so basically this business has been recently taken over by me arjun singh and there is few condition on the license out of which there is one condition which is affecting the business that much that its leading to collapse of business and risk of being closed with all this covid situation i would like you to change this variation on license as of now license doesn't allow any beer above 5.5 percent to be sold at the property and no single beer can be sold and cctv recording to kept for 31 days i just want you to change the beer volume up to 6.5 percent to be allowed to be sold at the premises as the problem that lead to the license being change is addressed and it was in 2018 when there was problem reported but since situation being changed and being the new ownership i would kindly request you to change this as the beer we want to sell is craft beer and those are not cheap to buy and buying more than one is not easy for street drinker to buy so i kindly request you to consider this with all the points mentioned otherwise we would have no choice to close the business down as all the other premises in king street doesn't have any kind of restriction on their license we are being the only one being with restrictions eventhough we have addressed all the issues
