(8:00PM OR AFTER CONSIDERATION OF THE FIRST ITEM)**

**SUMMARY OF DECISION**

The Committee has considered an application for a variation of the existing premises licence for adding an additional condition to the licence as follows: "*Conditions on this Premises Licence that relate to the ID scanner (Conditions 30, 31 and 32) shall only take effect when the Premises Licence Holder is given 10 days’ written (including email) notice by the Metropolitan Police licensing officer. The premises will*

*continually risk assess the use of the ID scanner" under the Licensing Act 2003 ("the Application").*

In summary, the Committee has decided, after taking into account all of the individual circumstances of this case and the promotion of the four licensing objectives :

- (a) To reject the additional condition proposed by the Applicant.
- (b) To amend existing conditions 30 and 32 to require that any patrons/customers that the Licence Premises Holder believes to be less than 25 years of age, have their ID scanned on entry to the Premises.

A copy of this Committee's full decision including its reasons, and the full text of the conditions added to the licence will be sent to the parties forthwith.

If the Applicant or any person who has made a relevant representation is unhappy with the decision, they are entitled to appeal to the magistrates' court within 21 days from the date of notification of the full decision.
