**SUMMARY OF DECISION**

The Committee has considered an application for a review of a premises licence under the Licensing Act 2003 (“the Application”).

In summary, the Committee has decided, after taking into account all of the individual circumstances of this case and the promotion of the four licensing objectives to:

1. To remove the suspension of the Licence with immediate effect
2. To impose the conditions proposed by the Premises Licence holder and agreed by the Applicant and the Licensing Authority with immediate effect
3. To impose as a condition the removal of the Designated Premises Supervisor with immediate effect

A copy of this Committee's full decision including its reasons and the full text of the conditions added to the licence will be sent to the parties forthwith.

If any party is unhappy with the decision they are entitled to appeal to the magistrates' court within 21 days from the date of notification of the full decision
