H&F LET officers find weapons in White City sweep

H&F LET officers and local police join forces in Brackenbury Village

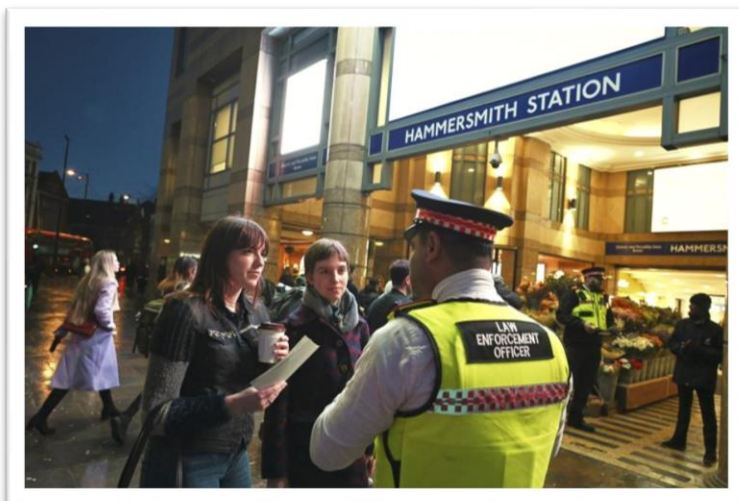

H&F Law Enforcement Officers crack down on anti-social behaviour in Fulham

Residents help H&F improve women's safety

London criminals are now hiding drugs and weapons under kids' slides and in loose bricks - MyLondon

**H&F Council** @LBHF · 10/06/2022 ...

An illegal campsite in #WormwoodScrubs was shut down by H&F's Law Enforcement Team.

The trespassers abandoned the #W12 car park as instructed by H&F officers.

We've now removed the caravan left by the group and installed concrete bollards to prevent further access.

These bags of cannabis were found by H&F Law Enforcement Officers following a sweep on the West Kensington Estate last month.

All items were handed over to the Met Police and disposed of safely.

Another great find by the LET Officers and more drugs off the streets of H&F.

**H&F Council** @LBHF

Our Law Enforcement Team undertook a weapons sweep earlier this morning on the West Kensington estate.

The knife will be taken to the nearest police station, logged and safely destroyed. Weapons sweeps form a crucial part of H&F's proactive approach to crack down on crime.

We have another free bike marking event this Saturday, at Fulham Reach Boat Club, Chancellor's Rd, 10am-12pm.

Bike marking means that you're able to trace & identify your bike should it be stolen, thanks to their unique number or scannable QR code.

Following complaints from local residents & businesses, we've extended our Public Spaces Protection Order to cover Shepherds Bush Green & parts of Uxbridge Road, W12.

Buskers & public speakers are no longer allowed to use loudspeakers in the area.
