Subject: RE: Licensing Act 2003 - Reference: 2022/00806/LAPR

Hi William

Having reviewed this application with regards to the context of the times requested, the location, and with regards to the current opening times of other premises of a similar nature along Fulham Road, noise and nuisance recommend refusal on the basis of upholding the Licensing Act Objective of Prevention of Public Nuisance. With careful consideration of the aforementioned local context, is it considered by this department that allowing this premises to open inline with the hours proposed would both increase noise and late night antisocial behaviour in a mixed commercial and residential area.

Thanks

James Rawlinson

Reasons for comment:

Comments: 26/06/2022 8:10 PM 3am and 4am extension or Peri Peri Chicken.
I reserve my right to comment further as I am in the in the midst of dealing with various Licensing Applications on behalf of the Barclay Road Conservation Area Neighbourhood Watch. As well, I am to be outside the country from 7am tomorrow morning, but of course will be writing as soon as I land in another country.
We have spoken to the manager. He wants to make more money with extended hours. He has not given any thought to the risks, anti-social behaviour etc that will increase with such hours.
We are opposed to the extension of hours on the grounds of crime and disorder, public safety. This shop is in the Fulham Broadway Cumulative Impact Zone, evidence for which has been gathered and continues to be gathered by Responsible Authorities. Unfortunately, crime is rising, ASB is rising and new developments mean more people are out and about searching for a find 'legal' nitrous oxide canisters and glue/silicon/'high' oder dispensers that are being used by groups inside cars that are starting to park in residential roads. 4 or 5 people in a car, shooting off these noxious odors inside a car(where they accumulate and create lack of oxygen) is leading to howling and screeching for not just minutes but hours. It wakes us up during precious hours of sleep. We need to find a way to make this area 'safe', as Leader Cowan has promised us. Our residential roads are being invaded by people attracted to the area due to late-night, early and mid-early hours openings. The Licensing Act 2003 never foresaw the type of activity but it is now having a severe effect on residents both above Premises and in the many, many side roads that make Fulham what it is--a residential community--, at least around Fulham Broadway and North End Road.

Subject: new deadline 18 July 2022/00806/LAPR 607 Fulham Road Piri Chicken knife stabbing next door & Police #WANTED poster 17 June

As evidence to my initial Representation against 2022/00806/LAPR 607 Fulham Road I would like the Lic Committee to be aware of this Met Police 'WANTED' poster of 17 June 2022, referring to a man who used a knife to stab the shop employee/(one of the owners) at 605 Fulham Road, the Cashcounts shop next to the Applicant of Piri Chicken, 607 Fulham Road. One JPEG attached.

This is the kind of crime that goes on around this Premises applying for a 3am and 4am licence to serve hot food/Peri Chicken. When I spoke in person with the owner for about twenty minutes, in his shop, he told me about all the crime problems that he witnesses right outside his big windowed shop. So far, he had not had much trouble inside, he volunteered. I asked him if he rings 999 when he sees or experienced problems. He told me he does not but that he just received a '5' food rating. I asked him about the Borough's 5-year Licensing Policy and how his Application fit in with that Policy, and he mentioned his food safety rating again. We agreed it was really excellent and not easy to achieve.

I asked him if he had spoken to the Police about his Application. He said no that he does not talk to the police.

We chatted about the area and where I live, on Barclay Road. He volunteered to me he knows there are too many drug dealers on the corner (of Fulham Road at Barclay Road).

