Financial Impact

Legal Implications

Under Section 101 of the Local Government Act 1972, a local authority may arrange for the discharge of their functions by a committee or sub-committee.

This report is requesting endorsement by the Pension Fund sub-committee of changes to the terms of reference which will also create a Pension Fund Committee.

If the Pension Fund sub-committee endorses the changes to the terms of reference, a decision will need to be made by Full Council to create a Pension Fund Committee and adopt the new terms of the reference contained in the Council's constitution before the changes come into effect.

A recommendation has been included in the report to specify that if the proposed changes are endorsed by the Pension Fund sub-committee that that matter will then be referred to Full Council.

Background Papers Used in Preparing This Report

Independent review of the Governance arrangements of the H&F Local Government Pension Scheme (LGPS) produced by John Raisin Financial Services Limited

DETAILED ANALYSIS

Proposals and Analysis of Options

John Raisin Financial Services Limited undertook a review of the Governance arrangements of the LBHF Local Government Pension Scheme that concluded in November 2020.

The review concluded that the Pension Fund Sub-Committee has, since 2015, exercised careful and considered oversight, governance and positive decision making in respect of the LBHF Pension Fund. The Members of the Pension Fund Sub-Committee have, based on the evidence examined, sought to discharge their responsibilities diligently. The level of support provided to the Sub-Committee in respect of Investment Issues and generally by the Tri-Borough Pensions and Treasury Team appears to have been of a very high standard.

The report noted that there are a number of areas where there is scope for clear improvement in the future Governance of the Fund. 6 out of the 32 recommendations relate to constitutional matters and which are copied below with officer commentary.

Recommendations with officer comments

Recommendation 1

1. That the Council give consideration to the removal of all reference to the Pensions function from the Terms of Reference of the Audit and Pensions Committee and that this Committee be renamed the Audit Committee.
2. **Officer Comment:** It is considered that a higher level of governance and clarity between the Audit and Pensions functions of the committee would result if the two were separated. This will allow the Audit Committee to give sufficient attention to important audit matters.

Recommendations 2 and 2b

3. That the Council give consideration to revising the Constitution to place all responsibility for the LGPS pensions function with the Pension Fund Sub-Committee and that this sub-committee be renamed "The Pension Fund Committee" and that its Elected Member membership be six voting councillors.
4. Any additional Special Responsibility Allowance (SRA) payable as a result of this change would be payable from the Pension Fund not the General Fund.

5. **Officer Comment:** Currently, the Audit and Pensions Committee plays no role in LGPS decision making. The function is wholly exercised by the Pension Fund Sub-Committee. The renaming of the Pension Fund Sub-Committee as “The Pension Fund Committee” would bring the Council’s approach in its decision making in line with the vast majority of other LGPS Administering Authorities across England and Wales. We support that any additional SRA should be paid from the Pension Fund.

Recommendation 3

6. To amend the Responsibilities of the Pension Fund Sub-Committee (The Pensions Fund Committee) as set out below.
7. **Officer Comment:** The proposed terms of reference for the Pensions Fund Committee more broadly cover investment issues, governance and pensions administration. In addition, they reflect changes in the LGPS Regulations 2013 and the LGPS (Management and Investment of Funds) Regulations 2016.

Pensions Fund Committee – Suggested Revised Responsibilities

To exercise on behalf of the Council all of the powers and duties of the Council in relation to its functions as Administering Authority of the London Borough of Hammersmith and Fulham Pension Fund. This includes but is not limited to the following matters:

- a) Reviewing and approving the statutory policies of the Fund including the Governance Compliance Statement, Funding Strategy Statement, Investment Strategy Statement, Pension Administration Strategy, Communications Strategy.
- b) To determine the arrangements for the appointment of the Fund Actuary, Investment Consultant and any other Advisor that it may be determined appropriate to appoint.
- c) To receive an annual Internal Audit Plan in respect of the Pension Fund which will include, at least, an annual assurance review of the Pensions Administration service and a report on the outcome of planned internal audit activity.
- d) To regularly receive and review a comprehensive Risk Register relating to the activities of the Pension Fund.
- e) To agree the Business Plan and Annual Budget of the Fund.
- f) To agree the Pension Fund Annual Report and Financial Statements.
- g) To determine, approve and regularly monitor the arrangements relating to the provision of all matters relating to Pensions Administration functions and the provision of a Pensions Administration Service to the Pension Fund.
- h) To receive regular performance monitoring reports, in such form as it determines, in respect of the Pensions Administration Service.
- i) To review and approve a Reporting Breaches of the Law procedure for the

Pension Fund and to regularly receive the Breaches Log.

