business it is hard to survive with all the costs going up with utilities etc we do require more profit in order for us to keep going and keeping up to our expenses. In addition the area we are located in has a very high foot fall as we have the high street near to us and so many hotels which tourists reside in, we can not provide the required customer service to them due to all the restrictions we have on our premises license.

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

I will train staff to contribute to well-run the premises and have a responsible approach to the sale of alcohol. All staff will be advised of licensing law in writing before they are allowed to serve alcohol.

b) The prevention of crime and disorder

An alarm and other security measure are installed at the premises to protect it when closed or empty with CCTV footage up to 31 days. A panic alarm connected to verisure is also installed in the matter of crime.

c) Public safety

A risk assessment is carried out each 12 months to identify potential hazards posed to staff or customers and setting out precautions to manage the hazards. All staff will also be made aware of the risk assessment and precautionary measures.

d) The prevention of public nuisance

We will reduce the potential for excessive queue lines with a well managed and efficient door policy. Queues should be actively managed by door staff, especially later in the evening, to keep noise to a minimum. Rowdy behavior from people queuing to get will not be tolerated. Door staff will refuse entry to anyone behaving in an anti-social way.

the need to be vigilant in preventing underage sales and to customers that it is against the law for anyone under 18 to purchase alcohol. A 'Challenge 25' scheme gives staff additional support and encouragement to ask for ID from any person appearing to be under 25 years of age to prove that they are over 18. We also Keep a refusals book and ensure it is completed whenever a sale is refused to a person who cannot prove they are over the age of 18.

Good Morning Jasmeet,

It was good to meet you yesterday and discuss your application. I explained the concerns of the Police in relation to increasing the % abv for beers, lagers, ciders and stouts and the reason that this condition has been placed on a significant number of premises licences across Hammersmith and Fulham.

I also explained my concerns in relation to your premises being able to sell alcohol past 23:00 and the fact that by allowing this, I am of the opinion that crime and disorder will increase as a result of these later hours.

The Police do want to work with local businesses and therefore, as discussed, I would not object to the following:-

Good Morning Mr Gabha,

My name is Kris Cardwell, I am the Police Licensing Officer for Hammersmith and Fulham. I can confirm that the Metropolitan Police are in receipt of the full variation to the premises licence for Shepherds Bush Food And Wine, 20, Shepherd's Bush Road, London, W6 7PJ as detailed below:-

Licensable activities to vary- The sale of alcohol - Off the premises only

Proposed Hours

Mondays to Thursdays - 08:00 to 00:00

Fridays and Saturdays - 08:00 to 01:00

Sundays - 08:00 to 23:00

Current Hours

Mondays to Saturdays - 11:00 to 23:00

Sundays - 11:00 to 22:30

Condition 6 - The premises shall not sell nor offer for sale the following products in excess of 5.5% alcohol by volume: beer; lager; stout; ale and cider. (The licensee wishes to increase the limit for the strength of alcohol which can be sold from 5.5% to 9%)

By way of background, the entire Borough of Hammersmith and Fulham suffers with street drinkers. Sadly, street drinkers are vulnerable addicts that drink the highest %abv possible to fuel their habit. It is well evidenced that their behaviour includes, shouting, swearing, spitting, vomiting and often their behaviour leads to violence. This behaviour is of course particularly unpleasant affects the local community. It is therefore essential that every operate who sells alcohol does so in a responsible manner to address this issue.

A significant amount of work has taken place between the Police, the Local Authority and local residents to deal with street drinkers and specific licensing conditions have been placed on premises licences to restrict the sale of alcohol to street drinkers, hence the 5.5%abv condition. Most other premises have this condition on the licence and the Police would object to any increase such as the one that you have proposed. There are a significant number of products that can be sold which are 5.5%abv or less.

That being said, the Police do want to work with premises and I understand that an increase in the hours of licensable activity would assist your business model. The Police do not want premises such as yours selling alcohol past 23:00 as this creates other problems and will most certainly increase the potential for crime and disorder to take place.

The Police would not object to the following:-

The sale of alcohol - Off the premises only

Mondays to Sunday – 09:00 to 23:00

Please consider my proposal. I am in Hammersmith tomorrow and I am happy to call in to your shop and discuss your application.

