Three no longer have any active members. Regulation 38 of the Local Government Pension Scheme (Administration) Regulations (the Regulations) now requires the Fund to treat these organisations as exiting employers. There are three options for doing this. Each deals differently with their outstanding liabilities and the exit payments required to cover those liabilities.</p> <p>The preferred option for exiting the organisations allows the Fund to fulfil its obligations under the Regulations while recovering some of their deficit to the Fund. The paper recommends that H&F Council should agree to act as guarantor for all three organisations to enable the Pension Fund to exit them on an on-going basis and agree repayment plans with two of the three organisations.</p> <p>The recommendation has financial implications for the Council.