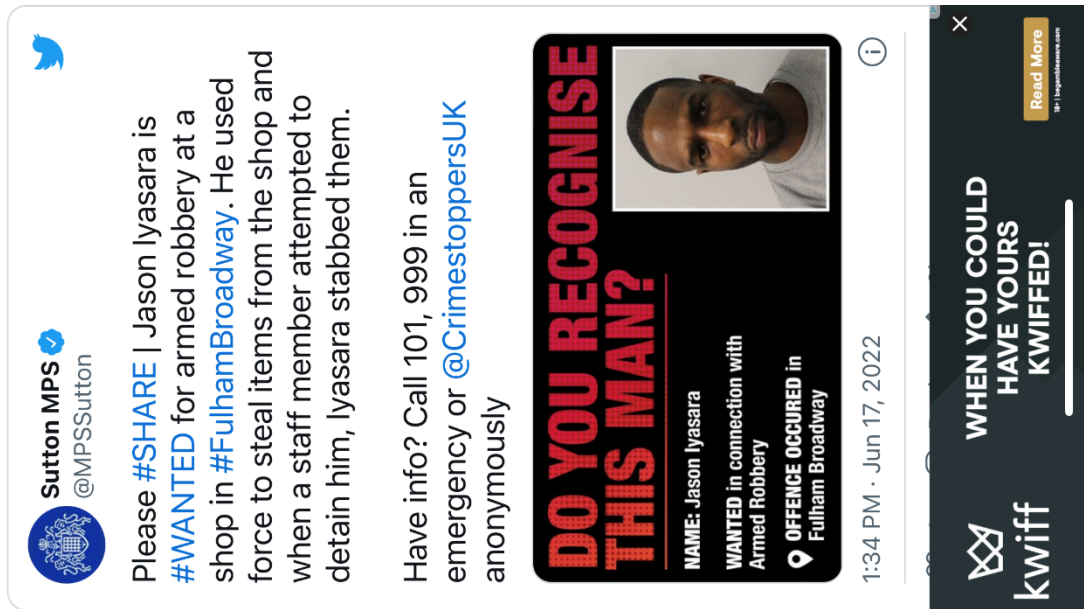

The owner told me on his own, without me asking him, that he did not know that the Council, as he put it, 'interviews residents about applications'... he said he thought, 'that they ask other businesses about licensing applications.'

He offered me chicken, but I politely said no thank you.

He then told me that Deliveroo drivers are stealing his food, especially when two rice sides are in one delivery bag. He has had to install a further internal cctv to prove to Deliveroo that drivers are stealing. He explained in detail how these culprits operate. I suggested he report it every night to the police for two weeks straight and write down the CAD numbers, which I explained and why they were important to write down/collect.

I suggested to him that longer hours would add to more stealing and crime, public safety and nuisance right in front of his shop and I wondered about the risks inside for him with no police patrolling the area. I told him I knew the good mini-cab guys at 603 Fulham Road keep an eye out for everyone along this stretch of five late night shops, and he agreed. They all have each other's mobile numbers.

He said he needs the money and for that reason he asked me to support his application, for his family, he suggested. I commended to him the LBHF Licensing Policy and told him I'd stop by again but I suggested, as I got up to leave, that he consider withdrawing his application. He asked me to return for some chicken, with rice.

I would like to submit this to the Sub-Committee regarding the Shop next to Peri Chicken. Peri is number 607. The shop to left if 605 Fulham Road.

605 Fulham Rd 24-hr Cashcounts smashed door last week (July 24-30) PHOTO

I spoke with the owners and they said it was guys fighting outside 605 and 607, explaining to me how 'bad and rough' it is with the balloon gangs and the drug guys. 'They smashed our door,' one of the guys behind the counter said to me. I asked if they had rung 999. They said, "The police won't help us". I asked them would they please at least talk to the licensing police about it. They said something along the lines of, "Police need to be here in front of these shops, that is how bad it is."

