Good Morning Licensing,

Please refer to the agreed conditions (highlighted in red) between the Police and the applicant for the above premises licence.

Kind regards,
Kris.

1.High Definition CCTV shall be installed, operated and maintained, at all times that the premises are open for licensable activities and;

- shall be checked every two weeks to ensure that the system is working properly and that the date and time are correct. A record of these checks, showing the date and name of the person checking, shall be kept and made available to Police or authorised Council officers on request
- one camera will show a close-up of the entrance to the premises, to capture a clear, full length image of anyone entering.
- shall cover any internal or external area of the premises where licensable activities take place.
- recordings shall be in real time and stored for a minimum period of 31 days with date and time stamping.
- footage shall be provided free of charge to Police or authorised council officer within 24 hours of a request.
- a staff member from the premises that is conversant with the operation of the CCTV system shall be on the premises at all times. This staff member will be able to show police or authorised officers of the Licensing Authority recent data footage with the minimum of delay when requested. This data or footage reproduction shall be almost instantaneous

2. Alcohol supplied for consumption on the premises shall only be supplied with and be ancillary to food to be consumed on the premises at the same time.

3. The licence holder shall require staff to note any refusals in a refusals log. The refusals log shall record the date and time of the refusal; the name of the staff member refusing; and the reason for refusal. It must be checked and signed monthly by the designated premises supervisor. The refusals log shall be made available for inspection upon request by the Licensing Team, Police or Trading Standards

Hi Kristen,

yes I am happy with all three conditions you have highlighted.

1. I have been pricing up some cctv solutions and there is plenty of choice within my price range.
2. Definitely will only allow alcohol with food - this suits my business very well and makes perfect sense.
3. I have already got myself a book for this purpose.

Also, because of lockdown restrictions, I won't be planning to serve any alcohol until it is permissible to sit indoors to eat - May 17 I believe.

Thanks for all your help.

Nazareth.

Good Afternoon Nazareth,

I am just enquiring as to whether you have considered the below conditions that I have recommended?

I hope all's well,

Kind regards,

Kris.

Good Morning Nazareth,

It was really nice to meet you on Tuesday and get a clear understanding of your Business Model. As discussed, the Police have no issues with the proposed opening times or times for licensable activity. On the application you have offered some conditions that will promote the licensing objectives, however I would also recommend the following conditions be added to the premises licence:-

1. High Definition CCTV shall be installed, operated and maintained, at all times that the premises are open for licensable activities and;

- shall be checked every two weeks to ensure that the system is working properly and that the date and time are correct. A record of these checks, showing the date and name of the person checking, shall be kept and made available to Police or authorised Council officers on request
- one camera will show a close-up of the entrance to the premises, to capture a clear, full length image of anyone entering.
- shall cover any internal or external area of the premises where licensable activities take place.
- recordings shall be in real time and stored for a minimum period of 31 days with date and time stamping.
- footage shall be provided free of charge to Police or authorised council officer within 24 hours of a request.
- a staff member from the premises that is conversant with the operation of the CCTV system shall be on the premises at all times. This staff member will be able to show police or authorised officers of the Licensing Authority recent data footage with the minimum of delay when requested. This data or footage reproduction shall be almost instantaneous

2. Alcohol supplied for consumption on the premises shall only be supplied with and be ancillary to food to be consumed on the premises at the same time.

3. The licence holder shall require staff to note any refusals in a refusals log. The refusals log shall record the date and time of the refusal; the name of the staff member refusing; and the reason for refusal. It must be checked and signed monthly by the designated premises supervisor. The refusals log shall be made available for inspection upon request by the Licensing Team, Police or Trading Standards

Please can you let me know if you are willing to add these recommended conditions to the premises licence? I can then inform the Local Authority and the application can be amended accordingly.

Kind regards and all the best,

Kris.
