Dear Licensing

I am writing to oppose the application.

In short:

—Current indoor hours are

11:00-02:00 Mon-Sun

They are asking for this to be extended to 04:00 ON SUN-Thurs and Fri and Sat 08:00-05:00 and Sun-Thurs 08:00-04:00

—Current delivery 'outdoor' hours are

11:00-04:00 sun-Thurs

Fri&Sat 11:00-05:00

1)

This Premises delivers everywhere so it's drivers/delivery motorbikes of the three big delivery services already wake me up just as they wake up thousands of residents in Fulham, Hammersmith and over the Bridges until 5am.

2)

Deleting Condition six will allow them to deliver to non addresses; police are usually against this for crime, disorder and public safety reasons. I am opposed for the same reasons.

I see that they are asking for removal of Condition six; This would have been added at some point by the Police. It is there for good reason; to avoid food being delivered to parks, alleyways, bus stands, corners etc in order to limit nuisance of all kinds. This Condition should not be removed, in fact it should be tightened to ALL DELIVERIES AT ALL TIMES, not just after 02:00 as is the case now.

I just rang licensing to learn that no one has opposed this application yet, not even the Lic Authority to uphold its own Conditions on a Premises Licence. Hard to fathom, but true.

3)

As we know, the 2003 Lic Act allows an Application to go through without any changes (ie no scrutiny whatsoever) if there are no objections submitted; therefore, I object in my name and

as a member of the 'Town' Ward Panel, and in the name of the Barclay Road Conservation Neighbourhood Watch (a police-sponsored and a Council-recognised organisation).

I also reserve my right to comment further because I would like to talk with the Licensing Police about this.

The DELIVERY ECONOMY has totally changed the sale pathway to the front door/final delivery destination. I will elaborate on this further in my further comments. Thank you.
