— Dear Geoff

Hammersmith & Fulham Pension Fund Annual audit fee 2011/12

I am writing to confirm the audit work that we propose to undertake for the 2011/12 financial year at Hammersmith & Fulham Pension Fund. The fee reflects the risk-based approach to audit planning set out in the Code of Audit Practice and work mandated by the Commission for 2011/12.

As I have not yet completed my audit for 2010/11 the audit planning process for 2011/12, including the risk assessment, will continue as the year progresses.

Audit fee

The Audit Commission proposes to set the scale fee for each audited body for 2011/12, rather than providing a scale fee with fixed and variable elements. The scale fee reflects proposed decreases in the total audit fee, including no inflationary increase in 2011/12 for audit and inspection scales of fees.

The scale fee for Hammersmith & Fulham Pension Fund is £35,000. The scale fee is based on the planned 2010/11 fee, adjusted for the proposals summarised above, shown in the table below. Variations from the scale fee will only occur where my assessments of audit risk and complexity are significantly different from those identified and reflected in the 2010/11 fee.

Audit area	Scale fee 2011/12	Planned fee 2010/11
Audit fee	£35,000	£35,000

I will issue a separate audit plan in March 2012. This will detail the risks identified to the financial statements audit. The audit plan will set out the audit procedures I plan to undertake and any changes in fee. If I need to make any significant amendments to the audit fee, I will first discuss this with the Director of Finance. I will then prepare a report outlining the reasons the fee needs to change for discussion with the audit committee.

I will issue several reports over the course of the audit. I have listed these at Appendix 1.

The fee excludes work the Commission may agree to undertake using its advice and assistance powers. We will negotiate each piece of work separately and agree a detailed project specification.
