5. POLICY CONSIDERATIONS

5.1 Section 5.1 page 12 of the Statement of Licensing Policy (“SLP”) states that where there is a relevant representation, the Licensing Authority will consider each particular case on its merits having regard in particular to the following matters:

- Whether the licensed activities are likely to have an adverse impact especially on local residents and, if there is potential to have an adverse impact, what, if any, appropriate measures will be put in place to prevent it;
- Whether there will be a substantial increase in the cumulative adverse impact from these or similar activities, on an adjacent residential area;
- Whether there is a suitable level of public transport accessibility to and from the premises at the appropriate times;
- Whether the activity will be likely to lead to a harmful and unmanageable increase in car parking demand in surrounding residential streets suffering high levels of parking stress or on roads forming part of the Strategic London Road Network or the London Bus Priority Network leading to a negative impact on the Licensing Objectives relating to the prevention of crime, disorder and nuisance; and
- Whether there have been any representations made by Responsible Authorities, or other relevant agency or representative.

5.2 Section 5.2 page 12 of the SLP states that the Licensing Authority will closely scrutinise extended hours applications to ensure that the Licensing Objectives are met. In determining an application, the licensing committee might decide that the circumstances are such that a restriction on hours is the only appropriate means to achieve the Licensing Objectives. If an ‘hours’ restriction is imposed, the Licensing Authority will normally require that customers should be allowed a minimum of thirty minutes to consume alcohol. For example, if the closing time on the application is stated as 12 midnight, the latest time that a licence would be granted to serve alcohol would be 11:30pm, as the Licensing Authority will normally allow a minimum of 30 minutes to consume alcohol that has been purchased before the terminal hour.

5.3 Section 5.4 page 13 of the SPL states that the Licensing Authority advises applicants that it would be beneficial if a lawful planning use can be demonstrated for the activities proposed in all applications for premises licences.

5.4 Section 8.1 page 15 of the SLP states that the Licensing Authority will require applicants to detail in their operating schedule the steps proposed to ensure the deterrence and prevention of crime and disorder on, and in the vicinity of, the premises, having regard to their location, character, condition, the nature and extent of the proposed use and the persons likely to use the premises.

5.5 Section 8.8 page 16 of the SLP states that off Licences, shops, supermarkets and stores selling alcohol for consumption off the premises potentially have a high risk of crime and disorder as well as being targeted as easy premises from where to

acquire alcohol. Such premises can contribute to anti-social behaviour and disorder through the consumption of alcohol on the street and in open spaces by groups of drinkers, through the sale of alcohol to children, and through the sale of alcohol to street drinkers and persons who are already drunk.

5.6 Section 8.9 page 16 of the SLP states that the Licensing Authority expects operators of off licences to show particular diligence in areas where these problems are prevalent, and to strictly monitor the way they sell alcohol where the premises are located close to schools and hostels and similar premises that provide shelter or services to alcohol dependent persons.

5.7 Section 8.10 page 16 of the SLP states that it is important that staff working at off licences are suitably trained and receive appropriate refresher training in their responsibilities under the Act and can discharge their duties in full compliance with the licence conditions and requirements of the Act. This includes the ability to competently check a customer's age with acceptable forms of identification where necessary. The Licensing Authority will particularly consider the following matters where they are material to the individual application:

- The likelihood of any violence, public order or policing problem if the licence is granted;
- The measures taken to control admission to the premises, and to take reasonable steps to prevent the occurrence of crime and disorder and public nuisance immediately outside the premises, where and to the extent that these matters are within their control.
- Past conduct and prior history of complaints against the premises;
- Whether a dispersal policy has been prepared to minimise the potential for disorder as customers leave the premises; and
- Any relevant representations.

5.8 Section 9.6 page 18 of the SLP states that the Licensing Authority will, where appropriate, attach conditions to a licence to ensure public safety, dealing with, but not limited to. the following:

- The number of people on the premises to ensure it is appropriate having regard to the activities taking place and reliable ways of counting the number;
- The steps taken to manage the risk from glass, the use of bottle bins, glass collectors and door supervisors to prevent glass being taken off the premises;
- The use of door supervisors to manage the entrance and exit from the premises and to protect public safety as customers leave the premises; and
- The provision of air conditioning and ventilation.

6. DETERMINATION

6.1 In determining this application, the Committee must have regard to the representations and take such of the following steps as it considers necessary for the promotion of the licensing objectives. The steps are:

- (a) Grant the application in full

(b) Grant the application in part – modifying the proposed hours, activities or conditions.

(c) Reject the application

It is the Council's duty under the Licensing Act 2003 ("The Act") to determine applications with a view to promoting the four licensing objectives; Prevention of Crime and Disorder, Public Safety, Prevention of Public Nuisance and the Protection of Children from Harm.

In reaching a decision the Council shall consider the details of any relevant representations received; the applicant's Operating Schedule; the Council's adopted Statement of Licensing Policy and the guidance issued by the Secretary of State under section 182 of the Act.

If the Committee is minded to grant the application conditions may be attached to the licence to alleviate the concerns raised through the representations.