I look forward to hearing from you,

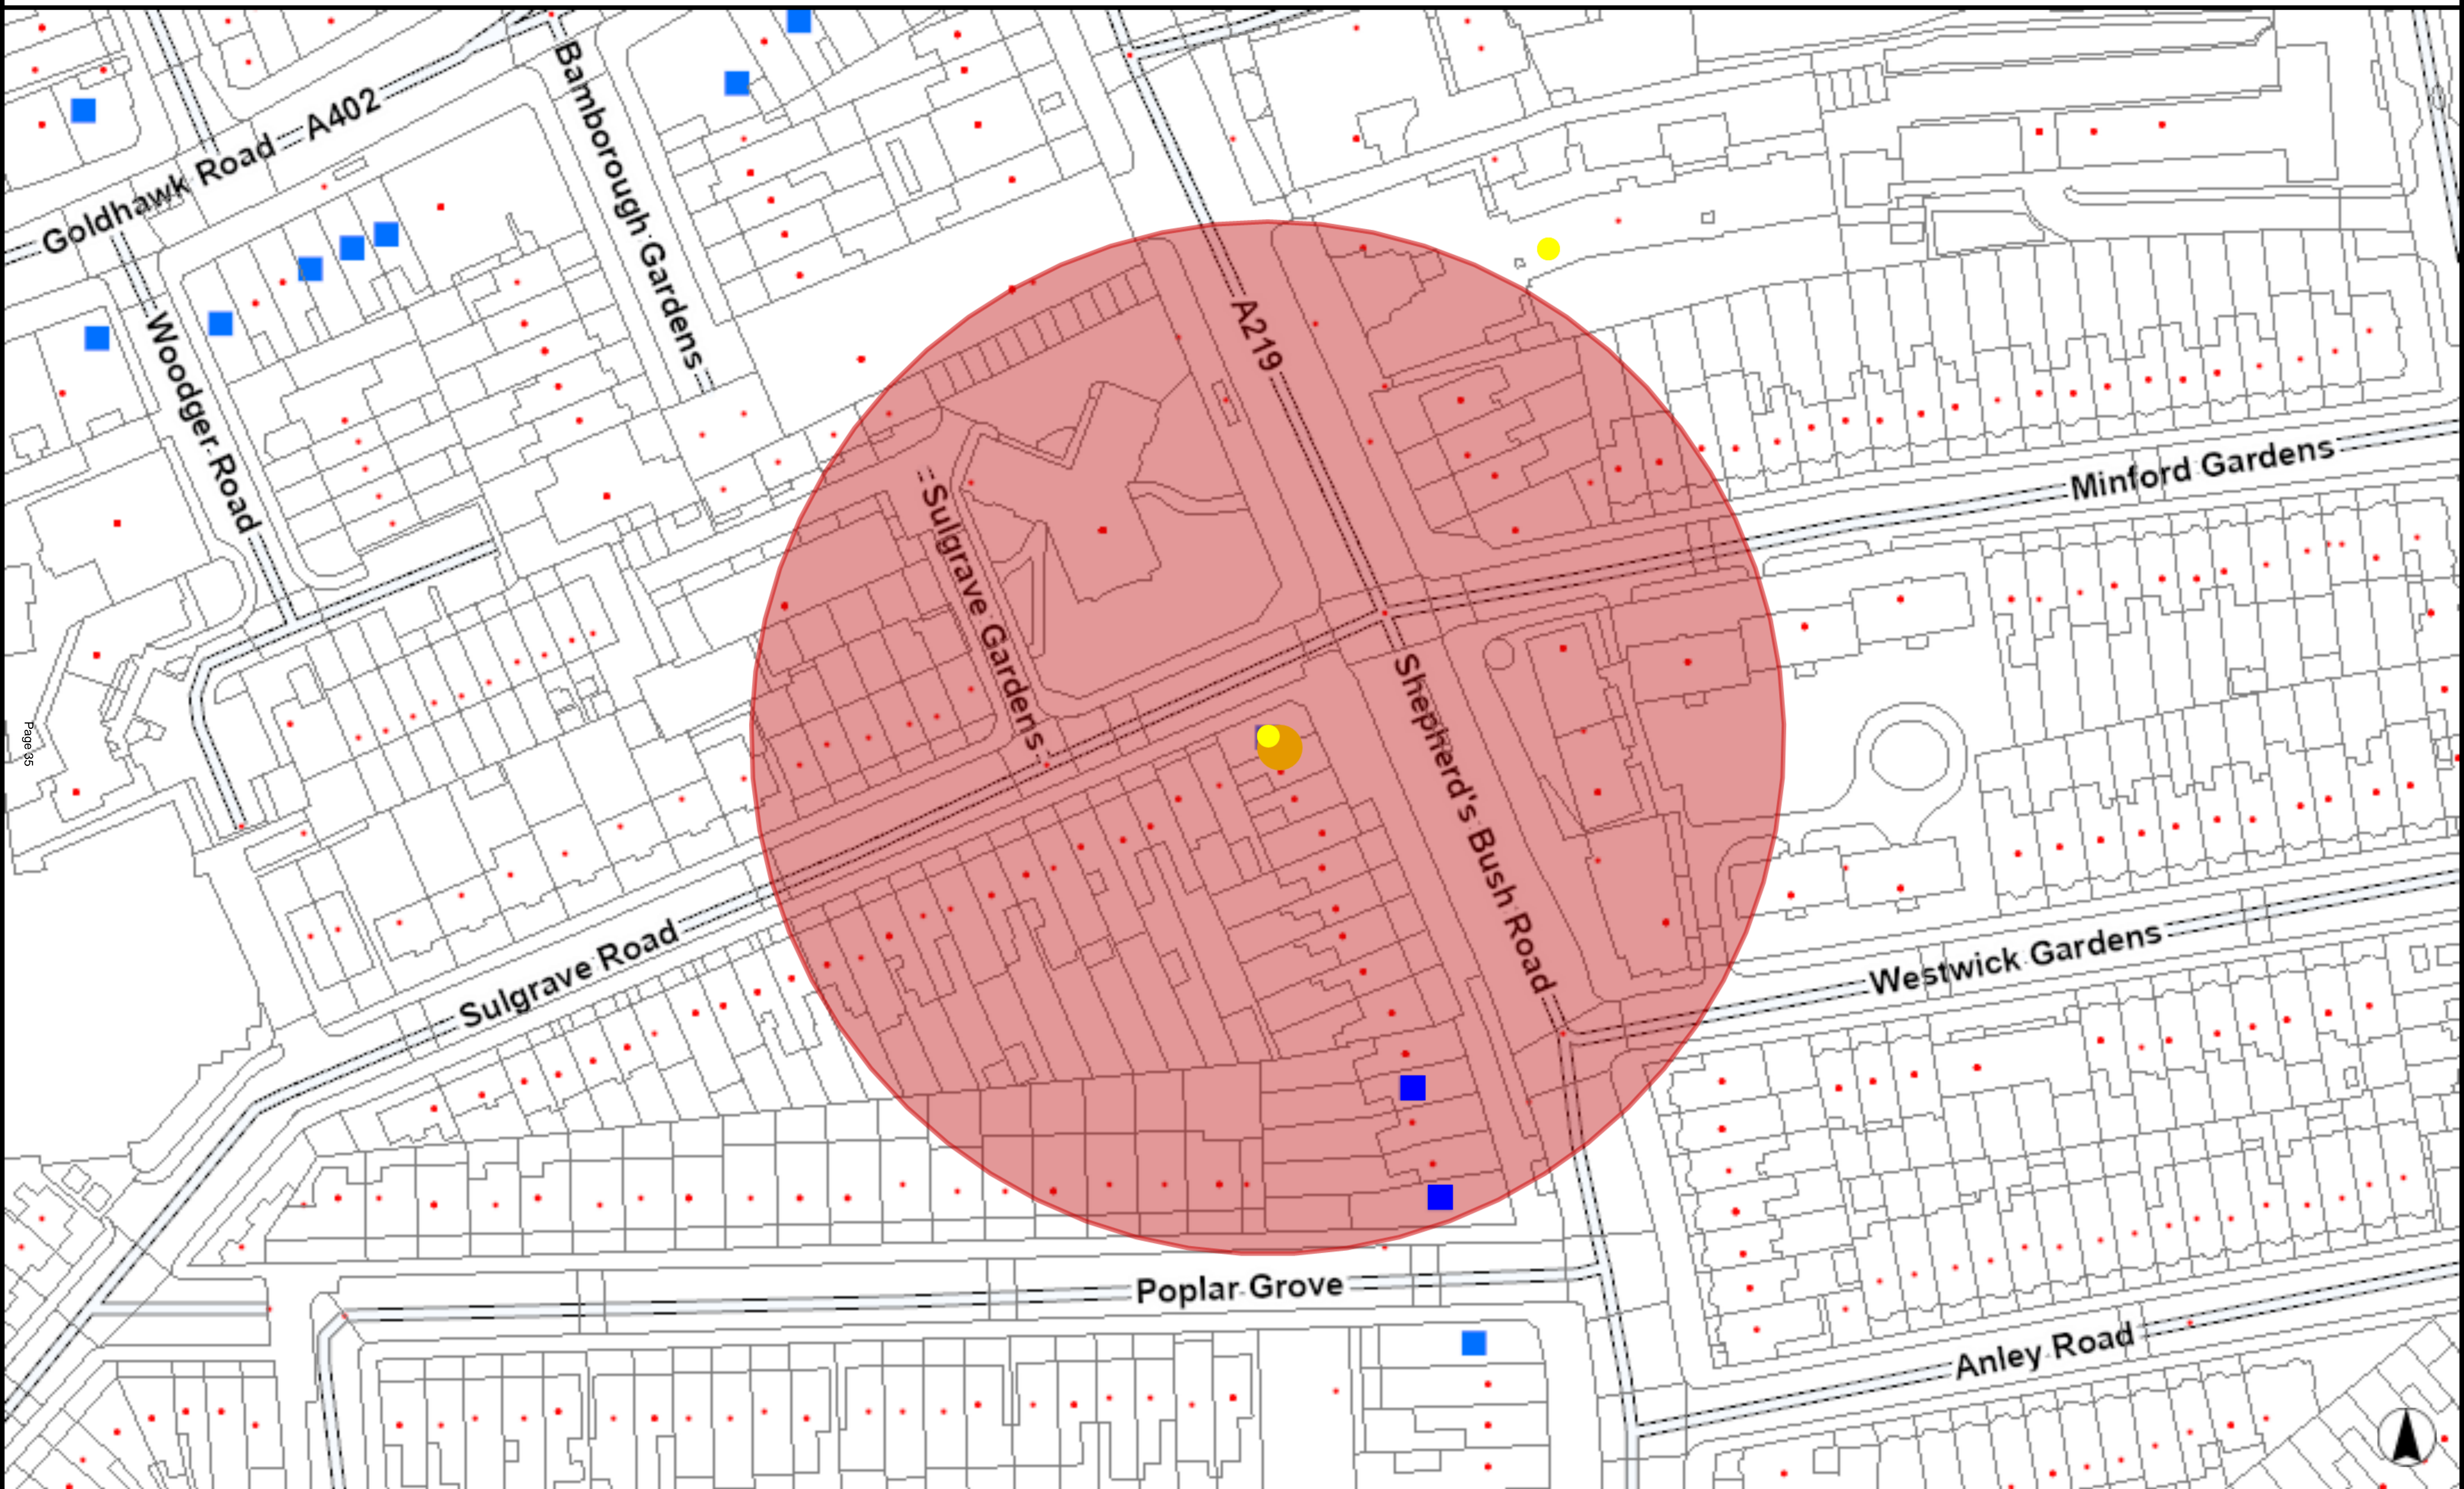

Kind regards,

Kris.

Comments: 06/01/2023 7:06 AM There is already a significant ASB problem due to street drinking, begging and associated hostels around the Shepherds Bush Road area. LBHF have in the past restricted alcohol licence in the area to minimise the increased community problems and ASB caused by street drinking.

No additional late night licences or applications to sell stronger alcohol should be granted.

The existing hours 11am-11pm do NOT need extending. Residents are impacted by the ASB of the alcoholics. This must not be allowed. Think about the children.