Fwd: 605 Fulham Rd 24-hr Cashcounts smashed door last week (July 24-30) PHOTO

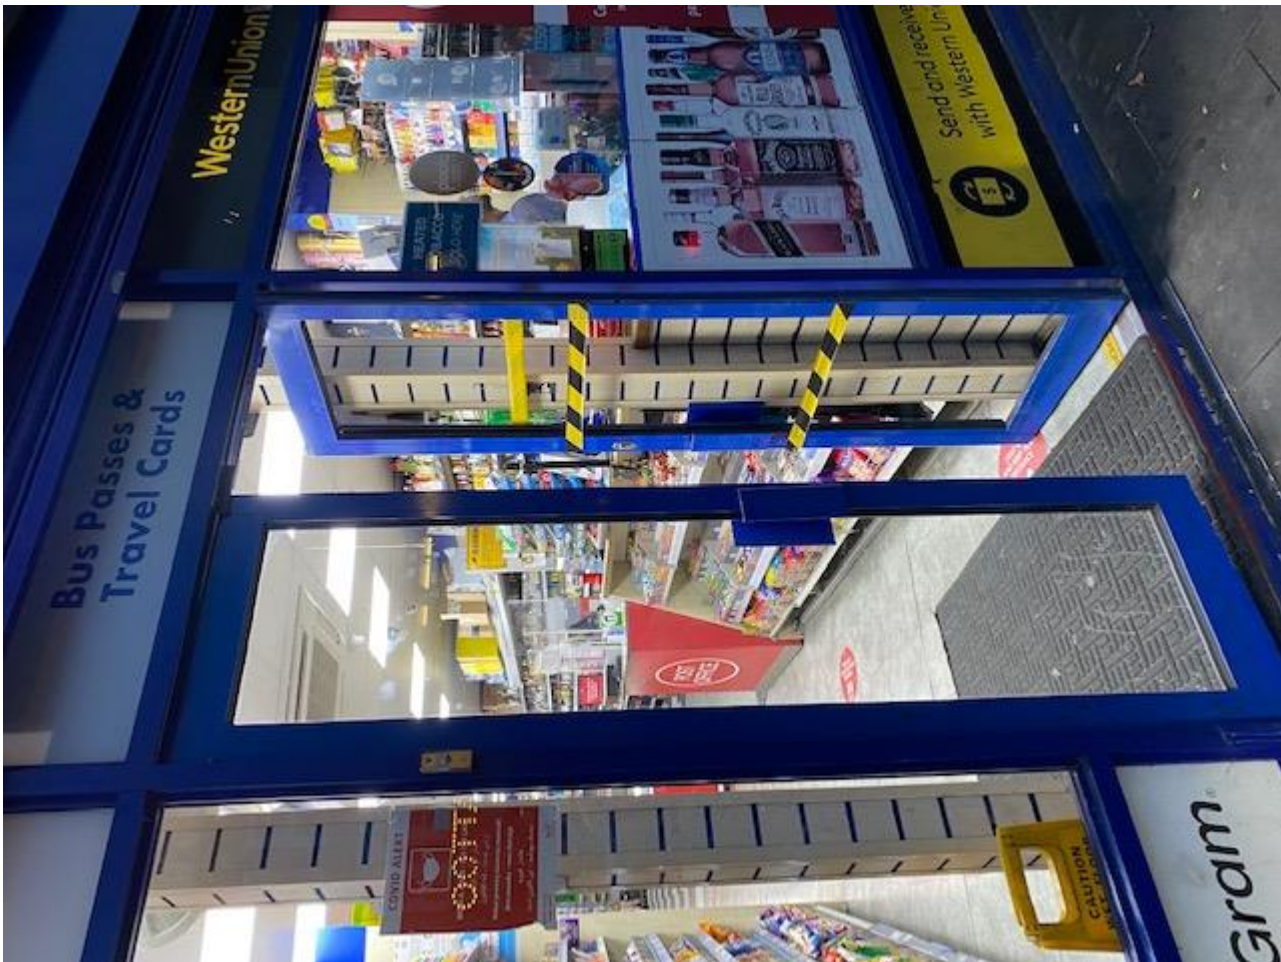

Dear PC Alex

This is another incident around the late night gas balloon/resale of alcohol situation.

My neighbour ask them when ('last week'), and what and had they reported or rung 999. 'No'. This is next to Peri Chicken 607 Fulham Rd who are applying for later hours (hearing date not yet announced). Application 2022/00806/LAPR; fyi only. I am in contact with Lic Police.

I'll go in today to talk to Rej. I am trying to get others to go in as well to express concern and thereby obtain more info. I've suggested if they are walking by, ask for Rej. There are usually two or three behind the counter/post office window.

Reasons for
comment:

Comments: 08/06/2022 11:26 PM I would like to echo the words used by Charlotte Dexter of Barlay Road Residents Association - the seating is until 4.00 a.m. - this is not a good idea in the light of protecting children from harm - they have school to attend the next day. This should be in the cumulative impact zone - prevented from being renewed yet by the pandemic.
The noise pollution and nuisance from this will be great - it will also disrupt the community - people need to be up only a couple of hours after this to get to work. I gather that alcohol is not sold there yet but some is drunk on the pavement anyhow. I am worried about public safety here - this is a family area and if young people are on a night out I can imagine them feeling intimidated having to walk through this home - at my age I feel intimidated by this kind of thing! Belinda Donovan, NHW start up and growth, Hammersmith and Fulham

Kind regards

Subject: Peri Peri Chicken - Neighbour Objection

Maria,

I tried to submit the comments below relating to my objection to the Peri Peri Chicken application but it kept giving me a system error.

So please accept them by email:

[2022/00806/LAPR | Licensing Act - Premises Licence | Open for Consultation | 607 Fulham Road London SW6 5UA \(lbhf.gov.uk\)](https://www.london.gov.uk/fulham-road)