- j) To make and review an Admission Policy in relating to the admission of Employers to the Fund and be responsible for determining the admission of Employers to the Fund.
- k) To agree the investment strategy and strategic asset allocation having regard to the advice of the Investment Consultant.
- l) To determine the Fund management arrangements, including the appointment and termination of the appointment of Fund Managers.
- m) To monitor the performance of the Pension Funds appointed Fund Managers.
- n) To determine the relationship of the Pension Fund with the London Collective Investment Vehicle and to monitor its activity and performance.
- o) To determine the arrangements for the provision of Additional Voluntary Contributions for Fund members.
- p) To ensure that the Covenants of Employers are thoroughly assessed as required and at least during every Triennial Actuarial Valuation.
- q) To receive, from the Fund Actuary, Actuarial Valuations of the Fund.
- r) To consider and determine a response to any advisory Recommendation received from the Pension Board.
- s) To receive and consider the External Auditors Annual Plan and Annual Report on the Pension Fund.
- t) To ensure compliance with all relevant statutes, regulations, government guidance and other codes and best practice as applicable to the Local Government Pension Scheme.
- u) To determine such other policies that may be required so as to comply with the requirements of Government or bodies acting on behalf of Government.
- v) To ensure all members of the Sub-Committee undertake appropriate, and ongoing, training to fulfil their responsibilities.

Recommendation 4

8. That the Pension Fund Sub-Committee (The Pension Fund Committee) actively seek to co-opt one or two non-administering authority non-voting members in order that Employers beyond the LBHF may participate in the decision making forum of the LBHF Pension Fund. If more than one employer representative is co-opted these should ideally be from different forms of employer (e.g. Academy school, contractor, charity).
9. **Officer Comment:** While there is no requirement for representatives of the employer and scheme members to be represented on the Pension Fund Sub-Committee, this would be good practice as indicated in the 2008 Statutory Guidance.

Recommendation 5

10. That the Pension Fund Sub-Committee (The Pension Fund Committee) actively seek to co-opt a non-voting Employee representative. Seeking an Employee representative through the Trade Unions would likely be the most practical approach.
11. **Officer Comment:** While there is no requirement for representatives of the employer and scheme members to be represented on the Pension Fund Sub-Committee this would be good practice as indicated in the 2008 Statutory Guidance.
12. Given that the statutory responsibility for the governance and maintenance of the LGPS as administered by the LBHF lies with the authority, it is entirely appropriate, that the voting membership of the Pension Fund Sub-Committee (or a future Pension Fund Committee) should be retained wholly by serving Councillors of the LBHF.

Recommendation 6

13. That consideration be given to paying an allowance to Pension Board Members for actual attendance at Board Meetings (including any training held before a Board meeting).
14. **Officer Comment:** In line with the Council's Members allowance scheme, Pension Board Members can be paid a flat rate allowance of £504 per annum payable by equal monthly instalments of £42.00 on the 15th of each month. Any allowances approved would be payable from the Pension Fund.

Conclusion

15. Officers support the six recommendations listed above. With the Sub-Committee's endorsement of the recommendations and proposed terms of reference of the Pension Fund Committee. If the Committee endorses the proposals, the changes will be considered for approval at Annual Council on 28 April 2021.

Equality Implications

16. The Council has considered its obligations under the Equality Act 2010 and it is not anticipated that there will be any direct negative impact on groups with protected characteristics, as defined by the Act, from the recommendations in this report.

Risk Management Implications

17. The report sets out officers' responses to the recommendations relating to the governance arrangements for the Hammersmith and Fulham Pension Fund. The actions which officers are recommending are in line with the Council's priorities, including being Ruthlessly Financially Efficient, and will also help to

ensure that the Pension Fund both meets its regulatory requirements and demonstrates effective and good practice in terms of its governance arrangements.
