### H&F Priorities

Our Priorities	Summary of how this report aligns to the H&F Priorities
<ul style="list-style-type: none"><li>• Doing things with residents not to them</li></ul>	Through the pandemic we have our residents have remained the central focus to ensure we have services available, that are flexible and responsive to meet their needs. With that in mind the plan creates a range of opportunities available for people to access vaccines and seek information and advice.
<ul style="list-style-type: none"><li>• Creating a compassionate Council</li></ul>	We continue to make our voices heard in order to ensure we gain the commitment to the vaccine capacity, to protect our residents.
<ul style="list-style-type: none"><li>• Taking pride in Hammersmith and Fulham</li></ul>	We have led the way on several fronts through out the pandemic, we are proud to be able to offer high quality services, through such a devastating time.