Comments: 06/01/2023 10:36 AM Alcohol consumption is one of the major contributors to anti-social behaviour in the residential area adjacent to Shepherds Bush Green. This is especially the case in warmer weather outside normal licensing hours, and selling alcohol should therefore be limited as icy as possible

Reasons for comment:

Comments: 06/01/2023 12:09 PM The proliferation of such licence extension should be stopped by the Council. The increase of hours and strength of alcohol can only attract late night revellers and the noise and anti-social behaviour that will accompany it. It may not occur directly outside the premises but be taken back to late night parties where neighbours will be disturbed. It can also cause ASB around the premises where street drinkers will want to hang out and drink extra strong cheap lager and cider. Although this premise is not near our homes, the granting of such licences can be quoted by others so that they too can extend their licences and cause the ASB that always accompanies these extensions. Please oppose this. 11am to 11pm should be sufficient hours fo supply alcohol to those who want to responsibly consume it.

Reasons for comment:

Comments: 06/01/2023 1:44 PM The Caxton Village Tenants and Residents Association (TRA) strongly objects to this application.

Ours is an area where residents have long had to deal with an unreasonable amount of antisocial behaviour, drug dealing and using, and violent crime. You may be aware that Caxton Village and Shepherd's Bush Green is currently under a partial closure order agreement - enforced by Sergeant Thomas Cook from the SNT) because of this anti social behaviour (urination, defecation, drug dealing, and using etc), and other crime.

Caxton Village in particular does not welcome anything that will exacerbate the existing problems in these five streets.

The SNT (police) will tell you that there is a direct correlation between late licensing and antisocial behaviour and crime (including drug use and drug violent. We request that the council liaise with the SNT re. late license applications and that you exercise a blanket rejection of any applications for late licensing along Uxbridge Road, and around Shepherd's Bush Green.

It should not have to fall to local residents - many of whom will not be aware of these planning applications - to object.

The partial closure order has temporarily reduced ASB and crime in our streets significantly. We need to maintain this reduction. Late licenses will do the opposite.

Comments: 06/01/2023 1:45 PM Hi, that it is within the Partial Closure order area of SBG and Caxton Village, in place due to problems relating to the alcoholics present and marauding out streets, we already have a huge issue with drug abuse and alcohol abuse in this area. I have sleepless nights because of it, we do not need anymore of this on our streets. 11 pm closure is already lengthy enough.

Kind regards

Comments: 06/01/2023 1:59 PM I want to submit these objections:
- there is a Partial Closure order area of SBG and Caxton Village, in place due to problems relating to the alcoholics present and marauding out streets
- their existing hours 11am-11pm do NOT need extending
- residents are impacted by the ASB of the alcoholics

Comments: 07/01/2023 11:12 AM Speaking as a local resident , there have been longstanding issues of alcoholism and anti social behaviour on Shepherd's Bush Green, which often spills into the surrounding streets. I've lost count of the number of times I've witnessed public urination and defecation in the area.
As such, I would strongly argue that it is wholly inappropriate to extend licencing when it is clear there are issues with alcohol in the neighbourhood.

Kind regards

Reasons for comment:

Comments: 07/01/2023 3:19 PM I have objected for the following reasons: 1) Increases in alcohol and drug related crime & ASB on SBG and Caxton Village since the summer of 2022 have resulted in current partial closure order being required. The last thing we need is stronger alcohol being sold and it being licensed to buy later. 2) We have a lot of hostels catering for those without homes and those with alcohol and substance use disorders. It would therefore be hugely irresponsible of LBHF to grant this kind of license so close to these hostels.

Kind regards

Comments: 07/01/2023 8:40 PM I object to this application.

The location of the store is within the partial closure order zone, in place as a result of increased drug/alcohol use, antisocial behaviour, urination and defecation on the streets, drug dealing, assaults and other related crimes over recent months.

Further, our local police team have said themselves that there is a direct correlation between late licensing and the types of crimes listed above.

There are many heavy alcohol users that congregate on Shepherd's Bush Green. Late licensing would not be good for these people that instead need help, not greater access in late hours.

Extending of licensing hours to sell alcohol, considering all the above is wholly inappropriate and irresponsible.

Increasing the alcohol percentage from 5.5% to 9%, considering all the above is wholly inappropriate and irresponsible.

It is on these bases that I wholly object to this application.
