Good Morning Simon,

I can confirm that the Metropolitan Police are in receipt of the premises licence application for House of Cans as detailed below:-

**Licensable activities applied for is:**

**Sale by retail of alcohol both on and off the premises**

**Monday to Sunday from 11am to 10:30pm**

**Proposed opening Hours:**

**Monday to Sunday from 11am to 11pm**

It was good to meet you earlier in the year at the premises to discuss your business model and as a result of that meeting, both the Police and the Local Authority recommended licensing conditions that we believed would ensure the premises would operate in such a way to promote the licensing objectives.

In your application you have offered certain conditions such as CCTV, Incidents Logs and Challenge 25, however the wording of these conditions read as just statements as opposed to actual conditions and therefore I recommend the following conditions be added to the premises licence:-

1. High Definition CCTV shall be installed, operated and maintained, at all times that the premises are open for licensable activities and;
  - shall be checked every two weeks to ensure that the system is working properly and that the date and time are correct. A record of these checks, showing the date and name of the person checking, shall be kept and made available to Police or authorised Council officers on request
  - one camera will show a close-up of the entrance to the premises, to capture a clear, full length image of anyone entering.
  - shall cover any internal or external area of the premises where licensable activities take place.
  - recordings shall be in real time and stored for a minimum period of 31 days with date and time stamping.
  - footage shall be provided free of charge to Police or authorised council officer within 24 hours of a request.
  - a staff member from the premises that is conversant with the operation of the CCTV system shall be on the premises at all times. This staff member will be able to show police or authorised officers of the Licensing Authority recent data footage with the minimum of delay when requested. This data or footage reproduction shall be almost instantaneous
2. All staff responsible for selling alcohol shall receive regular training in the Licensing Act 2003 in terms of the licensing objectives, offences committed under the Act and conditions of the Premises Licence. Written records of this training shall be retained and made available to police and authorised officers of the Licensing Authority on request
3. The licence holder shall require staff to note any refusals in a refusals log. The refusals log shall record the date and time of the refusal; the name of the staff member refusing; and the reason for refusal. It must be checked and signed monthly by the designated premises supervisor. The refusals log shall be made available for inspection upon request by the Licensing Team, Police or Trading Standards

4. An incident log (electric or paper based) shall be kept at the Premises and made available on request to an authorised officer of the Council or the Police, which shall record the following:
  - (a) all crimes reported to the venue
  - (b) all ejection of patrons
  - (c) any complaints received
  - (d) any incidents of disorder
  - (e) seizures of drugs or offensive weapons
  - (f) any faults in the CCTV system
  - (g) any visit by a relevant authority or emergency service.
  - (h) any lost property
  - (i) the log shall be kept for at least 12 months
5. The incident record shall be kept on the premises and be available for inspection by the police or an authorised officer of the Licensing Authority at all times the premises is open.
6. The premises shall operate a Challenge 25 age restricted sales policy and shall display appropriate signage advising customers of this policy.
7. Beer, lager, cider or stout above 5.5% ABV shall NOT be sold. This restriction shall **NOT** apply in respect of specialist branded premium priced products, for example Craft ales, local or micro-brewery specialist products.
8. On days when Queens Park Rangers Football Club play at home the premises will not allow any alcohol to be consumed in any external area of the premises for **two** hours before the advertised kick off time until **two** hours after the match has been completed.
9. On days when Queens Park Rangers Football Club are playing at home the premises will not use glass or glass bottles for **two** hours before the advertised kick off time until **two hours** after the match has been completed.

Please let me know if you are willing to add these conditions to the premises licence application and I will update the Local Authority who will amend the application.

I hope you are well,

Kind regards,  
Kris.
