Strategic Director of the Economy Department	October 2022	Procurement Strategy - Caretakers Lodges The aim of the scheme is to generate income by redeveloping caretakers lodges into low rental, short term accommodation for teaching staff employed in H&F schools, after which they will have the option of accessing the Council wider affordable housing offer e.g. Shared Ownership or Help to Buy. The discovery work has enabled a business case for investment in repurposing four lodges as affordable key workers houses to house a first cohort of teachers from September 2021. This is expected to deliver the Council immediate revenue benefits of between £63k and £113k from the schemes launch with a breakeven point from 2025/26 considering the upfront capital invested. Works scheduled for 2021 are estimated to cost £555,481 and be paid for from Capital Planned Maintenance Budget. Due to the high pre-tender estimated costs for refurbishment to two of the lodges, a procurement strategy will be drafted for approval. This will account for £407,481 of the total pre tender estimated value. The Corporate Landlord Board, Children's Leadership Team and Cabinet Member have approved the business case for progression of the first four lodges.
