**Subject:** Objection of Off-Licence - 37 St Ann's Road, W11 4ST

To Whom It May Concern,

I am writing this email to express my objection of the new off-licence planned to be opened up at 37 St Ann's Road, W11 4ST.

As you are aware, there more than enough places that alcohol are sold, from pubs, supermarkets, off-licence and so on.

As a mother of 2 children (teenager) i am have been living here for over 10 years and i am very concerned that alcohol is becoming very easily accessible in our area.

Lately, our neighbourhood has changed its character. It used to be very residential and family places where our kids were growing playing and running around freely.

Nowadays, all we feel is fear for our kids and fear for us adults too and not at all safe.

There has not been a week that has passed without a police interference with either drunken people or selling/buying other substances.

People (including children) would sit in the park and consume alcohol in the public places and sometimes you see/hear unprovoked attacks, not to mention nuisance in the area that prevents us to go to bed at decent time.

We are all worried and scared to let our kids leave their home in fear of being approached by drunken and abusive people or being invited to join the group as it would look like they are having fun until it gets into their head

I personally strongly disagree and object an opening up of any kind ok shop that sells alcohol.

We should feel safe and secure in our neighbourhood and our children should be able to play around freely.

Please feel free to contact me, should you need more information.

Kind Regards,

**Subject:** A new off-license in our area/neighbourhood in 37 St Ann's Road, W11 4ST

A new off-license in our area/neighbourhood in 37 St Ann's Road, W11 4ST.

Dear Sir/Madam

I am writing this letter regarding a new off-license to be opened in our area/neighbourhood in 37 St Ann's Road, W11.

I would like to refer that I am not agree with the new shops to be open. There are enough shops and supermarket in our area where alcohols are sold, and we don't need more shops as this is affecting our family and children lives.

This is a residential area where families live with their children and want us all to feel safe and protected. By allowing another off-licence in the area, it will only cause more issues, i.e. encourage our youngsters to get more chance to buy and drink alcohol and having more drunken people in the area and being harassed unnecessarily. This is our livelihood and community. We are all concerned about our safety

Please do not hesitate to contact me if you require further information.

Kind Regards

Almaz

Reasons for comment:

Comments: 28/05/2022 7:17 PM There is already an off-licence very close by to the proposed site, just around the corner on Swanscombe Road. There are already anti-social behaviour issues in the area, with groups gathering on the nearby benches, shouting, abuse, drinking, and litter. This is especially bad for residents during the summer. The police have been involved as violent behaviour has occurred. This application for another off-licence and bar in close proximity will only make the situation worse for neighbouring residents and the local community. Once the drunk people are being refused to be sold more alcohol at one off-licence they will likely just move onto try the other off-licence for more drink and thus cause more issues. These people need to be helped with their alcohol issues, and the neighbouring residents and community need to be helped by the Council to feel safe and enjoy their homes in peace. Please reject this current application for a new alcohol premises, it will only make matters in the area worse. Thanks for your consideration on this matter.

Kind regards
