Subject: RE: Conditions and Letter from Applicant - Comments for Licensing Application 2022/00935/LAPR

Hi Maria

Thank you for sending through the application and letter from the applicant.

Yes, this helped me see the conditions but does not satisfy my concerns.

The premises is on the corner of a residential area and no doubt with take away and delivery there will be no way they will be able to manage the drivers or keep the area clean. The road up had the same issues and the businesses they were delivering for were not even on the corner but on Uxbridge Road itself. We have just managed to deal with a long standing problem on Caxton Street and I am sure residents will be most unhappy to have this issue moved to Aldine Street.

The opening times for a coffee / restaurant will impact on the local residents.

My objection still stands.

Kind Regards

Good morning Sophia

Thank you for forwarding on Mr Conisbee's comments on the Chaiiwala application.

I am glad to see some considerations have been made to the opening times but I still object to this application.

Kind Regards
