Health & Wellbeing Board

Agenda

<u>Item</u>	<u>Pages</u>
1. APOLOGIES FOR ABSENCE	
2. DECLARATIONS OF INTEREST If a Member of the Board, or any other member present in the meeting has a disclosable pecuniary interest in a particular item, whether or not it is entered in the Authority's register of interests, or any other significant interest which they consider should be declared in the public interest, they should declare the existence and, unless it is a sensitive interest as defined in the Member Code of Conduct, the nature of the interest at the commencement of the consideration of that item or as soon as it becomes apparent. At meetings where members of the public are allowed to be in attendance and speak, any Member with a disclosable pecuniary interest or other significant interest may also make representations, give evidence or answer questions about the matter. The Member must then withdraw immediately from the meeting before the matter is discussed and any vote taken. Where members of the public are not allowed to be in attendance and speak, then the Member with a disclosable pecuniary interest should withdraw from the meeting whilst the matter is under consideration. Members who have declared other significant interests should also withdraw from the meeting if they consider their continued participation in the matter would not be reasonable in the circumstances and may give rise to a perception of a conflict of interest. Members are not obliged to withdraw from the meeting where a dispensation to that effect has been obtained from the Standards Committee.

of an item of business, on the grounds that it contains the likely disclosure of exempt information, as defined in paragraph 2 of Schedule 12A of the said Act, and that the public interest in maintaining the exemption currently outweighs the public interest in disclosing the information.