Having lived here 19 years, this is one of the most outrageous applications I have ever seen to vary a license for a restaurant. Are we serious that this chicken shop wants to take it's hours from 00:00 midnight on Sun-Thurs to 03:00??!! And even worse, until 04:00 on Fri and Sat??!! So this is 7 days a week, right around the corner from the residential Barclay Rd Conservation Area?? This means our crucial sleeping hours (midnight to 06:00 minimum) would likely be smashed to pieces every night!! Most of us eat dinner at say 6-9pm so who exactly needs a meal between midnight and 03:00/04:00? Who are they appealing to? No doubt drunk people coming out of pubs and clubs! We do not need a watering hole that would encourage noise, nuisance and a place to congregate at hours that are literally cutting the middle of the night in two. People who are doing drugs would also want to eat late and people with criminal intent, such as pickpockets would hang around there too. Of key concern are customers leaving the chicken shop and stumbling around the corner to Barclay Rd, Effie Rd and Effie Place. The key local bars here are Redback - closes at 01:30 all week, Broadway Bar and Grill - closes at midnight all week at and 1am on Fri/Sat and McGettigans - closes 23:00 all week and 01:00 Fri/Sat. Therefore, going to 03:00 and 04:00 on Fri/Sat does not match these times and is excessively long for no apparent reason. When I recently did a 12 hour Police ride along, we visited McDonalds on Shepherds Bush and the police said their Sat 24 hour license was nightmare as it attracts trouble and crime on a weekly basis. We do not want Peri Peri Chicken to emulate these problems so they should be restricted to the current license hours or a possible small extension to 01:00 to match the bar hours. I spoke to the manager Mohammed Shabbir who said times had been tough recently and they had to do everything possible to survive. However, this doesn't mean daily sales throughout the early morning hours! I said they need to focus on normal hours and maximise those. He suggested a compromise but this was 02:00 which local residents still feel is too late. There would also have to be many license conditions attached that would cover security staff, CCTV, noise issues, littering, seating in store vs takeaway etc. Altogether, this application is awful and not a good addition to Fulham Broadway as it seeks to destroy the peace in the neighbourhood at outrageous hours. The business owners don't care as all they want to do is sell chicken while all residents want to do 7 days a week is get a decent nights sleep and not having their customers walk down our local streets waking us up!1 Please decline or withdraw!!

Best regards,
Simon Jones

Reasons for comment:

Comments: 21/06/2022 3:52 PM I live in Barclay Road just around the corner from Pepe's Piri Piri (PPP).

At least once a week and sometimes more frequently there is a mayhem of antisocial behaviour at this end of Barclay Road. Just last week there were 3 empty canisters of laughing gas in the gutter, literally surrounded by PPP wrappers. PPP is not of course licensed yet, and the majority of the drunkenness and other misbehaviour in front of my house comes from the Redback. However if PPP wants to be open until 4am most nights, clearly they see a market to sell their food, and who is around at that time of day but drunks, drug dealers and their customers? The "night-time economy" in this area is totally out of control, with shouting, chanting, drunken singing, vomiting, urination, the charming sounds of balloons of NO being filled up, and the sounds of loud music, loud talking, and loud laughing right outside the front of my house. The level of antisocial behaviour is outrageous and unacceptable. This application to add 3 hours onto PPP's hours so that they can feed the night-time mayhem is vexatious speculative and outrageous. Sadly it is typical of the business owners who are not residents putting in frankly crazy licensing applications to make more money from the Fulham Broadway mayhem. I object to the the application by Pepe's PiriPiri in the strongest possible terms.

Martin Band
Barclay Road

Reasons for
comment:

Comments: 26/06/2022 10:02 AM I object to the the application by Pepe's PiriPiri to extend their hours - Fulham Broadway is already beset by late night revellers from all the bars and clubs in the area. They do not leave quietly and there is frequently mayhem, anti-social behaviour, people eating and drinking on the street (including ours, where they come to sit and eat etc), urination - and worse!. Having a chicken shop open until the early hours will only encourage and extend the problem. That they are proposing 3am and 4am is outrageous!
Please do not allow it.
Thank you

Kind regards

Comments: 27/06/2022 11:27 AM Good morning, I would like to object to Pepe's Piri Piri extending their operations hour till 3 and 4 am. Pepe's Piri Piri currently operating till 12am is a source of constant noise because people get together and after getting a refreshment at Pepe's they hang out under our windows, laughing, talking loudly and making a lot of noise. We live in the neighbor street to Pepe's Piri, Barclay road, and it would be an unbearable disaster if they extend their hours to 3 or 4 am! Many neighbors in our street have contacted police on a number of occasions to complain about the noise. Myself and my family objects to Pepe's operating at late night till 3/4 am.

With kind regards
Ekaterina

Subject: Licencing extension PERI PERI 3O23/00806/LAPR. 602 Fulham Rd.

I am writing to express my thoughts on not wanting any extension to the hours in the night that have been requested by the above Peri Peri.

This is a residential road , I live in Barclay Road , we have people wandering already up this road in the night ..they make a huge noise , sometimes unruly , often are drunk late in the evening , half eaten hood gets chucked on the street .

The longer hours would just encourage more noise , unrest , and impact all difficulties in this area even more .

Yours , Clare Harris .

Dear

I have had the opportunity to read, and I agree with the Representation of CHARLOTTE DEXTER on behalf of the Barclay Road Conservation Area Neighbourhood Watch regarding 2022/00806/LAPR PERI Chicken requesting longer hours 3am and 4am I am against any extension of hours as this will add to ASB, crime, drug problems etc around us. Please accept this as my Representation. I also support further comments that she will be making on our behalf as she has reserved her right to do that; she is gathering evidence.

Possible hearing:

If there should be a hearing regarding this application, and if I am unable to attend I hereby give my 5 minutes to Charlotte Dexter or her representative. Pls note this important point at this time.

Many thanks.

PAOLA SERENA
