This contract included printing and mailing communications for several Council services, including revenues and benefits, housing and electoral services. These services continue to go through a programme of transformation, with a focus on improved digital delivery. A new two-year contract (with the option to extend for a further two years) was recommended to ensure short-term stability of service as this transformation is embedded and services focus on Covid recovery.</p> <p>The contract was awarded to the current supplier, (Financial Data Management Ltd) who had performed well throughout the contract and continues to actively support the council in the delivery of a wide range of business-critical services. As such, and to ensure ongoing service delivery, an extension of a further 2 years as per the terms of the contract awarded in Nov 2021, is considered to be the most efficient and economically advantageous solution. The extension of the contract will be on the same terms and conditions as the current contract, where costs are incurred based on actual service volumes.</p>	Cabinet Member for Finance and Reform	A detailed report for all decisions going to Cabinet will be available at least five working days before the date of the meeting.
