If you want to make such representations, please e-mail Katia Neale on katia.neale@lbhf.gov.uk. You will then be sent a response in reply to your representations. Both your representations and the Executive's response will be published on the Council's website at least 5 working days before the Cabinet meeting.

These increases have many impacts on residents and buildings and the associated infrastructure including the failure of operational systems such as lifts.</p> <p>Since 2020, we have noticed a rise in temperatures during summer months, which has resulted in 50 lifts going out of service as the operating temperatures in motor rooms housing the plant are exceeded. This results in significant impacts on residents in accessing their homes or exiting the building. The installed passive air flow grilles in the motor rooms are inadequate to provide a cool operating function and therefore there is need for the provision of active climatic control within the motor rooms.</p> <p>Furthermore, temperatures drop below freezing during the winter months, having an adverse effect on control units due to ice forming on motor room walls during the day with this resulting in condensation which pours into control panel</p>	Cabinet Member for Housing and Homelessness	A detailed report for all decisions going to Cabinet will be available at least five working days before the date of the meeting. Cabinet Member for Finance and Reform	March 2024	<p>CONTRACT EXTENSION FOR VARIABLE DATA PRINTING SERVICES</p> <p>The Council's four-year contract for variable data print services ended on 30 November 2021. This contract included printing and mailing communications for several Council services, including revenues and benefits, housing and electoral services. These services continue to go through a programme of transformation, with a focus on improved digital delivery. A new two-year contract (with the option to extend for a further two years) was recommended to ensure short-term stability of service as this transformation is embedded and services focus on Covid recovery.</p> <p>The contract was awarded to the current supplier, (Financial Data Management Ltd) who had performed well throughout the contract and continues to actively support the council in the delivery of a wide range of business-critical services. As such, and to ensure ongoing service delivery, an extension of a further 2 years as per the terms of the contract awarded in Nov 2021, is considered to be the most efficient and economically advantageous solution. The extension of the contract will be on the same terms and conditions as the current contract, where costs are incurred based on actual service volumes.</p>	Cabinet Member for Finance and Reform	A detailed report for all decisions going to Cabinet will be available at least five working days before the date of the meeting. 		<ul style="list-style-type: none"> • The consultation for the trial is open throughout and it is important to include relevant considerations in the decision paper. • The trial is done under a legal order that is time limited to 18 months. Taking a decision in March allows the public greater time to consider any decision made before a legal order can be made before expiry of the current order. • The delay is to ensure the decision taken and the report produced is based on all available, relevant and up to date information; that is practicably possible and within good reason.
